Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to protect the rights of motorcyclists by being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined

together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show your commitment to protecting and preserving your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

PLEASE do not respond to requests for gift cards!!! This is ALWAYS a scam! We have talked about scams at board meetings and even had a class at A.B.A.T.E. University on internet security. Rest assured; I will NEVER ask anyone to purchase gift cards for me!

Recently, I was driving home from Iowa, when I saw flashing lights on the southbound lane of Highway 35. As I approached, I saw a bike on its side and a white sheet nearby. Just a few days before, my son-in-law had a car pull out in front of him. Locking up the

brakes several times, the rear tire slid from one side to the other. As he braced for impact, the bike finally came to a stop. The only thing that kept him from serious injury or death was his riding skills. Crashes are happening far too often. How many could be avoided by working on your riding skills? Know your bike - know your abilities - hone your skills! Our Education Committee is even holding free rider training classes in each district this year. Many chapters are holding classes too. Take advantage of improving your skills! I know that we don't always see eye to eye on things that we discuss. But I do think of all of you as friends or family! I don't want to see harm come to any of you, in any form!

Stay Safe!

I would like to wish everybody a happy Independence Day. I hope everyone is having a safe riding season this year. There have been a few crashes I've heard of, and I wish everyone the best of luck recovering.

As for A.B.A.T.E., I feel we have come a long way and are still moving forward. Take a look at our Young Riders program. It was a dream a long time ago and never really got off the ground. It was reintroduced, we got the right people onboard and I feel it is taking off very strongly. You yourself could become a supporter of young riders. It's what we need; a new group

of a younger generations to take our place in the future. I know we're not all going to be around forever.

I'm sure a few of you are heading south to Iowa or have just returned from their rally, then off to Sturgis, and then back for our own state rally. It looks like a good lineup for the bands. Although, I asked my parents about the bands, and they were upset not to see a polka band. I told them maybe next year.

As for myself, I have an appointment on Monday to check out to see when I get the OK to ride and continue on with other activities after getting my hip replaced. Although in my world things are going very well and I should be back on the bike in no time, but my wife informed me I better ask first.

Til next time.

Jim

Letter to the Editor

I have been a member since 2008, and have noticed over the years that we are more concerned about getting more members than training and education. With all of the fatalities last year and this year I think we need to get back to what A.B.A.T.E. is all about.

Mike Burgess,
River valley member

Letter to the Editor

The last four months I talked to you about the great motorcycle freedom fighter Sputnik's plan of five steps to freedom. The first two steps of Sputnik's path to motorcycling freedom were somewhat simple. Vote and communicate with your legislators. In step three he showed us how putting up yard signs and handing out campaign literature for a candidate you believe in will establish a bond that will benefit both of you going forward. Step four was about working the caucus and nominating system. As Sputnik said, "Only by gaining the support of others can we guarantee our right to ride for years to come".

Now it's time for step five.

Step Five: Running for Office

By choosing to get active in the process using Sputnik's first four steps, it is time to make a commitment: Keep doing these four steps or run for office. Over your head you say? Nonsense. Some of the best friends A.B.A.T.E. of MN has ever had in the legislature were common citizens from all walks of life who felt compelled to serve their neighbors and friends. This is a big step but can be taken in small bites.

Sputnik reminds us that school board elections, city council elections. or county elections are a good way to start. In Minnesota, these folks tend to keep seeking higher office. By taking the first four steps and attempting the fifth, you could be on track to getting your views into policy and law. Think about that!

As Sputnik said "Your five steps are complete but your journey has just begun". If this is your next journey, call me. I can help.

Congratulations to A.B.A.T.E. of Nebraska and its constituents for getting another victory for freedom loving motorcyclists by getting their Governor to repeal the Helmet Law!! Effective 1/1/2024, if you are 21 or older, have approved eye protection and have completed an MSF certified safety course, you can CHOOSE to wear or not to wear a helmet!

Tennessee has two bills in their legislative processes-SB 1450 would create a four-year pilot program excluding adults 21 and older from wearing a helmet if they are insured under the volunteer states Medicaid program. (Companion bill HB0042 failed in House subcommittee) but companion bills HB1454 and SB0298 which authorizes two wheeled motorcycles to be operated between rows of stopped or moving vehicles in the same lane on certain limited access highways and interstate highways when the speed of traffic is 25 m.p.h. or less.

