Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to

protect the rights of motorcyclists by being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show

your commitment to protecting and preserving your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

As I write this, we're waiting for another snowstorm. I don't know if you feel the same, but I'm ready for the snow and ice to go away so I can get on my bike and go for a ride. Do you have your bike ready to go? Make sure to check your bike over so that your first ride is a safe one. Don't forget to put those new tabs on before you leave home! We want everyone to have a wonderful riding season.

Are you ready for A.B.A.T.E U? We have a great line-up of classes, and we're trying some new things this year. Come and check it out.

I've seen a lot of chapter event flyers. Will I see you there? I try to attend as many as possible. It's great to see you getting together, having fun and raising money to help support A.B.A.T.E of MN. Together we can accomplish anything.

Hope to see you soon!

Well, is everybody ready for A.B.A.T.E University? I guarantee it will be fun for everyone, I remember the first A.B.A.T.E University Kristie and myself went to, and didn't know a soul but by the end of the weekend we found a lotta new friends, so don't be hesitant come on out and join in, I'm hoping by then most of the snow will be gone, it's been over six weeks since I seen snow last, and I'm not missing it at all.

And we've been able to enjoy a lot of time out on the bike down in Texas riding in the hill country, and it has been a great time.

I have been checking emails and catching up on minutes from committees and some chapters, but I've been out of the loop for a little while. I will be back at it again in April.

Hope to see everybody at A.B.A.T.E University.

Till next time

STATE OFFICE ADMINISTRATOR

SHELLY DEUTSCH

(507) 487-5000

STATEOFFICE@ABATEMN.ORG

The State office has been busy with the election process, so by the time you read this most results will be in and recorded.

I came across something weird at the post office. Someone returned their membership in a SQUARE greeting card envelope, it was marked, "Postage due" when I asked the postmaster about this he stated "the envelope is a unique size, but the scanner doesn't know which way to read it". So, I had to pay an extra \$.40. So if you're mailing your post cards back just fold it down and use a regular envelope.

Another issue I just came across, if your chapter holds a benefit, please don't combine the door admission and membership together, it really messes the system up.

See you at the April Board meeting!

FRANK ERNST
(612) 801-2920
NCOMLIAISON@ABATEMN.ORG

Have you ever been out for a little ride, pulled over by law enforcement then invited to play the twenty questions game? You know the game, "Hi do you know why I stopped you? Hey how you doing today, where you heading?" Or "where are you coming from? I haven't seen you (or your patch) around before, do you ride with a group from around here?" Or a very popular one, "how many drinks have you had today?" Questions that are just gathering intel because the officer has a preconceived opinion that because you ride a motorcycle you must be a criminal. Or questions intended to get you to commit to some action that the officer looking to make quota may be able to twist into some sort of a traffic charge and write a citation. They know many of us would rather just pay a fine than take the time to appear in court to get a charge dismissed.

I am not always in favor of the laws passed in California but I think this one is an exception. California Assembly AB 2773 Bill Signed by Governor Sep 29, 2022. Some segments of the bill I like "This bill would, beginning on January 1, 2024, require each state and local agency to include in its annual report the reason given to the person stopped at the time of the stop." and "This bill would, beginning on January 1, 2024, require a peace officer making a traffic or pedestrian stop, before engaging in questioning related to a criminal investigation or traffic violation, to state the reason for the stop, unless the officer reasonably believes that withholding the reason for the stop is necessary to protect life or property from imminent threat". If you want all the details just google California AB2773.

As many of you know I have been a little vocal about profiling or other harassment stops of motorcyclists in the past. Just because of a particular officers' prejudices should we be stopped, or detained, could legislation like this help reduce those events? On the rare occasion that I may have mistakenly violated a traffic regulation, speeding, lane filtering or other and an officer feels the need to stop me this would require he tell me the reason before he or she starts questioning me. How would it work if the officer would simply identify himself, identify the reason he has chosen to stop me take whatever official action that is necessary and let me go on my way. I don't need to sit on the side of the road talking with him or her about where I have been, where I am going, how many cups of coffee I have had today, the color of the new drapes or anything else he or she is feeling the need to talk about. Let's take care of the business at hand, deal with the alleged violation and let me go on my way. Then the officer can go someplace, get a cup of coffee and fill out a report on his eventful day.

