Not receiving your Road Noise?

Contact the State Office to ensure your address is correct in our system. If it is correct, you will need to contact your post office to ensure that they are delivering the Road Noise to you.

Get address changes to me ASAP.

Road Noise is bulk mail and will not be forwarded.

Membership tri-folds:

can be requested from the State Office, or from Shelley Deutsch (Membership & Retention Chair) at (507) 227-4498, or membership@abatemn.org. You can also find membership forms on the website at www.abatemn.org. When you recruit a new member, write your name and Chapter on the tri-fold so you receive credit for the recruit. Make sure tri-folds, Chapter information forms, and other pertinent business documents are **written legibly, including area codes, zip codes, phone numbers, and e-mail addresses.** Use **POSTAL CORRECT** addresses. The following are address tips: Do not abbreviate County Road, Minnesota State Highway, Circle, do not use #sign (i.e. Co. Rd, ST, Hwy, CR, use Lot or Apt. or TRLR number, example: Trailer + number =TRLR 201 or Lot 201, or Apt 201).

Memberships:

Postcards go out to members who will expire at the end of that given month. Renewals must reach the State Office by the third Friday of the month, regardless of the date, to ensure you receive your next month's Road Noise. Use **POSTAL CORRECT** address! Please allow 4-6 weeks to receive your new hard cards.

Minutes:

from Chapter, Committee, and District meetings can be e-mailed to stateoffice@abatemn.org.

Mailing Labels: The State Office can print current mailing labels for your Chapter's newsletters, reminder cards, and event flyers.

Feel free to call me with questions, concerns, and inquiries 6:00 pm to 9:00 pm, or leave a message and I will return your call ASAP.

Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to protect the rights of motorcyclists by being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined

together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show your commitment to protecting and preserving your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

Summer is finally here!

Are you getting out and promoting your chapter's events? Are you supporting other chapter's events? It's a great way to get to know wonderful people from all over the state of Minnesota.

There are also fantastic conventions taking place this Summer and Fall. Did you make it to A.B.A.T.E. U, Heartland STEAM or Bikers in the Beltway? Next month, the NCOM convention will take place in Arizona. Then Meeting of the Minds will be held in Philadelphia in

September. There is so much information, and friendships, to be gathered at these events.

Are you planning to attend our A.B.A.T.E of Minnesota State Rally? Let's see what we can all do to promote our largest fundraiser of the year. The committee is working hard to make it a great event.

Have you earned your Write to Ride patch yet? Please do your part to stay in contact with your legislators. Attend town hall meetings, or invite them to a chapter meeting. You could even meet them for coffee. They don't know how you feel about legislation unless you contact them!

Stay safe!

Jane

Did everyone see the cover last month? I think it was one of the best covers I've seen in a long time.

Well, the State Rally is full steam ahead and there's only a handful of meetings before the event begins. I hope if you have time to stop and check one out and to mark your calendar for Labor Day weekend. I've never seen a bad Rally yet.

As for myself, if everything goes according to plan, I will have my right hip replaced and then I will have a matching pair, seeing as I had the left one done 10 years ago. It might cut into a little of my riding season, but it will be well worth it in the end.

My summer seems to be booking up with the grandkids in July and going to see grandkids in Colorado Springs in August, so there won't be much downtime.

Sorry to cut this short but someone yelled squirrel and I'm off in a different direction.

Till next time,

Jim

APRIL 10, 2023

I am humbled & honored to have been asked & accepted to become your next liason to the National Coalition o Motorcyclists {NCOM}, hopefully I bring a new perspective to the good things we do together to ensure motorcyclists and the bikes we ride are always given consideration in the mode of transportation mix on our planets roads and trails.

BILL INTRODUCED IN CONGRESS TO PREVENT I.C.E. BANS

U.S. Representative John Joyce(R-PA) along with more than sixty Republicans cosponsors has introduced House Resolution 1435 "To amend the Clean Air Act to PREVENT the elimanation of the sale of Internal Combustion Engines-I.C.E."

Titled the "Preserving Choice in Vehicle Purchases Act," H.R. 1435 was introduced March 8th and is designed to protect American's right to choose the technology that powers their motor vehicles, the measure was introduced in response to the California Air Resource Board's (CARB) plans to ban the sale of new internal combustion engines (ICE) vehicles by 2035.

The Preserving Choice in Vehicles Purchases Act would restrict the U.S. Environmental Protection Agenct (E.P.A.) from issuing any waiver for new regulations that would ban the Sale or Use of new motor vehicles with internal combustion engines (I.C.E.s)

The bill follows action in August 2022 by CARB which approved new requirements on automakers that would effectively ban the sale of new ICE cars & light trucks by 2035 in favor of so-called zero-emission vehicles, like plug in hybrid, full battery-electric, and hydrogenfuel cell vehicles.

Lawmakers supporting H.R. 1435 say it is important that the E.P.A. does not permit CARB's ZEV (Zero Emission Vehicle) mandate

to take effect,as it could lead to 17 other states that have followed all or part of California's previous clean-car rules adopting similar proposals.

H.R. 1435 has been referred for consideration to the U.S. House Energy and Commerce Committee.

We have our work cut out for US, but together WE can and will do great things.

JUNE 2023

Welcome to what may not make any sense to those with kids, grandkids or even great grandkids. While some states require that a passenger's feet touch the foot pegs in order to legally ride on the back of a motorcycle, indicating adequate physical stature, New York and Georgia are attempting to take it a step farther by restricting passengers by a minimum age.

