Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to

protect the rights of motorcyclists by being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show

your commitment to protecting and preserving your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

You are AWESOME!!!

Thanks you to all of the committee chairs and chapter reps.! With a very lengthy agenda for A.B.A.T.E. U, we finished the meeting in 4 1/2 hours! That's incredible.

Thank you to everyone who attended A.B.A.T.E. U. I hope you enjoyed the weekend and learned something.

As I'm writing this, we are days away from Bikers in the Beltway. Have you contacted

your legislators to let them know how you feel about profiling, the effects of E15 on our motorcycles, and autonomous vehicles?

Don't forget to send the letter and response to Frank. He will make sure that you get a Write to Ride rocker! (And a patch if you don't already have one.)

Keep an eye on those who are running for an office this year. We need to know who is on our side, and will help defend motorcycle rights!

Riding season is finally here. Enjoy every moment on the road! And please be safe! I want to see you at a meeting or party this summer.

ASSTCOORDINATOR@ABATEMN.ORG

I'm not sure if you made it to A.B.A.T.E. U or not but if you didn't, I feel you missed a heck of a good time, we had great speakers, excellent items on the silent auction, entertainment with the trike races, all the hospitality rooms and everybody being very hospitable and the jail, it looked like everyone that was there had a great time so remember to sign up for next year, and I feel we raised some money to go to a good cause, A.B.A.T.E. of Minnesota.

Now it's time to start setting our sights on the Rally. If you haven't signed up for a shift yet that would be great to lend a hand wherever you could, they're always looking

for volunteers and you know you might feel this is your vacation but try working one shift and you might realize how much fun it really is.

The more the Rally grows, the more we can look at doing more for the Rally down the road.

Everyone has been working hard getting to make this a great event and it always is. I've never had a bad weekend at a rally yet.

The only difference for myself this year is now that I don't have my day job, (Mies Outland), I will no longer be sitting by my motorhome as a vendor. Now maybe I can partake a little bit more in other events.

Now get out and do some riding, the weather has finally gotten nice.

– Till next time, Jim

Nest Meeting (s):

No June meeting

July 15th, July B.O.D., Wilton, 8:00 pm

August 28th, Rally, the Fairgrounds, Litchfield

Things are coming together pretty well! Thanks to all who are stepping up to help. Some Chapters have really stepped up in the Rally Sponsorships. Just remember we need outside help to, not just moving money from Chapter to State.

Our Sponsors will start appearing in the June Road Noise, please take a look at these great sponsors & stop in to say thanks! And if you're in the market to buy something they have to offer, why not give them the business?

We passed out Posters and Advanced Rally Tickets to each Chapter, please start getting posters hung up in your area and sell those tickets. Bring the unsold tickets and/or cash to the July B.O.D. Advanced ticket sales will end Sunday, July 17th. After that, tickets will go to full price. You will be able to purchase online until August 15th. Otherwise, you can buy your tickets at the gate.

Remember this is YOUR RALLY, it's all volunteers that put this together, so please sign up and help out. Still need help at the registration trailer, contact Kathy Dirksen or Jim LaSpisa for a shift or two. Erin Fredricks has the signup sheets for the Security Shifts, or contact Tom Duncan, Big D Sather or Tony Crandall for more information on security.

Wow! Warm weather FINALLY!!! It seems like the applications & renewals are starting to pick up a bit. I can tell when chapters are holding events. Unless you see me at an event, please try not to send cash through the mail.

Right now, we are working on a glitch with the online orders, if you get put in a wrong chapter, or your card isn't getting to you in a timely manner, please check your bank statements and see if the order did go through. All I'm seeing on the orders right now is, invoice number, total sale, name, address & e-mail. I'm told they are working on the problem so again, be patient. I can only work with what I'm given.

As always, PRINT CLEARLY, make sure zip codes are on the application and a phone number so I can call if I have a question.

Remember be kind!