Many other states are considering legislation that re-examines the scope and possibilities of such maneuvers, whether called lane splitting or lane filtering!

Stay informed and get involved before you can't!

FRANK ERNST

(612) 801-2920

WRITE2RIDE@ABATEMN.ORG

Recently I was asked what are bikers' legislative issues. The person asking indicated his understanding of this was; "motorcyclists care about not having to wear helmets and being allowed to have loud pipes." My immediate thought when he said this is what a poor job, we, yes, we do of educating the public about our concerns. To answer his question, I told him what I consider issues important to me and many other motorcyclists. I told him we care about taxes, infrastructure, health care, education, civil rights, domestic security, jobs, the environment and all the things any other person may care about. But I told him in addition to that we care about our mode of transportation and life style. We want to be able to choose the vehicle of our choice, to be able to travel our roadways without being maimed or killed by other motorists or vehicles because someone is in favor of a newer technology. I told him I want to travel on roadways that are suitable for and maintained at a level safe for motorcycles. I told him I care about being able to go about my business without interruptions from others that think because of the way I dress or my mode of transportation I am more apt to be a criminal or engaged in unlawful behavior. I told him I care about motorcycle rider training, education, and the programs motorcyclists support to make motorcycling safer.

Then I told him that although I care about all these things, I understood he may not agree

with my position on these items. I told him I care about having opportunities to share these and other opinions with one another. That we may come to an understanding and possible compromises or solutions to differences we might have. About that time, I realized I had probably said enough. I had given him plenty to think about and I could tell I shared some thoughts he was not aware of, and I wanted to give him time to consider it. I felt I had taken the first step in helping him understand our issues.

I expect that the person I was talking with that day will be running for a political office again next election cycle and I believe I shared some information with him that if elected we may want his help with. I am sharing this with you because I wonder if you agree with some of the things I have said? Do you care about some of the same issues I do?

As the Minnesota legislature prepared to adjourn for 2023, I thought about how many of the things done I would consider accomplishments. How about you? How satisfied are you with the 2023 results. More importantly how satisfied are you with the efforts YOU made to reach legislators and share your opinion? We did not have a great participation in Write 2 Ride or Bikerday at the Capitol this year. Could it have been better, could we have had a more positive impact on the outcome?

Please share your thoughts, let me know what you think, let your friends know what you think, let your legislators know what you think. We don't all have to agree but we all need to work towards the best possible outcome by doing our part.

Please! Get engaged in the process, share our message whenever you can. Don't forget to forward replies so you will be included in the W2R program.

MRF REPORT

JAY HICKOK
(763)234-8143

MRFREP@ABATEMN.ORG

Upcoming event(s):

September 21st-24th, Meeting of the Minds,
Harrisburg, PA

Hello everyone,

We had a great day for Bikers Inside the Beltway this year in Washington DC. There were approximately 150 bikers from 33 states represented. Minnesota was able to meet with five of the eight legislators. We did stop at the other three and both senators to drop off our talking points. Seven of us were there represented three districts. Next year let's try to get at least one constituent from each district.

Our talking points for this year are to: cosponsor HR906 the Repair Act, cosponsor HR1435 Preserving Choice in Vehicle Purchase Act, Seat the Motorcyclist Advisory Council, Reexamining the Definition of a Motorcycle, Consumer Protection and Fuel Transparency, Join the Motorcycle Caucus, and thanks for passage of the Profiling of Bikers and to remain Vigilant about it. We need your help. Now that we are back from DC and these topics are still fresh in their minds we need to email, call, or write letters to our four Democratic representatives to have them sign on. All four of our Republican representatives are signed on and are supporting our motorcycle efforts so if you talk with them say thanks.

Are you planning on going to our State Rally? Do you have a good chili recipe? The

MRF will be having our annual chili contest at the State Rally again this year. It is people's choice of three categories: Best, Hottest, and Most Unique. It is nice to have a variety for everyone to try so if you think you have what it takes, you do not need to share your secret family recipe to participate. It's also a good way to find out more of what the MRF does for motorcyclists.