A2690 in New York would "Prohibit children under the age of 12 from riding on a motorcycle", while SB71 in Georgia states "Manner of riding Motorcycle; motorcycle passengers shall be no younger than 16 years of age." Both of these bills have been referred to their respective committees, where staunch opposition is expected from rider groups.

I ask you, "are you ready to let legislators kill riding motorcycles?" This could be the beginning to the end if we cannot share the pure joy that riding motorcycles bring you and me with our future generations at an age where these impressions mean the most.

As your liason to the National Coalition of Motorcyclists {NCOM}, I ask for help in combatting this and any other nonsense designed to either eliminate or stop legal motorcycle riding by calling 1-800-531-2424, or logging into www.ONABIKE.com and Register for FREE to RIDE protected with our A.I.M. {Aid to Injured Motorcyclists} emergency card to carry when you sign up for this FREE service!

In closing, If you're into short notice vacations or if you're living right and are retired from that four letter thing (work) and want to ride into our beautiful southwestern and western states, hit me up as soon as you read this for more details, because I'm rolling out towards the NCOM convention on Friday, June 9th.

MRF REPORT

JAY HICKOK
(763)234-8143

MRFREP@ABATEMN.ORG

Upcoming event(s):

Sept 21st-24th, Meeting of the Minds,
Harrisburg, PA

Hello everyone,

Bikers Inside the Beltway was a success for the most part. We still have our work cut out for us by making phone calls, writing emails, or talking with our representatives when they come back to their districts for parades and other events. Next year it would be wonderful if we could meet with all eight representatives and both senators. It would also be great if we could have a constituent from each district in DC to meet with their representative.

One concern that was brought up by MRF President Hardtail was the life of the combustion engine and it got me thinking. If they limit the sale of these engines and rely on battery power, what does that do to the supply and demand of fuel for our motorcycles? We are already fighting to make sure 91 octane is available. The taxes we pay when we purchase fuel help repair roads, bridges and other infrastructure. Right now the electric vehicle stations may charge a tax but where does it go? When you charge at home in your garage the electric company is not sending money back to the state to help cover the cost of roads. It's the trickle down effect that by changing one thing it affects so many other things. I know legislators are already working on how to collect from these situations but by us talking about it with our legislators we can say that we did our part and those that are the naysayers, we can pretend to be elementary school kids again and say "I Told You So".

Don't forget that if you have a meeting or event that you would like the MRF to be at please reach out to myself or any of the assistant reps and we will do our best to be there. If you are unsure of who our assistant reps are, we have Tony Roe, Jeff Beattie, Shelly Deutsch, Dale Peterson, Gary Goracke, and Todd Riba.

Hope to see you at the next event.

DIAL-A-RIDE

Thank you to these chapters for donations BORDERLAND, NORTHEAST, AND JACKPINE RIDERS.

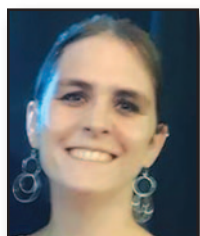

A special thank you to Darryl Holman, Pablo Gonzales, and Matt Peoples for stepping forward with their own trailers, and volunteering for Dial-A-Ride. Thank you for stepping forward to be added to the call list. We also want to thank Tony Collier and Dale Morin in Buffalo for volunteering to be added on our call list.

Dial-A-Ride needs contact persons for Moorhead, Roseau and southwest of the twin cities areas, if no one has a trailer talk to us about working on getting Dial-A-Ride trailer.

You were given posters, coasters, and business cards to distribute to the bars in your areas, be sure to get them distributed and go back to check from time to time.

Our goal is to reduce deaths on the road for impaired bikers to get them home safe, remember this could be your, grandparent, parent, child, or grandchild's life that can be saved, by just making a simple phone call to Dial-A-Ride (888) 342-5743. Dial-A-Ride is available from Friday through Sunday evenings from April 28th to October 29th.

If you ride don't drink, if you drink don't ride, but if you do call Dial-A-Ride.

Nothing New to Report

Call to Action!

The last three months I talked to you about the great motorcycle freedom fighter Sputnik's plan of five steps to freedom. The first two steps of Sputnik's path to motorcycling freedom were somewhat simple. Vote and communicate with your legislators. In step three he showed us how putting up yard signs and handing out campaign literature for a candidate you believe in will establish a bond that will benefit both of you going forward. Now it's time for step four.

Step Four: Working the Caucus

Step three was about using your muscles to help a candidate. Step four is about using your mind. In Minnesota candidates are endorsed using the caucus system. These are meetings run by the political parties (Republican, Democrat, and others) and start at a very local level. Here you will meet your neighbors and members of your community who have a similar interest in the political process. This is where the candidate endorsing process begins. Using your social skills, you will hopefully convince others that they should favor your chosen candidate (The one who favors motorcycling freedom!). It is also where the group elects delegates who will represent your area at the county and state level. By becoming a delegate you will have a major influence on who will be running for office and what their goals should be (the party platform). Since precinct caucuses usually have low attendance, you have a good chance to become a delegate and carry the motorcycling freedom torch up the ladder just by showing up. As Sputnik said, "Only by gaining the support of others can we guarantee our right to ride for years to come."