Thanks to all the Chapter Treasurers that attended my seminar at A.B.A.T.E. University. There was good discussions and I think we all

learned something.

Our organization is in good shape financially, but we need to keep going to keep strong. Try to sign up a new member while you are out riding this summer. There are still a lot of motorcyclists that don't know about A.B.A.T.E. of Minnesota. Let's educate them!

Let me know if you have any questions or concerns.

Hello everyone and thank you for making our A.B.A.T.E. U Raffle a huge success! It takes a lot of work and lot of people to make it run smooth and you sure accomplished that. The money we brought in will help multiple charities and

people that our community cherishes, the list is too big to fit in this article!

Also, I have been receiving some great ideas for other charities we can donate to from some of our members. If you have a charity, you would like us to donate to please let me know.

Now we are moving onto the State Rally. If you need some tickets, please let me know. They are going fast!

NCOM (NATIONAL COALITION OF MOTORCYCLISTS) REPORT JUNE 2022

FRANK ERNST

(612) 801-2920

NCOMLIAISON@ABATEMN.ORG

**NCOM convention is on
June 17th-19th in Nashville Tennessee.**

The host hotel is Embassy Suites by Hilton,
Nashville Airport.
10 Century Boulevard, Nashville, TN 37214
Reservations: 615-871-0033

We will share some interesting information. We will have a presentation on insurance from a motorcyclist's point of view. A similar presentation to what was done at A.B.A.T.E. U this year. I had a number of people talk to me after that presentation and tell me how much they appreciated getting the information presented. Many people admitted they were not knowledgeable about their policy specifics and now knew what to look for. We will also be doing a presentation about communicating with legislator, letters/e mail/ phone/in person. This is an area where everyone has some different ideas and methods, and we all have room for improvement. We will be able to learn about different ways and see what is the best fit for ourselves. In my opinion the two most important things on this subject are do it, "communicate" and don't be offensive and burn bridges.

Were you able to take in the presentation "The Demise of Gasoline Powered Vehicles" by Ed Sheeter at A.B.A.T.E-U? Thank you NCOM/ AIM/The Biker Lawyers Dan Matzdorff for providing financial assistance to make it possible for Ed to join us.

I was thinking about some of the presenters we have had at A.B.A.T.E. University thanks in part to the help NCOM offers us. How many of these do you remember? Jesse McDougald from South Carolina, Bill "Sputnik" Stran from Texas, Dick "Slider" Gilmore from Spencer Iowa, Bill Bish from California, Senator Jim "Putter" Putman from South Dakota, Senator David Zien "The Million Mile Man from Wisconsin, Paul Landers from Texas, Double D & Twitch from Washington state, and most recently Ed Sheeter from Ohio. I apologize to any I am forgetting; can you remember any I have forgot?

We have had speakers from across the United States, again thanks in part to financial contributions from NCOM.

You are invited to join us. Come on down to Nashville have a good time and hang out with Bikers and the people that support us for a weekend. I am sure we will all learn things that can benefit us in the ongoing effort to protect our life style.

Stay Vigilant.

LEGISLATIVE REPORT

GACKOID@GMAIL.COM

May was Motorcycle Month.

As of today, May 10th, we have not heard from our Governor on declaring May as Motorcycle Safety Awareness month. A.B.A.T.E. of Minnesota has issued our own proclamation. I am still hoping to see the Governor make the declaration.

We will report more on this next month. This is an election year, so we will see our Representatives and Senators out campaigning this summer. Take some time to talk with them and get them to support biker issues.

*Pray for the best,
prepare for the worse,
and expect the Unexpected.*

BUDDY BEAR REPORT

BUDDYBEAR
@ABATEMN.ORG

We are beginning a new riding season. Everyone that ordered bears should have them. An update and reminder for reporting and sending in receipts. Receipts are to be mailed to Dan Matzdorff, 4080 Lotus Drive, Minnetrista, MN 55331, which is also on the receipt forms that were packed in with your bears. I will be sending out monthly reminders to your chapter reps each month for inventory count. They need to be using and checking their new A.B.A.T.E. emails, as I have set up an auto reminder to go out each month on the 25th.