In closing my report, I will share that for some time I have had a concern about my contributions to NCOM. I don't feel I have been accomplishing things I should and I don't know how to fix it. With that in mind I have made the decision to submit my resignation to NCOM and see if that allows some others to step in and make more meaningful changes. This is a decision I have been struggling with for a while and was difficult to make. My relationship with NCOM has allowed me to have some wonderful experiences, see some great places, meet some fantastic people, and a few others too.

Remember,

Be on time,

Be prepared,

Stay to the end.

It increases your odds of success.

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ
(952) 649-0581

MNMSATF@ABATEMN.ORG

The next task force meeting will be after this article is written, but before it is published so I don't have a whole lot to share with you. The good news is there are currently no motorcycle crash fatalities. The bad side to this is that almost no one is riding their motorcycle.

I do want to take some time, once again, to share about the need for rider coaches in the state. I received a text message from an unfamiliar number less than a week ago. It turned out to be a new member of Central Chapter who was interested in finding out what is required to become a rider coach for the Minnesota Motorcycle Safety Center (MMSC). I sent him the application and all the information I have. It got me thinking, he must have read this in one of my task force reports, so perhaps I should bring up the topic again. There is currently a shortage of rider coaches in this state. In fact, there were rider training courses canceled throughout the state last year due to this shortage.

Please don't hesitate to reach out to me with questions you have. I will have more to share next month. Make your own choices and keep your head on a swivel.

STATE TREASURER

MICHELLE BACKLUND

(763) 263-1532

STATETREASURER
@ABATEMN.ORG

Voting for the A.B.A.T.E. of Minnesota's annual budget will take place at the April B.O.D. Let me know if you have any questions.

Membership dues have increased effective April 1st. Make sure you have up to date tri-folds.

– Later, Mitch

Letter to the Editor:

Last month I wrote about step one of the great motorcycle rights freedom fighter Sputnik Strain's Five Steps to Freedom. Step one was focused on getting involved in the voting process. If most of the people you hang around with are politically active, step one might seem pretty basic. But in 2022 39% of Minnesotans who were eligible to vote failed to do so. Think about that for a minute: 1.6 million Minnesotans did not exercise a right that half of the world's population wishes they had. The current governor won by less than 200,000 votes and several house and senate seats were decided by less than a couple hundred votes. If Minnesota motorcyclists' voting participation was closer to 100%, our riding rights would be much easier to keep. Now let's look at step two.

Step Two: Get Acquainted with Your Legislators.

Minnesotans are governed by a "citizen legislature." Our house and Senate members are regular people who come from all walks of life. While their life experiences may make them particularly knowledgeable in a few areas, they can't be expected to have all the answers on every topic. This is where you come in. Constituent input is a huge part of lawmaking. We live in a time of easy and free communication. Call or email your senator or representative about issues important to you, especially motorcycling related. Very few legislators ride on a regular basis. So, it is important they hear from us. After all, who knows more about motorcycling than motorcyclists! After a while, you will be considered their "go to" person for biker issues. Sputnik offered the following tips on communicating with legislators:

"Never lie to an official to make your case seem more solid. They have heard them all and you will only brand yourself as a phony. Don't offer a compromise you are not certain your association will honor. Let the official realize you will always be above board on any issue. Treat each official with whom you encounter honesty and integrity as if dealing with a friend and you might just find you are. Always address only one issue per letter or visit unless requested to do otherwise."

If you know anyone who would like more information on communicating with legislators, please have them call me.

Next month: Sputnik's Third Step to Freedom.