The next Minnesota precinct caucuses will be in early 2024. Try to learn as much as you can about the process between now and then and you will truly make a difference. The MN Secretary of State website has much more information on this. Next month: Sputnik's Fifth Step to Freedom.

Hello folks!

The wheels keep moving forward in Education. Currently we have two Young Riders Scholarship recipients registered for Beginner Rider Courses. If you know of anyone who is under 21 and eligible for the scholarship, please don't hesitate to reach out to me. The website issues have not been resolved so, for now, we have printable applications available to apply for the scholarship.

The District Rider Training events are beginning to take shape. We have scheduled the Northeast District Intermediate Rider Course from 10:00 am - 3:00 pm at Pine College on June 24th. If you are in this district and interested in taking the Intermediate Rider Course free of charge, please contact your District Director (Chad Marchand).

Edgar is working to get one scheduled in the Northwest District and I am currently working with Donna in the Southeast District to get one contracted in Rochester. Shelly has been out hopping to different chapter events in the Southwest District to get feedback as to where the preferred location is in her district. I've been in contact with quite a few colleges as of recent and it is interesting to see the differences between their attitudes towards getting these Intermediate Rider Course's set up. Some are easy to work and communicate with while others won't even return your voice mails/emails. It certainly tests the patience at times.

By the end of April, I submitted revisions to the Education Chair operations manual pages. Some updating was required to provide for new initiatives within Education and removal of outdated and obsolete information. Once again, if you are interested in participating in your district's rider training event, please contact your District Director. Later peoples!

MEMBERSHIP
@ABATEMN.ORG

Memberships are still rolling in pretty good, especially with Chapters holding events. As of May 2nd, the report shows that we went down in numbers again, we are at 1,456 singles and 1,716 couples for total of 3,172 and we are down 42 from last month.

There were four Chapters that had an increase in memberships this month, every other chapter either stayed the same or lost members. The highest increase was Northeast with plus four members, 2nd highest was Flatlanders with plus three members, 3rd was Central with plus two members, and the 4th highest increase was Glacial Ridge with plus one member.

I handed out everything I had for new trifolds and tear-offs at the April B.O.D. I am told that more have been ordered, so I will bring them to the July B.O.D. Some Chapters have been requesting more already. If you are collecting from someone right away feel free to use an old form, just cross out the amount and change to the new amount.

There are new people writing articles for the Road Noise. Please keep in mind that with all the Committee Reports and Grapevines try to keep your report short use bullet points with key information. Then if the member is interested in more information, they can contact the Committee chair or Chapter. We are still trying to update the Friends of A.B.A.T.E. list, if you have been in contact with a business and they offer a discount to you ask if they would extend the same courtesy to other members. GAMBLING REPORT

DAN MATZDORFF
GAMBLING@ABATEMN.ORG

Spring/Summer has arrived and I'm positive a lot of you are out taking day trips or getting lost on some back road in rural Minnesota. Maybe while you're out there you should take along some 2023 State Rally Raffle tickets to

sell. I'm sitting here looking at over 1000 tickets waiting for a good home! Hit me up and I will get them to you ASAP. Maybe even willing to take one of those day trips to hand deliver, weather permitting of course!

Last month we were able to make \$2,500 worth of donations to organizations like Patriot Guard, a senior center, community action organization and a pet rescue. Keep sending in those requests and giving us ideas for new ones.

There was a recent alert from MRF concerning H.R. 1435 the "Preserving Choice in Vehicle Purchases Act." This and other alerts sent out by MRF are important. They should get your attention. They should get you to take action. Because these alerts are going out to people across the nation, they are a standard message and they are accurate at time of publication. I suggest when you make the decision to take action you take the time to do a little investigation on your own. It is pretty easy. You can do a google search using the bill number and title. Example "H.R. 1435, the Preserving Choice in Vehicle Purchases Act" You will get to a page where you can see the bill text, authors, committees, status, and other important information. You may see that your elected representative is the author of the bill or you may see the bill has already passed into law, things that are important to know.

When you click in to send messages on these alerts you will see the message that is ready to be sent. It may or may not be appropriate for your situation. Using the information, you have just researched you can determine if the message ready to be sent is appropriate. If not, you have the

ability to make changes to the message, to make it appropriate and to make it personal. It does not take very long to be informed about these topics and to make the message yours. Be sure the message that is being sent is the message you want to go to your legislator.

We still have some stuff pending in Minnesota but most anything that will affect motorcycling will be delayed or will be rolled into an omnibus bill. I do not know of any of our issues that will be addressed as standalone bills this session.

I know of some cities and counties that have issued or are considering motorcycle safety proclamations. Duluth, Osseo, Frazee, and Carver County have stepped up.

I, and a fair number of other A.B.A.T.E. members live in Chanhassen. In the past I have requested they issue a safety proclamation but I have been informed it is not going to happen. I don't think Chanhassen has issued a motorcycle safety proclamation since my wife was a member of the council. I guess they don't have time for such nonsense, after all the only benefit of a safety proclamation would be the possibility of saving serious injuries or deaths of motorcyclists.

If you write and get a reply on any issues, please submit a copy of the reply for your W2R patch/rocker.

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ
(952) 649-0581

MNMSATF@ABATEMN.ORG

You might have noticed there was no task force report in the last Road Noise. I submitted it in time, but I never caught the fact that I didn't receive a receipt email from the editor. I'm not quite sure what happened, but you have my apologies.