Bless you Darryl Holman, I can't thank you enough.

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ

(952) 649-0581

SASQUACH17.JF@GMAIL.COM

There is not much to report this month as we have not had a Task Force meeting since my last Road Noise article was submitted.

First off, I am happy to hear that the Task Force WILL be taking an abbreviated Advanced Rider Course the afternoon prior to the May meeting which will take place a week from when I wrote this article. This was still undetermined until 2 weeks prior to the meeting.

Secondly, I am disappointed that the members of the Task Force have yet to receive motorcycle crash or fatality statistics. I understand the new head of the Task Force, Jay, is still getting used to his new position, but this information is vital to the Task Force members.

These statistics formulate our opinions on what direction the motorcycle safety advertisements should take. For example, during the last riding season there was an unusually high number of unendorsed/unpermitted riders that were in fatal crashes. With access to those statistics, the Task Force voted in favor of advertisements encouraging riders to get their permit/endorsement which requires them to have, at the very least, some rider education. I will be reaching out to Jay to see if we can get that information flowing again.

Lastly, the next Task Force meeting SHOULD be on Thursday July 21st from 5:00 pm to 7:00 pm, location TBD.

Don't forget to make good choices and keep your head on a swivel.

Well, the memberships are starting to come through the State Office again, and yet we fell pretty hard with the May numbers... State totals are as follows, Singles 1557 and Couples are 1772 for a total of 3329, last months total was 3398 that means we lost 69 members! The highest May was 2010 with 4355, that's 1,026 more members!

The Chapter with the highest increase this month was River Valley with +7, next there was a two way tie with an increase of +6 between Sand Dunes and Way West, 3rd highest was Rolling Prairie with +3. With the warmer weather & chapter events going on I know we can start to bring more members in.

Remember if we can't find new, then we better keep what we have! I still have more shifts available for the Freedom Rally in Algona, it's a fun way to see who is coming through the gate, meet new people and to just people watch! If you work (2) four hours shifts, you will get a free ticket to attend next year's Rally!

KARI.DUNCAN.ABATEMN@OUTLOOK.COM

Hello fellow bikers,

I hope you are getting some miles on your motorcycles. I have gotten a few. Since last months Road Noise came out after A.B.A.T.E. U, there are a few updates I would like to share.

First, I had to buy a new cash register for products. The new cash register worked great at A.B.A.T.E. U and I was able to get my printout so I don't have to count every item before and after an event anymore. Yeah!!!!

Second, I was able to get some small decals with our State Logo on them. They are \$2.00 a piece. Third, I recently sent emails to all chapters asking if they have any recent year rockers in their inventory that are not being used and are

collecting dust. If you have any please email me with the year and quantity you have. I may "buy" them back from you to avoid having more made.

Pricing on everything is going up, therefore I may have to go up on some of the prices of State Products. At this point I would rather not mail anything, as postage is higher than in past years and it seems to be a lot slower. I travel as much as my schedule allows and I am willing to meet you to get State Products to you if you need them before the next B.O.D. meeting instead of mailing. Please let me know as soon as possible and we can try to set something up that works for all involved.

If you want State Products at your chapter meeting to show what products are available or if you want Products at your event, let me know and I will do what I can to accommodate you.

As always, if you need something for an auction or have an idea or suggestion, please let me know and I will try my best.

– Kari

We had a good May meeting. It was held on a Sunday, so members could attend other runs that were scheduled on our normal Saturday meeting time. Thanks to Grumpy's for hosting the meeting. And a BIG thanks to everyone who helped with the ditch clean up prior to the meeting. I always feel good when I drive by our sign on Highway 7.

We had a great time at A.B.A.T.E. University. Another thank you to those who brought food for our hospitality room. The roast beef was awesome and there was always something to snack on.