YOUNG RIDERS REPORT

FRANK ERNST

We ran into some delays getting membership cards printed and the welcome letter drafted, but I think we are moving forward again. A Young Riders Facebook page is up and operating and the QR code created will take you directly to that page. The new email address is setup and ready to use.
youngriders@abatemn.org

The poker chip that will have the QR code and young riders contact links has been sent out to get quotes. It may be a month or so before we have these. I would like to have them at A.B.A.T.E. University, but I don't know if that will happen. We will have some printed material encouraging potential members to join Young Riders but we expect the poker chip will be more attractive to the younger audience. As stated last month, most communication and contact with our Young Riders will be through electronic platforms.

We have a meeting scheduled that will have taken place before you read this and we will be talking about the possibility of creating a group of financial supporters possibly "Proud Supporters of A.B.A.T.E. Young Riders," and have some incentives for people or business to contribute. The funds raised in that method could help support activities that are not eligible to be funded with gambling funds. We are already aware of some expenses that need funding and expect there could be a few more that we have not anticipated. Be sure to share this news with the young people in your lives. Kids, grandkids or for some of you old guys your teenaged girlfriends. Invite them to join Young Riders and invite them to join us at A.B.A.T.E. University.

A reminder; at A.B.A.T.E. U we will have some classes that Young Riders may like to participate in. Stop the Bleed and the First Aid CPR class will be available. For the Young Riders that participate in the First Aid class the certification fees will be free, the fees will be covered by others. In addition to that we will have a special door prize drawing that will only be open to Young Rider members and there will be no fee to enter that drawing.

Thanks in advance for your help, participation, and suggestions.

LEGISLATIVE REPORT

GARY GORACKE

(320) 491-8546

LEGISLATIVE@ABATEMN.ORG

The legislative team has been hard at work getting bills released. With all the craziness that is happening at the Capitol this session, we need to be on our toes making sure nothing bad happens to us.

Please be patient with us and be ready to be sending out letters when we ask. I will have a full update at A.B.A.T.E. University for the chapters.

Pray for the best, prepare for the worse, and expect the unexpected.

Thanks!

The Young Riders scholarship ad page I reported about last month has been approved. It has been submitted to our webmaster to set up the link to receive scholarship applicant information from the DPS/College websites. I am hoping that by the time you read this, we will be good to go on our end. Getting this vetted has taken a lot more time than I had anticipated, but we are making progress.

For those of you that are running for a District Director position, I will be looking for your help should you get elected. If the Education budget is approved in April as written, I will be reaching out to you to help facilitate a district rider training event in your territory. This would consist of getting a list together of A.B.A.T.E. members within your district that are interested in taking an intermediate rider course free of charge to them. We would then pick a date and location suitable for those that are signed up. Good luck this month candidates! That's all I've got for now.

DIAL-A-RIDE

Next Meeting(s):

April 16th, Holiday Inn,
Alexandria

As I sit here writing this today, it's snowing outside, hard to believe that in just six weeks we will be in full swing with riding season. Time to watch out for our fellow bikers and get them home safely. I have it on good authority that DIAL-A-RIDE coasters are in and will be distributed to Chapters. Very important to get coasters distributed to your favorite bars, in your area. Those of you out there that have a trailer at home you would be willing to get someone and their bike home contact John Nelson at bigjohn.jn7@gmail.com or Sharon Polman polmanse@hotmail.com. We received a response from a young man in the St Cloud area, would be good to be able to cover the entire state.

Look forward to seeing everyone at A.B.A.T.E. U.

GAMBLING REPORT

DAN MATZDORFF

GAMBLING@ABATEMN.ORG

Gambling has been busy pushing tickets and spending the money those past sales produced. This month we made donations totaling almost \$4,000! Donations were made to Dial-A-Ride, MRF A&E, purchase of Buddy Bears, a Veterans Home, Ronald McDonald House Ride, Eagles Healing Nest and Dough 4 Joe! Damn what a great feeling putting those checks in the mail.

Be safe and looking forward to seeing you all at A.B.A.T.E. U, *and maybe calling out your name as a raffle winner.*

topics. Did you talk with your legislators? Did you complete the "Legislative Meeting Report"? Did you follow-up with the legislators or staff you talked with? All important stuff. Looking for a reason to write?

Some potential state legislative changes I am aware of at this time that may prompt you to write.