The last task force meeting was held virtually on March 16th. The original plan, agreed upon at the meeting prior, was to meet in person with a virtual option. Unfortunately, we were told 3 days prior that it would be all virtual. At the beginning of the meeting, Jay wanted to remind everyone that these task force meetings are open to the public and he encouraged us to spread the word. The first topic of discussion was the A.B.A.T.E. Young Rider's Scholarship I gave a detailed report on the progress of this endeavor to the group (If you would like an update on this, please read my Education Report).

Next, we received an update on the progress of the task force's version of the May Motorcycle Awareness Month proclamation. Jay made it sound as though someone from the Department of Public Safety (DPS) had reached out to someone within the Office of the Governor and received positive feedback on the idea. The task force is still in agreement that we should send our own proclamation out regardless of the Governor's decision. The more the merrier so to speak.

We also discussed a strategic plan for the task force. In essence, where is this task force headed and why? All the members were asked to send in their thoughts before the meeting for discussion at the meeting. Few of the many topics submitted were briefly brought up such as; coming up with a mission statement, involvement in electronic sign messaging concepts on our freeways, and promoting enforcement of existing motorcycle laws (impounding motorcycles operated by unendorsed and unpermitted riders). In my opinion, a brief overview of the suggestions and a thank you to all, with no in depth discussion at that time. Perhaps there will be more in future meetings.

A few more updates discussed were; Dial-A-Ride materials have been printed, media advertisement concepts are in the selection process, and a legislative report submitted by Mack Backlund was reviewed.

The next task force meeting is scheduled a week after the deadline for this article, so I will have fresh information to share in my next report.

Roads are clearing up and it is time to ride. Please be vigilant and remember the cages haven't seen you on 2 wheels for months. Make your own choices and keep your head on a swivel.

Hello fellow bikers! I hope you are out enjoying this wonderful weather. I have not yet been out on my bike, but I am ready to put some miles on.

Please let me know if there is anything special you are looking for and I will try to help you out.

I am currently still on the hunt for can koozies with a handle, but it seems as though they have been taken off the market.

I am taking preorders for the 35th Anniversary State Rally mugs. They are 40 oz with a lid and straw. They will have a collage of pictures from last year's Rally on them. They are \$15 each. Please email me if you want to be added to my growing list so I can make sure I have enough on hand at the State Rally. Chapters send me the total amount of mugs requested by your members by July 1st.

Please let me know if your chapter is interested in having State Products at your event. I will try to have something available for your chapter's needs.

I think that is all for now. Have a great summer full of rides and fun!

YOUNG RIDERS REPORT

FRANK ERNST

Last month I spoke of a need to find funds for Young Riders activities and events that did not qualify for charitable gambling lawful purpose expenditures. We have a plan in place that will allow private parties or A.B.A.T.E. chapters to participate. We are currently working on a plan that would include opportunities for business to take part and become Young Rider Supporters. Many of the Young Rider expenses can be covered with charitable gambling funds but some expenses will need to be paid with A.B.A.T.E. of Minnesota general funds.

THE PLAN!

We are offering the opportunity to become a Proud Supporter of A.B.A.T.E. Young Riders. At this time private parties will be listed as a Proud Supporter of A.B.A.T.E. Young Riders for a donation of \$200 per year. A.B.A.T.E. chapters can be listed as a Proud Supporter of A.B.A.T.E. Young Riders at a fee of \$400 per year. Either group may participate in 6-month increments. We plan to offer a business or commercial supporter opportunity later.

How it works; make a minimum \$100 personal donation, \$200 chapter donation (Not a business donation) and we will recognize the donor as a Proud Supporter of A.B.A.T.E. Young Riders for six consecutive months, double the donation we double the time.

Our method of recognizing donors will be to post their name and the donation period covered in Road Noise, on our Website and on the Young Riders Facebook page. We will publish the dates the donation covers as shown below.

You can become a Young Rider Supporter. Donations should be forwarded to:
A.B.A.T.E. of Minnesota State Treasurer,
16550 226th Ave NW Elk River MN 55330
Donations to A.B.A.T.E. of Minnesota or A.B.A.T.E. Young Riders are not tax deductible.

We are putting information about places and events that may be of interest to Young Riders on the YR Facebook page. Take a look, you may see some things of interest to the not real young riders.

We invited Young Rider members and potential members to participate at A.B.A.T.E. University 2023. We offered Young Riders members in attendance the opportunity to take part in the First Aid/CPR certification training course being presented. A.B.A.T.E. Charitable Gambling paid the fees for five participants so they could get their certification. In addition to First Aid/CPR we also presented a Stop the Bleed class. That was attended by Young Riders as well. We are so very happy to see these young people taking part and learning these important skills. It is my wish they will never need to use these skills, but if circumstances are such that they do use them, how fortunate for everyone that they have had proper training.

Some of the enterprising Young Riders present created an activity to help raise a few dollars. Thanks to the Young Riders and to Tim "Edgar" Burke they managed to raise nearly \$550. The dollars raised were shared between A.B.A.T.E. University and Motorcycle PAC of Minnesota.

We have a great start with Young Riders. We are inviting them and they are participating. But we need to find more things to offer. If you know of events taking place or are planning events that could include Young Riders, please let us know. We can promote it on Facebook and if appropriate send electronic messages to all Young Rider members. If you know of events or would like to help arrange an event but you need help with funding, contact us. We may be able to find a way to get it done. Again, thanks to all for the enthusiasm getting the Young Riders program going, it is greatly appreciated. And thanks to the Young Rider Supporters that have made contributions.