A.B.A.T.E. of Minnesota Run Passports are available for \$20. Of this price, Lake Chapter gets \$10, so buy one now and support those businesses that support us!

Lake clean up crew!

The chapter voted to sponsor the Lucas Oil AMA Pro Motocross in July. This is an excellent opportunity to get exposure of our organization to another part of the motorcycling community. We will have a membership table at the event for the entire weekend. Let an officer know if you can help.

Buddy Bears will be going to the St. Boni Fire and Rescue and Rivers of Hope in Monticello. Watch for emails on distribution dates.

That's all I have for now. Our June meeting is in South Dakota. What a nice ride that should be.

We had free literature to hand out, we also brought in donuts, apples, and bananas, coffee and bottled water. We held the Washout from 8:00 am to 11:00am. That way some of our members still had time to make it to River Valley's Awareness Parade. When we were done, we had one donut, two bananas, and three apples left!

Next week we will have out ditch cleanup. We are also getting ready for our Kickstart Run, we have Buddy Bears to deliver and lots of sister chapter events to attend. So let the summer of warm weather and clear roads begin!

Howdy Folks,

Motorcycle Awareness Month is over as far as the calendar states. Motorcycle Awareness is NEVER OVER!! Let's take this time to reflect back at the month of May.

Many of YOU took the Proclamation that A.B.A.T.E. of Minnesota put together and moved it to a town or city position. Many mayors signed on as May being Motorcycle Awareness Month. I would like to THANK ALL That took the EXTRA effort to make this happen!! This made a lot more people known that May stands for more than May Day.

As I'm writing this I am physically and mentally preparing myself and my motorcycle for the long ride to Washington DC! This has gotten me more excited than the day I graduated high school! OH wait I didn't graduate. I was on board to make the trip in 2020 and then here comes COVID and changed the way we as Americans live. Well I'm ready and damn excited!! So as Boone, Chance and I make the trip we will be making a memory that will never leave us. One small step in life, One Big step for Motorcyclists.

Summer is here and bikes are heard daily. As YOU ride around enjoying the beauty of our nation take A.B.A.T.E. talk with ya. There are many good folks that would love to be part of A.B.A.T.E. and they don't even know it yet.

Get out and support Your sister chapters and Have tons of fun.

ABOVE ALL BE SAFE!! TAKE CARE and RIDE FREE

Hello Borderland!

Well, we had another great Membership Drive at Skippy Finn's! We had a good time, raised some money for Motorcycle PAC of Minnesota, and had a great silent auction fundraiser. We thank everyone who attended. And a big thanks to all that donated auction items and door prizes. And that wonderful food! You know who you are! The winner of the free membership was Chris Hamness. We had 56 re-ups and new members. That is awesome! And we thank you, Skippy, for your generosity!

Now I'm thinkin' out loud here...why would the greatest country in world history be the only one that has an open border where people just walk right in? Keep your dry beans and coffee in your saddle bags and remember to vote in the primaries! I think Minnesota may even vote for freedom and liberty this mid-term this time, even though we know that Amy K and Tina S know they are safe this time. Ride hard and fight hard. I Hope and pray that the next Governor of Minnesota will do better for our State and our freedom. Ride safe, later.

Seven A.B.A.T.E. members representing three different fields attended the Hibbing Swap Meet. It was well attended but the weather was really nice and the date was later than usual. Lots of re-novels and a couple membership for two years.

Please remember to check your bike over before taking off and keep your head on a swivel.

Chances are by the time you read this you've all gotten some miles, some wind and some sun to chase away those winter blues.

Thank you to everyone who came out to support and help with our Spring Ride. Without all of you it would not have been nearly as awesome as it was. The wind was brutal, but the sun felt great. We had over 45 riders registered.

I hope you all have made your plans to attend our 2nd Annual Sand Dunes Bike Show and Rodeo on June 12th. We had an awesome time putting this on for everyone last year and are hoping to grow what has already proven to be a great event for our chapter and A.B.A.T.E. of Minnesota.