SF 1598 Digital Fair Repair Act. Authored by Senator Kupec (04 DFL) and 4 others and companion bill HF 1137 Authored by Representative Fischer (44A DFL) and 19 others. Mack is watching SF 1598 very close and has some questions and concerns. If you are thinking about writing on this, I suggest you have a discussion with Mack first.

SF 2132 Motorcycle ground light. Authored by Senator Coleman (48 R) no companion bill at this time.

SF2573 Motorcycle sales tax. Authored by Senator Hoffman (34 DFL) and 1 other and companion HF2376 Authored by Representative Petersburg (19B R) and 3 others

HF2365 Motorcycle sales tax. Authored by Representative Harder (17B R) and 1 other and companion SF2395 Authored by Senator Gruenhagen (17 R)

We have reached out to a former House member that is now serving in the Senate that has supported us on other issues and asked them to Author and support an anti-motorcyclist profiling bill but at this time we have not heard back

If you write and get a reply on any of these issues or others, please submit reply for your W2R patch/rocker We will file the information, track support or opposition to our issues and get your patch/rocker to you.

When you write remember state what you want, why you want it, how it benefits you, or others, or all. State facts, tell the truth, be courteous, be brief, and ask for a reply.

At this time 3/10/2023 we have had members of five chapters submit communication for write 2 Ride patches/rockers for 2023. Metro, North East, Rolling Prairie, Tri-County and Way West Thanks to these members for taking part.

HISTORIAN

HISTORIAN@ABATEMN.ORG

Hello to everyone! I wanted to take this opportunity to introduce myself.

I have been a member of A.B.A.T.E. of MN since 2018. Although I have always loved motorcycles and motorcyclists, I never knew about A.B.A.T.E. until then. I quickly discovered I had been missing out. What wonderful people, wonderful causes, dynamic drive and fulfilling family! I've never felt more at home.

Since joining, I have been SGT @ Arms for three years and have taken on the role of products for my chapter for the past year. I have enjoyed both positions very much and am blessed to have been received by open arms.

I am now honored to also take on the position of your A.B.A.T.E. of MN state historian. I can't wait to dive right in!

Since I have joined my chapter of A.B.A.T.E. of MN, I have had the privilege of meeting a lot of my chapter's seasoned members. I absolutely love hearing the stories from the past. To learn more and share more, about the A.B.A.T.E. of MN's past, is enticing.

I hope you will enjoy this journey through the past along with me!

Hope to see you soon at an A.B.A.T.E. of MN event!

First off I made a mistake in last month report. I stated that the new Increase prices were \$30 for Singles and \$40 for Couples, that is WRONG! It should have been \$30 and \$50. I misunderstood at the B.O.D when they stated an increase across the board of \$10, I didn't realize it meant per person not per category. I apologize!

That being said, the new trifolds & tearoffs will be available at the April B.O.D. Please have your Chapter Rep. stop by & grab the new materials, we want to save on postage!

This months figures are up +59! The Chapter with the highest increase was: Sand Dunes with a +28 membership! Way to go! 2nd highest was Up North with +12, and 3rd highest was Northwest Chapter with +10.

I thought maybe, without naming names, you may be interested in knowing who the sizes of the largest and down to the smallest chapters are. Our largest chapter as of March 2 is 232 chapter members. The smallest is 32 members. So we need to reach out and help some of our smaller chapters with their benefits and rides!

BIKE OF THE MONTH

**owned by
Dean Webb,**

Dean Webb is a member of Lake Chapter and Sand Dunes Chapter. Dean's bike is a 2015 Victory Cross Country Tour, 106 cubic inch motor, 62,000 miles. Favorite ride is Beartooth Pass in Montana.

MEMBER OF THE MONTH

Lee Heaton

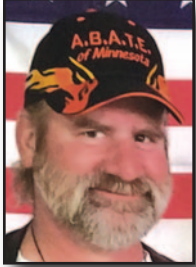

Lee is a member of Borderland Chapter since 2002. In Lee's years of being a diehard member he has held every position except State Rep, and he currently is President of our chapter. Over the years Lee has led many fall colors runs and buddy bear runs along with attending rallies, selling raffle tickets, organizing ditch cleanups, ground hogs' parties to membership drives, and helped organize Bash at the Barn.