10:00 pm - 12:00 am, Everette Smithson Band;
Saturday from 7:00 pm - 9:00pm, Crimson Edge;
10:00 pm - 12:00 pm, Devon Worley;
Sunday from 7:00 pm - 11:00 pm, Menace.

Tell your friends to bring a friend or two. Just a reminder for admission, 18 - 20 years you must be an A.B.A.T.E. member and buy a full weekend pass, no daily passes for minors. Daily Passes will cost \$25 or \$30 for a year membership and free day pass. **NEW MEMBERS ONLY.**

Fred and Deb are working on some fun Fashion Show Events and the election of King and Queen of the Rally. Each Chapter is to elect a King and Queen (not related or married) to compete for the Rally King & Queen (see Royalty Pageant ad). They have a few new vendors coming this year too!

Kari is taking advanced orders for the 40 oz. insulated Rally mug, please contact her if you are interested.

Each Chapter was given 10 advanced Rally tickets at the April B.O.D. If your chapter is not selling them, please send back to Randy. Other chapters are requesting more, and they are going fast. Remember to bring all unsold tickets or money to the July B.O.D. in Tracy. Advanced ticket sales will be final by then.

We had a signup sheet at the April B.O.D. for Chapters to sign up for POST RALLY clean up. If your chapter has not signed up, please have your VP or Chapter Rep do so at the July Rally meeting!

Remember, as stated in the job description in the manual, all VPs are supposed to attend the Rally meetings.

We still have not received the new posters, but as soon as they are here, we will mail out and bring them to the July B.O.D.

There will be no June Rally meeting. The next Rally Meeting will be held at 8:00 pm Friday, July 14th in Tracy at the Caboose Bar.

MEMBER THE MONTH

Kyla Baker

Kyla Baker has been nominated for member of the month by North Star Chapter of A.B.A.T.E. of Minnesota.

Kyla has been a member since 2021 and has held the following positions: Sargent at Arms, Secretary, Dart Tournament, at present on our Pool tournament committee and Meet and Greet committee. Kyla has taken it upon herself before the rate increase took effect, of sending out letters to old expired members as well as current members. From that mailing of 63 letters, we got 8 renewals, Yeah Success! Kyla has also been doing our reports for the Road Noise. Kyla has been a wonderful addition and asset to our chapter. Always bubbly and ready to step forward.

Thank you Kyla for all you do.

Hello Borderland!

First, we want to welcome all new members and we thank everyone that supported our Membership-Drive and fundraiser. We had a great time and it was a great success. We also raised \$114 for Motorcycle PAC of MN and a huge thanks to Skippy Finns! We also want to thank all that showed up to clean up our Adopt-a-highway roadside.

Our chapter sold two winning A.B.A.T.E. U raffle tickets. Congratulations to: Tony Fitcher (2k) and Tim Mcdaniels (20k) and two thumbs up to the A.B.A.T.E. University committee.

We now have the \$10 state rally raffle tickets to buy and sell, 218-689-7969 and if you know a person or business that would like to sponsor our state rally contact Pat (Sully)Sullivan; 218-242-0120.

Last month we donated Buddy Bears to the Goodridge fire and rescue and made some charitable donations out of our gambling account.

Ride safe and keep your head on a swivel both on the bike and off.

SOUTHESTDIR@ABATEMN.ORG

Greetings from the Southeast District!

I know it was a surprise to hear my name announced as the new District Director, but it was a little bit of a surprise to me also. I agreed to a write-in at the last minute and notified all of the chapter Presidents. Found out later that one of the chapters did not know, as their chapter president's phone number in the Road Noise was wrong. I have attended their meeting and apologized to this chapter, all is good and time will tell on both fronts.

Working on getting a district meeting set up before the next B.O.D. and will have more info on that when the date gets set. With the busy riding season finally upon us and looking at the calendar of events for the next few months, it is going to be very interesting. So much more going on, not a weekend without someplace to be or somewhere to go. Good thing I am retiring at the end of June - lol. I now have something to look forward to! I will do my best to get to all of the chapter meetings over the next two months, so if I haven't been to your meeting yet, I will be soon.

Ride Safe, Ride Smart.

Greetings:

Well, it's May now which means it May rain, it May snow, it May be 70 degrees, it May be 20 degrees, or we May have sunshine. Each day is a surprise from Mother Nature.

We had a great time at A.B.A.T.E. U. I had a chance to attend a few classes and they were awesome. It was fun to see everyone again and meet the new officers and chapter reps. The bummer of the weekend was waking up to 2 inches of snow on Sunday morning after having

rained all day Saturday. Made for a fun drive home or at least until I got to the Cities where I finally got dry ice-free pavement.

Plans are coming along nicely for our upcoming Summer Shenanigans Party in July. Vendors are welcome and there will be no charge for vendors. Camping will also be free. We have bikes games, a ride, and food trucks as well as music. Plan on joining us on July 22nd and have some fun. Several members from the chapter will be there camping on Friday evening so you are welcome to come early and camp with us. There is approximately 10 acres so plenty of room for campers as well as tents.

We welcome all new members and hope to see you at our monthly meetings. And thank you to all current members who have renewed their memberships and as usual we look forward to seeing you at our monthly meetings too.