As always if you have a meeting or event that you would like the MRF to speak at please let me or one of the assistant reps know so that we can try to be there.

Hope to see you at the next event.

Happy Summer Time! Hope everyone is getting out and about, riding and attending events!

As we all know, living in Minnesota, once Spring/Summer hits, we hit the ground running. Therefore, I missed the June report.

I would like to thank everyone who has reached out to me about our deceased A.B.A.T.E. of Minnesota members and our Chapter Charter members. I truly appreciate the communication and participation.

I wanted to take this opportunity to also reach out to members who may not be able to attend regular meetings or are not online. Therefore, I am reaching out to all of you. The information I am looking for, in order to update the historical records, is the following: Information on ANY deceased members of your chapter. Names, nicknames, date of birth, date of passing, obits, pictures, etc.

I firmly believe that all members should be recognized and celebrated for their participation in A.B.A.T.E. of Minnesota, whether it was physically, financially, or both. All efforts are appreciated.

Also, I am looking to record who the Chapter Charter members are/were for EVERY chapter. Every chapter, meaning both current and dissolved.

If you have any information, names, dates, positions, etc., it would be greatly appreciated. You can either reach out to me, or contact your Chapter President or your Chapter State Representative.

Have a safe and great summer! Hope to see you soon!

You were given posters, coasters, and business cards to distribute to the bars in your areas, be sure to get them distributed and go back to check from time to time. We also need a list of bars you left materials at. We need this information, so we know when calls come in for interventions, and where they are coming from, so we can be sure that we have coverage for that area.

Our goal is to reduce deaths on the road for impaired bikers to get them home safe. At this time of three weeks into Dial-A-Ride we have had about 30 interventions. Remember this could be your, grandparent, parent, child, or grandchild's life that can be saved, by just making a simple phone call to Dial-A-Ride (888) 342-5743. Dial-A-Ride is available from Friday through Sunday evening from April 28th to October 29th.

It's been a bit slow in the office, but I imagine the next few weeks will increase with everyone wanting to renew before the Algona Freedom Rally. Remember, if you get your membership in after the third Friday of the month, your membership changes to the next month. It may mean not getting a Road Noise for a month.

If you join or renew and don't receive your card, please do not wait a year before contacting the State Office! The cards are sent out within a couple weeks after processing. As always, print clearly and remember to include zip codes. When you get your reminder card and all info is correct, just toss it into an envelope along with your check and send it in!

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ

(952) 649-0581

MNMSATF@ABATEMN.ORG

The last task force meeting was May 18th at Saint Paul College. We had a rider training event before that started at noon which consisted of a hybrid intermediate/advanced rider course. We trained in the rain until it got too heavy and we retired to the enclosed trailer until the weather passed. The weather eventually passed and the last two hours of the course we had a dry range to ride on.

An update was given on the concept of a May motorcycle awareness month proclamation that the task force had been working on. Apparently, Governor Walz made the choice not to make the proclamation and neither did the Department of Public Safety on the behalf of the members of the Motorcycle Safety Advisory Task Force. This shouldn't deter us as an organization from reaching out next May to local municipalities and counties to have them proclaim the month of May as motorcycle awareness month.

During the task force strategic plan discussion, we talked about how to get other entities involved with our task force. After Bill Shaffer retired, his contacts in MNDOT, DVS, etc., retired or moved on too. We encouraged Jay Bock to invite contacts from those sectors to our meetings and he encouraged the members of the task force to invite people that could potentially change rider fatality statistics in a positive direction. There has been a steep incline over the last three years of motorcyclist fatalities where the operator doesn't have a motorcycle permit or endorsement. There are law enforcement entities in this state that will simply give a warning to a rider that is un-endorsed or un-permitted to ride a motorcycle. Perhaps we should inform and encourage them to impound these motorcycles and get them off the road. At least as a motivation for the rider to take the permit test and have some form of rider education. I am planning on inviting my county sheriff to a task force meeting. If he can't make it I will, at the very least, inform him of this disturbing trend.

On a positive note, there are eight new rider training coaches in the pipeline. The Motorcycle Safety Center always needs more, as there is a shortage in this state. If you are interested in becoming one, please don't hesitate to contact me. I will have more in my next report about the last task force meeting.

As always, make your own choices and keep your head on a swivel.