A.B.A.T.E. doesn't succeed in a vacuum; it takes all of our members doing their part no matter how big or small the task. One of the easiest ways to help your A.B.A.T.E. is to reach out to riders who aren't aware that we're here. That quiet guy sitting at bike night, the recent retiree who hopped back on his bike in an attempt to reconnect with his youth. Many of these people are looking to be a part of something and to contribute. These people might be the next big mover in your chapter, but you'll never know if you don't engage them, invite them, and spread the word about all the awesome things we do. If every member can sign up just one new member we can double our organization, double our voice, and double our influence.

Our chapter now has a Motorcycle Dial-A-Ride trailer which sets us up to better serve our riders and our community. This program is a great tool that can directly reduce accidents and death, which in turn reduces the leverage our lawmakers have to pass restrictive laws on riders like mandatory helmets or onerous insurance mandates. The growth and efforts the Sand Dunes members have made, makes me proud to be a part of this chapter and everything we do. It should instill the same pride in all of you also. You've earned it.

Until next time, Ride safe.

Upcoming Event(s):

By the time you read this report, the 2022 Metro Chapter MetroMorial Day fundraiser will probably be in the history books. I will have to wait until the July article to brag about how successful the event was, how great the weather was and post some photos showing everyone how much fun it was.

Once we get into the months of June, July and August, we, as a chapter, are going to start tackling a problem that continues to plague us as well as many other chapters; dwindling attendance and participation by our members. Our chapter is fortunate to currently have 223 single memberships and 117 couple memberships for a total of 457 dues paying members. Yet we struggle to get more than a dozen members to attend our monthly meetings. And we know that the Metro Chapter isn't the only chapter struggling with the same problem.

Over the summer, we are going to make several changes intended to increase attendance and participation in general. We have subscribed to a service that allows us to send out information to our members via monthly phone messages in the voice of our Chapter President, Nick Capra. This service will also allow us to send text messages. We are also going to be starting a quarterly electronic newsletter, more often if I can find the time, which will be sent to every one of our members via email. If we are successful, you should expect to see a larger group of Metro Chapter members in attendance at this year's A.B.A.T.E. State Rally.

We still have a handful of commemorative calendars celebrating the 2020 and 2021 A.B.A.T.E. State Rallies. If you are interested in one, contact Nick Capra at NickCapra@Bluestone-Photography.com for prices and ordering information.

We look forward to a more "normal" summer than the last two and hope to see many of our A.B.A.T.E. friends at events sponsored by other chapters throughout Minnesota.

Until next month...remember, Roasted Sweet Corn and Loaded Baked Potatoes are just a couple month away.

Hello all,

Whoohoo! Riding season has begun and it going to be a busy spring and summer. Be sure to check the calendar in the Road Noise to see what's going on. Events are scheduled for pretty much every weekend through September.

A.B.A.T.E. U. has come and gone with a great turnout and a lot of fun. The classes after the B.O.D. meeting were interesting and informative and were well attended. The live auction was a blast and raised a lot of cash. The auction was followed by the trike races which were a great success and ran until early in the am.

We had a special guest at our May chapter meeting. Thanks to an invitation from our Chapter Representative Parrish Silbernagel, Mr. Chad Walsh, who is running for Saint Louis County Sheriff stopped in to say hello and see what A.B.A.T.E. is all about. He introduced himself, answered many tough questions and ended up staying for the whole meeting. He was very attentive to the causes we represent and even made some guarantees to address some of our issues including motorcycle rider profiling. Good luck to Mr. Walsh. If he is elected, I believe A.B.A.T.E. will have a new friend in the Sheriff's office.

Greetings and salutations to all,

April and May were very busy months as we prepared for our first annual Ride for Buddy Bears. By the time you read this, the ride will have come and gone. At this time, we are hoping for a great turnout as well as good weather since this is being written in early May. Mother Nature has not been playing nice with others lately with regards to the weather being cold and rainy.