Get out and ride and hope to see you in July either at our party or at the July B.O.D. meeting.

I would like to thank everyone that came out and made it a success; especially the River Valley members that knew what to do from lining the bikes up to road guarding. Also, having an escort by the Mankato Police and the North Mankato Reserve Police was appreciated. It was great to have members from other chapters come and partake in our Awareness Parade. This is something that

would be great if we could or would be able to participate in supporting other chapters' activities. I know for myself, I'm going to try to attend events other chapters are sponsoring just to meet new people and hopefully make friends.

Be safe out there and remember you are not always visible, so don't take it for granted that the cars see you.

The 7th Annual Tri-Co Carver Bike Run was held on Saturday May 6th and even with the cloudy skies, we had over 60+ bike enthusiasts! Several stops on the route included good food and great door prizes! Thanks to all who came on the ride, helped out during the ride, and made donations! It takes a village of friends to make this ride a successful and safe event!

We also will have had our spring Highway cleanup and thanks to all who showed up to help for this. At our last meeting, several members received pins for work they did, but all of our members deserve a pat on the back for their contributions and time! Thank you!!!!

Tri County is also fortunate to have two

awesome guys from our chapter involved in the management of the Young Riders Training Program...Jon and Frank. And our chapter voted to donate to this organization for this program's continued existence through A.B.A.T.E.

Our chapter has also designed a Chapter Challenge to all A.B.A.T.E. of MN chapters. Reasoning is twofold: increase membership for the state but also reward two chapters for their successful membership increase for their new signups! The two chapters would each receive \$500 for a group rider training course after certain criteria is met. We also hope that other chapters will note the initiative idea we came up with for chapter involvement/membership and will foresee their own interest in doing one of their own contests that includes all chapters participating! Fun! (See Page 31 for more info.)

As above mentioned, our next meetings will be at parks! Outdoors, grills going, food and friends makes for an awesome meeting! Our Shakopee June meeting at Memorial Park has Albie bringing the hamburgers and hotdogs and others to bring a dish to share. Get on your bikes and join us! We welcome new faces with new ideas!

Enjoy the weather... be smart and safe out there.

First off, I would like to thank Trashy for the nomination for the SWDD position. Sometimes others see in you that you don't see in yourself, so thanks Trashy and to the Chapters for their votes.

Last weekend I went to South Central's Bike Show and Buffalo Ridges Tap Take Over. I've been to the bike show before, but my first time to Buffalo Ridge, it was nice to put names to faces!

After all the conferences I've been to, and Leadership Classes I've been to, I just want to leave this out there. Remember the Golden Rule, "Do unto others as you would have them do unto you." A good time to remember this is during your meetings. When you joined, were you felt welcomed? If you see a new face, introduce yourself and chat with them, introduce them to the head table, not during the meeting where that may make them feel self-conscious.

That's all for now,

September 21st - 24th, Meeting of the Minds,
Harrisburg, PA

Thank you to the Mound American Legion for hosting our May meeting. They had a fantastic space for us. We appreciated going back to the roots of Lake Chapter, some members enjoyed a

group ride around the lake after. It was a busy weekend for all. We had a fantastic turnout for the washout and ditch pickup. A few were able to join Tri-County on their run and we hosted a membership table at Moon Motorsports in Monticello.

The Chapter voted to sponsor the Rally and donate to the PAC. We voted to have our annual Grounded Hogs party again on February 3rd. Never too early to get that on your calendars.

Our chapter Memorial Run, will be held on May 27th. This run is very important, so please attend if you can. The last stop will be at Mike Jencks house.

Then the Spring Run is June 17th and will start at the Red Lodge in Waverly kickstands up at noon and end at the home of Scott and Gaida Trout. Should be another great day. Would love to have you all join us.

The motorcycle training courses have been scheduled for June 10th and 11th. There is no cost to our members who take these courses. But there is a limit for each class, so let someone know if you are interested.

Until next month my friends - Ride Free

Hello!

Spring is here, kind of. How many have got your bikes out and started to put miles on? Our plan this summer is to get out there as a group and have some fun. We all are surviving but it will be nice to LIVE a little this summer. Summer seems to be shorter and shorter every year. Time to stop saying we wish we could and start making time to do it. Work will wait, the grass can be cut later.

Knowing that our Chapter is growing again is giving us inspiration to get out there and start enjoying our friends, making new ones and ride. With having the Passport book, there are places you would never think to go check out, so get your Passport book and head out.

And remember, if you have a few,

Dial-A-Ride will be there for you. Stay Safe!

Hello all A.B.A.T.E. members!

It's happened! No snow or ice predictions, and riding weather is upon us! Praise Baby Jesus and his mother Mary! They got a rein on crabby pants, Mother Nature.

July (yes, I said July ahhh, already) meeting will be held after the Freedom Rally, outside of Algona Iowa. So come to the meeting at usual place at 7:00 pm. Bring your Algona stories along. Everyone that goes has a story or two.

Still discussing fund raisers, and some great ideas have been brought up.

In the southwest part of MN, the holes in the roads are being filled, we have had the rain to clean the salt and sand from the roads, so let's go!

As you can see by the photo our stretch of highway ditches has been cleaned up, for the season. We have Pres Todd Holman, Chapter Rep Jerrit and Treasurer Kerry Prins, Secretary Jane, and Sergeant of Arms Reggie Folkers. Our group waited for it to dry out and hit it hard! A few members were not able to make it because of family, and work commitments.