EDUCATION

JON FERNHOLZ
(952) 649-0581

EDUCATION@ABATEMN.ORG

There is a lot of good news to share this month, but I will try to keep it short. For reference, please keep in mind this article was written on June 10th.

The middle of last week Ridgewater College (three rider training sites) launched our Young Riders Scholarship Program on their website where a person registers for a rider training course. By the next week, 11 of the 22 possible locations in this state had also launched. Within 24 hours I received, processed, and registered five students for a Basic Rider Course. one in Albert Lea, two in Duluth, and two in Anoka. Our online presence within the college system is only at 50% and I am already beginning to get the feeling that this will become the time equivalent of a part time job for me.

Regardless, I believe that this is the direction our organization needs to go. If we do not get the younger generations involved, all we enjoy, have worked for, and believe in will cease to exist.

The first of the district rider training events will be happening in two weeks in Pine City (for the Northeast district) and I am hoping there will be good participation. In the other three districts I am struggling to get classes contracted due to some of the following factors. Rider coach availability, lack of communication and drive from the college contacts, and lack of willingness to participate from our membership. Granted we got a late start on a new program this year, but we still have time to accomplish it! I anticipate it will be ready sooner and more prepared next riding season.

More to come and I will catch up with you next month.

I have more trifolds and tear-offs! I will have them at the B.O.D. to hand out! Are you getting out and handing out the materials that were given out at the April B.O.D.? Everyone wants more, but I'm not seeing many new trifolds come through the office.

The June 2nd reports show another decline of 28 members! We are at 1466 single and 1678 couples. The Chapters with the highest increase this month was tie: Buffalo Ridge and Flatlanders with an increase of +7 members, next high was Sand Dunes with an increase of +6, and another tie for 3rd highest goes to South Central and Straight River with an increase of +5. The most decrease was a chapter that lost -11. Our largest Chapter has 240 members and the smallest Chapter has 46. I think we can get out and help each other increase memberships!

This year the work schedule for the Freedom Rally in Algona filled up better than it has in past years! Out of 16 shifts, only one shift didn't have anyone sign up. If you signed up and worked your shift THANK YOU!

See ya down the road!

YOUNG RIDERS REPORT

FRANK ERNST
(612) 801-2920
YOUNGRIDERS@ABATEMN.ORG

We will be attempting to combine a Young Rider event with district rider training classes. We would like to invite young riders to visit and observe the rider training event. This will allow Young Riders to see firsthand how the classes are conducted and talk with participants and instructors. If we can work it out with the districts involved, the instructors and the school, we will invite people to watch the class and then join the participants and others present for a lunch and soft drinks when the class is complete.

As reported last month, we have secured funds to help support Young Riders expenses not eligible for funding with gambling revenue. As we have said in many other places, thank you to those that have stepped up. We now have an opportunity for businesses to take part and become Young Rider supporters. Here is the current program.

THE PLAN!

We are offering the opportunity to become "Proud supporter of A.B.A.T.E. Young Riders." Private parties may be listed as "Proud supporter of A.B.A.T.E. Young Riders" at a small donation of \$200 per year. A.B.A.T.E. chapters can be listed as "Proud supporter of A.B.A.T.E. Young Riders" at a fee of \$400 per year. Either group may participate in 6-month increments.

How it works, make a minimum \$100 personal donation, \$200 chapter donation and we will recognize the donor as a "Proud supporter of A.B.A.T.E. Young Riders" for six consecutive months. Double the donation we double the

time.

Businesses that make a donation of \$700 will be listed as "Proud supporter of A.B.A.T.E. Young Riders" for twelve consecutive months.

Our method of recognizing supporters will be to post their name and the donation period covered in Road Noise, on our Web Site and on the Young Riders Facebook page.

You can become a Young Rider Supporter. Mail donations to:
A.B.A.T.E. of MN State Treasurer
16550 226th Ave NW Elk River MN 55330

Donations to A.B.A.T.E. of Minnesota or A.B.A.T.E. Young Riders are not tax deductible.

The last thing to add now is by the time you see this issue of Road Noise all Young Riders should have received a gift from us. The gifts are courtesy of John Matthias, owner of several Culvers restaurants. I am under the belief there may be additional gifts sent in the future. Thanks John "Johnny" Matthias.