The Chapter raised over \$600 in donations that were given to the mayor of the small town of Taopi by the Chapter President and Vice President. This little town was almost completely wiped out by a tornado that ripped through their town in early April. The mayor was very grateful that the chapter was thinking of them.

I attended the B.O.D. meeting in Alexandria in April as a new Chapter Rep. I learned a lot and thoroughly enjoyed the whole experience. I'm looking forward to the July B.O.D. meeting. A BIG THANK YOU to Donna for being there with me for moral support and giving me pointers on what could be expected. I also enjoyed the classes that were held even though I was only able to make it to two of them. There was considerable discussion on the issues we as motorcyclists could be facing down the road, but with all the letters and emails that are hopefully being sent to the legislators at both the state and federal level, we can put these issues to bed. Your support and help with this is important to get this done. REMEMBER, we are fighting for your rights so you can ride free.

All of our meeting places have been confirmed for our summer meetings and then in October we will go back to meeting at the Rochester American Legion Post 92.

A BIG WELCOME to all new members and looking forward to seeing you at our upcoming meetings. A BIG THANK YOU to all those who renewed their memberships, and we look forward to seeing you at the meetings. If you're not sure of the times and dates, check your Road Noise as this information is always posted in there, or check our website or Facebook page as the times and dates are usually posted there too.

Here's to a great riding season (if it ever gets here). WHOOP WHOOP.

July, no meeting

Upcoming Event(s):

June 25th, Border Blast, Buff's Farm
by Hartland, registration
11:00 am, ride 12:00 pm

Greetings Flatlanders,

As of the writing of this in early May, the weather finally went from 30's with wind and cold, all the way to 89 and tornado warnings. Mother nature is a little off this year. Check your tire pressure and let's get some miles this summer.

Flatlanders Washout and May Motorcycle Awareness was at I-35 northbound welcome center south of Albert Lea from 11:00 am. to 2:00 pm. After completing that we went for a Chapter ride that ended at Kurt and Alicia Wallace's house for our 4:00 pm meeting. After the meeting was food, music, fire pit, and camping. Thank you to Kurt and Alicia for hosting.

June 25th is Border Blast with meeting at 10:00 am, registration at 11:00 am, and the ride at noon. Border Blast will be at Buff's Farm 70994 325th Street, Hartland. Campers and tents can be brought out during week before or day of. BYOB. Friday night before, there will be a fire pit, music, and people camping. Saturday will be the ride at noon and when we get back there will be food, DJ music, bike and yard games, and a fire pit. At 9:00 pm live music starts with Chain Lightning. Camping after the music is done. Check out the full-page ad in June Road Noise.

Check out Flatlanders Chapter, A.B.A.T.E. of Minnesota on Facebook for meetings and event info.

Greetings Tri-County! Well, mother nature smiled upon our Chapter once again. The one nice Saturday to ride in recent months happened to be during the Tri-County Carver Bike Run and it turned out to be a record year. We had over 160 participants! I'd like to thank everyone who stepped up to help out. I won't name names, but you all know who you are, and you know what you did to make this event a rousing success. THANK YOU!!

A.B.A.T.E U was a great time too. Thanks to Steph and everybody else that made the weekend go smoothly, I'm sure it was a lot of work. For those of you that don't know, I came up with a last-minute idea to raise money for MC PAC. With a VERY important election year coming up and stagnant funds in the PAC account, I felt the need to do something a little drastic. I decided to collect donations to shave my beard off. Together, all of YOU raised \$738.25 for MC PAC and I am now beardless. Personally, it sucks, but it was for an important cause and the beard will grow back.

The Chapter was supposed to do highway clean up the day after the Carver Run, but due to inclement weather we had to cancel. I'm guessing it will be in early June so keep your eyes peeled for email and Facebook notifications.

RIDE...RIDE...RIDE...I'm out!

– Big Jon