We are small but mighty. Let's pray for those folks that are fighting for our country, while their loved ones are weary from their worries.

Til we are all older (and wiser),

Our Food Drive was on April 30th to collect items for our local food shelf in Meeker County. Thank you who everyone who donated their time, food items, and money!! We collected 340 pounds of food and \$589.50! We also promoted at the local grocery store May as Motorcycle Awareness Month.

Our Bike Show was on May 6th, and while Mother Nature did not give us the turnout we were hoping for, we still had trophy winners, our vendors did well, and we had a great time! Thank you to everyone who worked so hard that day and attended our event.

Join us for our annual Fun Run Membership drive this month on Saturday, June 24th, registration is at 10:30 am. We will have new games this year at all the stops. A light lunch and supper are included with the \$20 entry fee, members are welcome to stay overnight for the camp out and music! See our flyer in this edition of the Road Noise or our Facebook group for details.

We will be doing our spring ditch clean up soon, yay!

Greetings All,

Finally riding season! That winter was forever.
Please ride responsibly and have fun!

The July B.O.D. in July is in Tracy. Chapter, be ready to step up and help where needed. Our District is heading this.

The Chapter is spearheading up a Memorial Ride in July during Bellingham's Appreciation Days, more details to follow.

We are auctioning off two rideable BMW electric cars on our Facebook page. All monies are going to our Toys for Kids.

See you on the open road. Keep your knees in the breeze,

NORTHEAST DISTRICT DIRECTOR

CHAD MARCHAND

NORTHEASTDIR@ABATEMN.ORG

As I write this, Spring is finally here. I hope you're getting some miles in and signing up new members while you're at it.

I heard at one point that Minnesota has something like 300,000 endorsed or permitted riders, yet our state organization has about 3,000 members. This is a huge opportunity for growth that we can all be a part of. If we all recruit 1 member, our organization doubles. We all have that one friend who says they should get current. Bug them until they do, and then thank them. That friend or coworker who rides? Invite them to a ride or event and offer to ride with them if you're able. Give some trifolds to the group of riders you meet at the gas station or leave your old Road Noise in the break room. There are a ton of ways we can all recruit. Employ the ones that work for you.

We have seven awesome chapters in our district and we all do things a little differently. I strongly encourage you to get out to your neighboring chapter's rides, events and even meetings. You'll make new friends, see old friends, learn new things and have fun doing it.

I had three things I wanted to encourage all members to do. I've already covered recruiting, and to get out and support your neighboring chapters. The last one is Bikerday at the Capitol. I know it's nearly 9 months away but that gives us lots of time to write, text, and call our elected officials and open, or continue those lines of communication to keep them informed of the concerns of the riding community. From autonomous vehicles and EVs to choices at the dealer and the pump, there are a lot of bills floating around that could have huge impacts on all of us. I'm not going to count on EV manufacturers or ethanol producers to lobby for my ICE motorcycle. If we want these elected officials to champion our concerns, it is our responsibility to inform them of those concerns.

This has gotten far too long, so I'll close for now. I hope to see you out there at an event, ride, or meeting.

Until next time. Ride safe.

WHO IS READY FOR SUMMER?!?!?

Our ongoing monthly Monday night Taco fundraisers at Casa Rio in Anoka are scheduled for June 12th, July 10th and August 7th. We will also have several Sunday morning Brunch fundraisers at Route 47 Pub and Grub in Fridley during the summer and early fall - watch our Facebook page and chapter website for more details.

By the time you read this, our annual fundraiser, MetroMorial Day will be in the books. Did you attend? Did you have FUN!?!? I was VERY IMPRESSED by the level of professionalism that our Chapter President Nick Capra was able to come up with in creating the promotional

materials for this event. If the event doesn't turn out as successful as we had hoped it would, it has nothing to do with a lack of GREAT promotional materials. We hope to be able to report that our 1st annual Four-Legged and Furry Biker Dog and Cat Beauty and Talent Contest was a ROARING SUCCESS in upcoming grapevine reports.

Now that the MetroMorial Day event is over, we will be concentrating on increasing the number of Metro Chapter members that attend and participate in the Labor Day weekend Motorcycle State Rally at the Meeker County Fairgrounds in Litchfield. Once again, Nick will be wandering around with his talented camera, capturing lots and lots of candid photos of people enjoying themselves at the Rally. Many will then end up in the 4th edition of the State Rally calendar that will be available in time for Holiday gift-giving and the new year.

Hope to see everyone out on the road this summer AND at the STATE RALLY!

 The July meeting is typically a meet up and ride to a supporter's place of business.

Hello all,

Finally, riding season is here and I'm sure everyone is racking up the miles after a long hard winter. Don't forget your riding season bike checks. TCLOCS is a great way to remember what to look for. Tires and wheels, Controls, Lights and electric, Oil and other fluids, Chassis and chain, and Stands. All of these are important, but checking your tire pressure and tread wear is crucial. Especially at the beginning of the riding season after winter storage.

Our chapter would like to thank Parrish Silbernagel for contacting the Mayor of Duluth and getting the week of May 21st-27th designated as Motorcycle Awareness Week with the accompanying declaration.

This kind of extra effort by chapter members is greatly appreciated. Not much to add, just getting wound up for the upcoming onslaught of weekend events. Have a great summer. I'm sure I will see many of you at the various rides and parties!