That's it for this month.

Greetings fellow bikers,

Hopefully by the time you get this, your chapter will have asked if you want the 35th Anniversary State Rally Mug that will be on sale at our State Rally for \$15. If you do want one or ten, I hope someone from your chapter ordered them. I will have some extras on hand, but I don't want to have a bunch of them left over when the Rally is done.

I also have a sign-up sheet with times listed that I could use some help. Specifically set up, tear down and working throughout the Rally. Please let me know if you are interested in helping during any of those times.

If your chapter is having a fundraiser and wants State Products there, please let me know and I will do my best to be there. Also, if you have an idea for something you would like to see and need a

specific size or color, let me know.

I think that is all for now, until we meet again, Ride safe.

July 22nd is our first Summer Shenanigans party. We are planning bike games and a ride. There is

Vendors who want to set up are also welcome and there is no charge for this either. We will have music by **Slippin' Jimmy**, food trucks, and rumor has it that the Isle of Dreams will have a mud wrestling pit for those who want to get down and dirty. Come and join the fun and bring your friends. All are welcome.

As always, a big Thank You to those who become members and to those who have renewed their memberships. This is very much appreciated and we hope to see you at our monthly meetings.

With summer riding under way, we need to continue to promote motorcycle safety and especially awareness! There have been way too many motorcycle accidents and deaths this early in the season. I encourage all chapters to try and ramp it up with getting new and old members to sign up with us to continue our goals to educate everyone from riders and motor vehicles drivers to our young people learning to drive and ride to be aware of their surroundings.

We finally had our Spring Ditch Cleanup, after cancelling earlier due to bad weather. Thank you to our small group (Tony Crandell, Erin Fredricks, Kelly Wells, Becky Smayling, Tracy Heideman and Mike Burgess) who came to help out during this busy time of the season!

A Buddy Bears run is in the planning and will be coming soon so we're looking forward for more of our chapter coming together for that ride.

We are very much looking forward to our 5th Annual River Valley Gives Back Ride. This year we are teaming up with A FRESH START. They support and provide services to those experiencing and emerging from homelessness with new home essentials. Hope to see a lot of you there!

A shout out to Way West...hope you are getting ready and practicing for the tug of war at our MN Rally in Litchfield! Better start now...you'll need it!

A reminder here to check your Road Noise and Facebook pages for future events and information. We really should try and support as many of our other chapters' events as we can. Get a group and ride to the event together...fun, fun, fun!

And please encourage anyone you know to join A.B.A.T.E. We are continually fighting for our rights as bikers. Informational trifold are available from just about anyone. Every membership helps!

Be smart and be safe out there...and of course, enjoy!

I hope you're all getting out and about and getting some good riding in! As of writing this article, I have not been able to swing a leg over my bike or my trike. Had some setbacks this last month, but finger's crossed I will soon!

This next subject really bothers me to talk about, but it needs to be said. If and when you think you need to talk smack about other Chapter members please know your surroundings, just like riding your bike, you better have an escape route, if it makes you feel like a better person, I feel bad for you. The Chapters are having a hard enough time holding onto members, so please STOP it, if you get caught at it, suck it up and go and apologize immediately!

The July B.O.D. will be held at the Caboose in Tracy. I've been trying to contact them to see about setting up a breakfast buffet and maybe a hamburger buffet after the meeting or we can order off the menu. It's a small town, not a lot of choices, we have met there before. We sure got the run around from a few other campgrounds in our area, this was the 5th place that finally said yes to us without backing out! The campground is first come first serve, but I think we will be OK, so no need to call the number on the poster, that will get you to the City Office. The Motel is a small mom and pop place across the road from the Caboose.

We are still waiting on a date for our Intermediate Rider Education Class.

Until next time!

September 1st - 4th, A.B.A.T.E. of MN State Rally, Litchfield

September 21st - 24th, Meeting of the Minds, Harrisburg, PA

We were blessed with excellent weather for our annual Memorial Run. This run is always dear to our hearts. We appreciate the opportunity to visit members of past. A special thank you too all who shared memories. It is nice to remember and, for some of us, to learn about the men and women who have made up Lake Chapter over the years. As one member said "As long as we

Lake Rider Training

keep saying their names they are never really gone."