Lee is an all-around top-notch member!

Lee has served in the U.S. Army until he Retired in 1995. He worked at Polaris Industries as a Sr. Development Technician until he retired in 2018. He started his own business after retirement called Far North Cycles and believe me when I say this Lee knows Victory and Indian motorcycles inside out. He is a diehard Victory guy also; he still rides his V92!

Lee is retiring from his President position in Borderland A.B.A.T.E. and we wish him a happy retirement from all his friends in the Borderland!

Howdy Folks,

Want to start out by giving a huge **THANK YOU** to **ALL** out going Chapter and State Officers! I would also like to THANK, ALL the new chapter and State officers!! Without YOU this organization would not roll straight!

Welcome new people to YOUR Chapter. Often the new guys and gals sit in the back and take in what goes on. Take the time to make them feel at home.

A.B.A.T.E University is just around the corner!! A very good time, and educational as well. Bring a friend! Hopefully We can ride our bikes there.

May is Motorcycle Awareness Month, whether our Governor signs it or not. As we get ready for another season of riding, make sure the tires are full and the oil is new. Also PLEASE make sure YOU are ready to go. Take the time to take a Rider Training Course. I will be 59 this year, have been riding since I was 9 and still every year I try to take a rider course. EVERY time I take one I learn something. Mostly what I learn is that I get relaxed on certain things like turning my head when turning my bike. The little things count! Let's go into this season with a ZERO deaths attitude. We are losing way to many of our loved ones each year.

Jess Cooper here, Heart of lakes Chapter. Hoping that someone can help a gal out. Can you all look and see if maybe they are in a long forgotten tote, maybe hiding under some vests, or in a lonely corner of a shed. They are collapsible signs in orange bags with marked H.O.T.L lettering on the bags. If found give me a jingle at 218-298-4156 or shoot an email to heartofthelakeschapter@abatemn.org. Thanks all.

Greetings Southeast District,

As some of you know I have been having some problems with a knee since mid-summer last year. It has been increasingly debilitating as time has gone by. My weeks have been 5 days of work (if possible) and weekends of recuperation to try and make 5 days again. This is the reason I haven't been attending your chapter meetings, especially on Sundays. As of my writing this I am scheduled to have a complete knee replacement immediately after A.B.A.T.E. U and hopefully by July I'll be rehabbed and recovered to be fully out and about.

Also, I want to give a big THANK YOU to all the outgoing chapter officers and CONGRATULAIONS to all the incoming officers. You all are what make this organization tick.

Welcome to what is hopefully the start of a great riding season for everyone. As riding season starts, let's help get the word out that we are back on the roads. As a whole we can help reduce the numbers of accidents. With that being said, our May Motorcycle Awareness Parade planning is well underway and coming along nicely. We hope to see good numbers of participants again this year. The date is set for May 6th. Starting at the City Garage on the corner of Hoffman and Victory and ending at Spring Lake Park. There will be a fun run to follow.

Currently we are looking forward to A.B.A.T.E. University at the Holiday Inn in Alexandria April 14th-16th. Everyone is encouraged to attend... especially new officers. There is a lot of great information available as well as some great times.

With April here, this means this is my last article as your chapter president. A resounding thank you goes out to everyone for the opportunity. Thank you to our new and returning officers that stepped up to fill all the positions. As we move forward, remember to be sure to volunteer if possible. Keep signing up new members. Keep passing the word about who we are. Attend other chapters' events. Most of all, enjoy our freedoms and keep fighting for them. I'll see you in the wind!

thank you also and again we look forward to

Well as you read this it is April. Even though there might be snow on the ground in some places, I know we are all looking forward to getting the bike out and getting the wind in our faces. I hope that all of you take the time and really check over your bikes. Tires, lights, brakes, we need to make sure that you are not one of the casualties for being in a hurry. We all need to be safe this year. Last year we had too many accidents (even one is too many) in the state and with all the new politicians at the State Capitol we need to all be safe and watch out for our fellow bikers. If we don't watch out for ourselves and our brothers and sisters, then they may think that they must do it for us.