Ride Safe!

August 4th-13th, 83rd Annual Sturgis Rally

There will be a celebration of life for Dave held at Dave's home, 27302 Leese Rd, Finlayson on June 10th at 2:00 pm. There is also a memorial ride for Dave on June 10th as well. The ride leaves the Finlayson Muni at 10:30 am sharp.

I am looking forward to seeing you all at our 17th

Annual Upper Kettle River Shakedown, featuring live music, camping, vendors, bike games, human games, auction, bonfires nightly, memorial ride, and more. Check this issue of Road Noise for the poster.

Quick shout out to all our members to help with repairs, updates, clean up, and set up to our U.K.R.S. music trailer/stage and event grounds in general. Please attend and lend a hand. The more hands the quicker/easier we can be done. Show up early and stay late if possible.

Next roadside cleanup will be in September. The last cleanup had a great turn out. Thank you to all that help out with this worthwhile endeavor.

Greetings! This is my first grapevine and first month as president. I'm excited for this year and excited for our chapter, which is the best chapter ever! Okay, I'm getting a little carried away; still we have a lot to look forward to.

I want to thank the previous president, Chad Marchand, and the other board members for pushing Sand Dunes forward. It wasn't that long ago that this chapter was on the brink of closing. It was their efforts and leadership over the last few years that has brought us back. We have had some great activities over the last month or so. Many of our chapter members attended A.B.A.T.E. U and it was a first time experience for several of us. It was a great time. A lot of good information and the chance to meet members from other chapters.

We ran the A.B.A.T.E. booth at the Dirty Rotten Bike Fest in Princeton and despite some iffy weather, we had pretty good traffic, made some great contacts and even signed up some new members (you're welcome South Central). And Sand Dunes member Angie Webb-Darwin won first place in the women's event at the bike show.

By the time you read this our May 20th Spring Ride will be in the books. More on that next month.

Finally, I regret to report that we had to cancel our June 11th Rodeo and Bike Show due to an oversight with the event location. We were hoping to reschedule for later this year but felt we may not be able to deliver an event that meets the expectations we have set for ourselves and avoid many other currently scheduled. The good news is we already have some great things in store for next year.

That's all for now. Ride safe. Peace out!

Our chapter riders course is a terrific tune-up course. Take time out of your schedule and learn something new! See Pres Jim for information.

We will have a membership & information table at the Andover Family Fun Fest with families and youth riders in mind. Located on the corner of Crosstown and Hanson Blvd right under the water tower. Stop by and say hello if you're there!

The Summer Thunder Membership Drive & Fun Run starts at the American Legion in St. Francis and will be going approximately 100 miles, stopping for dinner along the way. Young Riders are welcome. Kickstands up at 4:00 p.m. rain or shine.

The Joe Boys Poker Run is an annually held motorcycle run that starts and ends in St. Joe's with a meal and silent auction. They have requested that we provide road guards again for

this year's run. We are still in need of state certified road guards for this, so if you are interested and qualified, please contact Pres Jim.

A great big THANK YOU goes out to our very own Sharen Wright for taking over the registration table at the State Rally this year. It's a big job and we believe she's the right person to take it on. She'll do a great job for us so thank you again, Sharen!

Our chapter has been invited back to the Hay Days to do some security work and tend a few of the bars that are located on the grounds. It's a lot of fun and a terrific fundraiser for our chapter! Why don't you sign up for a shift? Talk to Bob McChesney.

A.B.A.T.E. of Minnesota Young Riders Scholarship Program

A.B.A.T.E. of MN is a non-profit motorcycle rights organization that stands for **American Bikers** for **Awareness, Training, and Education**. Our organization promotes motorcycle crash prevention through motorcyclist safety awareness, training and education.

A.B.A.T.E. is currently funding a scholarship program to pay for the cost of attending rider training courses. These funds are limited and will be approved based on application date and required criteria until all available scholarships have been awarded.

Why should you consider taking a rider training course? We believe that continued motorcycle training is key to building the proper foundation of good riding habits and better rider skills to create the best overall motorcycling experience. Taking annual training courses is key to refreshing your skills, maintaining your riding ability and improving your overall skillset.

What better investment can you make than yourself? What better pay off can you have than attending a free rider training event while possibly earning your motorcycle permit or endorsement?

The application requirements of the A.B.A.T.E. scholarship training program include:

- Be at least 15 years of age (and under 21 years of age)
- Have a valid Minnesota Driver's License prior to attending a course
- Meet the Minnesota Motorcycle Safety Center requirements for attending a course

ABATE Membership Chapter Challenge

**Sponsored by
Tri-County ABATE**

**Largest Overall Increase
Largest Percentage Increase**

\$500 prize would be given to the chapter with the largest growth resulting from **OVERALL** membership increase.

\$500 prize would be given to the chapter with the largest growth resulting from **NEW** membership.

Results to be calculated based on percentage of the chapter's membership on the challenge start date. The total cost to Tri-County ABATE not to exceed \$1000. Ties in either category will be settled by a coin toss. Each of the \$500 prizes will have a stipulation that a winning chapter must pay for a contracted group rider training course, through the MNSCU collegesystem, during the 2024 riding season before it is eligible to receive the prize. This Chapter Challenge will exclude Tri-County Chapter from participating and all membership increase data resulting from the Algona Freedom Rally 2023.

GOOD LUCK TO ALL CHAPTERS!