– Please ride safe and have a great spring.

We are planning a Spring Run. If you have ideas or want to help, let Scott Bitzer know. The run will be starting at the Red Lodge in Waverly and ending at the home of Scott &

Gaida Trout.

The motorcycle training courses have been scheduled for June 10th and 11th. There is no cost to our members who take these courses. But there is a limit for each class, so let someone know if you are interested.

Gaida will be ordering more on the "If Found - Return to Lake Chapter" t-shirts. Let her know if you want one.

Buddy Bears have been ordered and we should get them in April. Distribution dates will be set when we know for sure how many we are getting.

That's all for now, got to get back to work! I hope to see everyone at A.B.A.T.E. U. Make sure to get your raffle ticket. Lots of great prizes this year.

Spring is here, at least as of March 20th the
calendar says it is. Get ready to bring those
attitude adjusters out of hibernation. Timing is
everything. Give it time for all the salt and sand to
be washed away before rolling into the corners.
Give extra time for others (non-bikers) to get used
to us being on the road again, they need to be
re-educated on looking twice to Save Our Lives!!!
Remember to do all your pre riding checks before
hitting the road. Please check your tires air
pressure as the cold temperatures literally suck the
pressure right out of them.

I am so excited for all the Chapter events that are
starting to be advertised, especially our own
Annual Spring Fling Bike Show on May 6th. Please
see the flyer in this edition of the Road Noise. The
2023 Passport Run Books will be available soon,
make sure to get yours.

Congratulations to our new and returning

Foxx" Maningoine, Chapter Rep Doug Louris,
Treasurer Tina Myllykangas, Secretary Ingrid
Cohen, Sergeant at Arms: Curt Schmitz, Tad
Lothert, John "Veeeight" Maningoine, Mike Niece,
Mike Voigt, and Brian Schemmel. I am truly
blessed to have such a great and dedicated group
of officers. But officers do not make our chapter,
the members do. They are the voice and what
completes the family tree.

I am so looking forward to seeing all my friends at

NORTHEAST DISTRICT DIRECTOR

KENT VERNER
NORTHEASTDIR@ABATEMN.ORG

Hey everybody, spring is just around the corner and not coming any too soon. I'm ready!! The streets in the city of Superior are the worst I've seen in 22 years of living up here. Pot holes are everywhere. Some of them are 8" deep, 12" wide, and side by side. If you try to dodge one you will hit another one that is worse. It will be quite a while before I can get my bikes out this year.

I want to remind everyone that A.B.A.T.E. University is coming up fast, just a couple of weeks away by the time you read this. The committee has put in a huge amount of effort to make this U the best ever. Make your reservations soon and see you in Alex.

Chapter voting is complete and the results will be read at the board meeting. I want to thank all outgoing officers for their work and effort and thank all the new officers for stepping up to serve this year. It is fun and very rewarding to serve in this organization. Please continue to visit other chapter meetings to see what works for them that you could try. Try and attend other chapter fund raisers, we are all in the same boat, and you just might have some fun and meet new friends.

If you are riding by the time you read this, be extra careful and keep your head on a swivel.

June 13th, VFW, Coon Rapids, 7:00 pm

Upcoming Event(s):

May 28th, MetroMorial Day Celebration, Route 47 Pub and Grub, Fridley, 12:00 - 6:00 pm

Greetings Gang!! Fear Not - Spring is Near.

The Metro Chapter meets the second Tuesday of each month at 7:00 pm at the Coon Rapids VFW, 1919 Coon Rapids Blvd. We would love to see you, no matter if you are a current active member past/inactive member or potential member.

Most likely, by the time you read this, the Donnie Smith Bike show will be history. The Metro chapter was back in our usual spot performing membership duties for all A.B.A.T.E. of Minnesota chapters and promoting Motorcycle Dial-A-Ride as well as promoting Metro Chapter activities, including our monthly Taco Nights, Sunday brunches and our annual fundraising event, the MetroMorial Day Celebration on Sunday, May 28th at Route 47 Pub and Grub in Fridley. This event replaces our former annual Winter Bash which, for a number of reasons, we have discontinued holding in late January or early February.

We have been racking our brains trying to find a signature event to incorporate in our MetroMorial Day Celebration and we think we have come up with the perfect solution - the Metro Chapter is literally Going to the Dogs. We know that there are a number of bikers that like to include their furry, four-legged pets in their motorcycling adventures and we are going to showcase those riding partnerships.

Most motorcycle event flyers contain the words; No Children - No Pets. So we have decided to buck tradition and open our

event up to everyone, including children/grandchildren and pets.

As many of you are aware, A.B.A.T.E. of Minnesota recently dove head-first into promoting a Young Riders program designed to get the younger generations interested in motorcycles and A.B.A.T.E. of Minnesota. So this May, we are putting together our first Bestie/Beastie Biker Pet Beauty and Talent competition and we will be encouraging motorcyclists that ride with their pets to attend and show off their riding partner's good looks and talents. Prizes will be awarded to riders and their pets in a number of categories which we are working to finalize.

As of this writing, we don't know the answer to the question; Is MetroMorial Day a biker event where children and pets are welcomed? Or is it a family-friendly event showcasing furry, four-legged motorcycle riding companions that also happens to be welcoming to bikers? I guess you will have to attend for yourselves if you want to find out the answer.

And the next time someone asks you; *Who Let the Dogs Out?* You can tell them, the Metro Chapter.

QUESTION of the MONTH

Is the Metro Chapter's Annual Fund Raising Celebration, MetroMorial Day:

A.) A traditional-style motorcycle event and bike show that is welcoming to children and pets?

....or....

B.) A fun event with a new element that spotlights our furry, four-legged biker dogs and cats in beauty and talent competitions that is also welcoming to bikers?

....or....

C.) An excuse to spend time on a holiday weekend Sunday afternoon with your friends, soaking up the sun, eating good food, enjoying some liquid refreshments and listening to some great music by Virgil Caine?

ANSWER: You will need to show up to find out

Hello all,

Not much to report this month. By the time you read this our annual fundraiser, The Bunwarmer, will have taken place and I'm sure it will have been a great success.

Riding season is creeping up on us, so it is time to start thinking about bringing your bikes out of storage and doing all of the pre-season checks that ensure your safety. There's plenty of time between now and then, so no reason to be in a hurry at the last minute and forget to check your tire pressure and fluid levels.

Looking forward to A.B.A.T.E. U this year. It's always a good time and we'll be seeing a couple of new programs get going. The Young Riders program is one we're definitely looking forward to. We already have several local young people who have signed up and are excited to get started. This program has the potential to help generate younger A.B.A.T.E. members which is crucial as the general membership gets older.

That's about it. There will be more to write about as riding season starts soon.

Stay warm!!

Spring is here and summer is hot on its heels. We have our Spring Scavenger Hunt and Fundraiser Run coming up May 20th. Registration at 9:00 am, KSU 10:00 am from KJ's Refuge in Orrock. This ride is organized by the same crew who brought our Not a Poker Run.... Run which was a bunch of fun and an awesome success.

We will also be out at KJ's on June 11th for our 3rd Annual Sand Dunes Bike Show and Rodeo. For those who couldn't make it to the last few, you missed out and should really come check it out. For those that have enjoyed it in the past, I hope to see you again. Bring a friend. We will have our bike show, motorcycle games on the ballfield, a silent auction, and a very awesome mix of vendors. This event has been extremely successful for our chapter and that is 100% due to the hard work that many of your fellow chapter members put in. I have had many, many people compliment how well organized and executed our events are. This is a testament to your ability to work together and get the job done as a team. We should all be very proud of what we have achieved and look for ways to build on it.

Please, come to a meeting, share your ideas, and get involved.