Our July meeting will be up at Smoker's place in Breezy point. We will start with a chapter run up to Breezy Point. Kickstands up at noon on Saturday, July 8th leaving from the Holiday Gas Station located at 14740 165th Ave SE, Becker. The meeting will be at 3:00 pm. All are welcome to camp out or join those that ride back. We welcome those who want to join us for this adventurous afternoon.

Until next month my friends - Ride Free

I'm writing this after getting home from helping Central Chapter with another Ride for Heroes. Thank you to all the members who worked, gave, and volunteered to make it another safe, fun, and successful ride. It was awesome to see members from East Central, South Central, Lake and Sand Dunes all come out to support their neighboring chapter.

I saw similar support from neighboring chapters on the Sand Dunes Spring Ride and Scavenger Hunt. Including East Central, South Central, Lake, Jack Pine Riders, and Metro. Metro Chapter's Metromorial was also an awesome day with awesome people. Once again, I saw friends from East Central, Jack Pine Riders, Sand Dunes, and Lake.

It's awesome to see all the support from neighboring chapters. The more we work together, the more we can achieve. So please, get out there. Ride. Help your chapter. Support your neighboring chapter. Make new friends, and have fun.

I hope to see you out there soon whether at a meeting, ride, or event.

Until next time, ride safe.

Next Meeting(s):

August 8th, VFW, Coon Rapids, 7:00 pm

Metro Chapter meets the second Tuesday of each month at 7:00 pm.

Everyone is welcome and encouraged to attend.

Taco nights at Casa Rio restaurant in Anoka are on the second Monday of each month. These are a fundraiser benefiting the chapter. A portion of each person's bill is donated back to the chapter. Good Food + Good Cause = Good Times.

Make sure you stop by and see us at the Andover Fun Fest. This is a new endeavor for us and we are trying to get exposure for our organization and the Young Riders program. Speaking of the Young Riders program, East Central chapter has voted to donate \$200 to this new program.

Planning for the Summer Thunder Run is underway and we could use some help.

Rally Tickets and Passport books are on sale now. Contact President Jim if you want one.

The State Rally is coming up quick and Sharen Wright is taking over the registration table this year. She needs volunteers to help. If you can spare a few hours, sign up for a shift. Great place to meet folks. Sign up as a chapter or as an individual.

We would like to thank Bob McChesney for doing a blessing of the bikes after our last chapter meeting in the parking lot of the American Legion.

Try to sign up a friend or someone new to motorcycling.

– Your VP, Jim

As I write this, the MetroMorial Day celebration is in the history books. The weather gods blessed us with an unbelievable day. Thanks to everyone that attended, to all of our great vendors and to our host, Route 47 Pub and Grub in Fridley. This was our third attempt at a fundraising event on the Sunday of Memorial Day weekend. All three, as an event, were successful. Those that attended had a good time, a great meal and enjoyed great music and hospitality. However, as fundraisers, there is room for improvement. We did achieve a couple of our goals however - our MetroMorial Day celebration was kidfriendly, family-friendly and pet-friendly and we were able to enjoy the support of some of our newer members as well as some renewed interest by some long-time members. Now that the event is over, we need to sit down and discuss what we want our yearly 'big event' to look like and what factors we consider that will allow us to call it a 'success'. If bringing in hundreds and thousands of dollars to both the chapter and to the state, then we will need a lot more effort and dedication from our rank and file members. It is one thing to ask for something, it is another entirely different thing to put in the effort necessary to be successful. But I guess, this is not a problem faced only by the Metro Chapter.

In the next 60 days, we will focus our attention on getting as many Metro Chapter members as possible to attend the Labor Day State Rally in Litchfield. Getting people involved, having them attend events, having them step up to volunteer seems to be important pieces in achieving the kind of chapter that we would like to have.

Until next month, I hope that we cross paths at some of the seemingly 100's of motorcycle events that will take place between now and the end of Minnesota's riding season.

SAND DUNES

Next Meeting(s):

July 9th, The Buff, Big Lake,

August 13th, The Buff, Big Lake,
5:00 pm

Upcoming Event(s):

July 7th-9th, Upper Kettle River Shakedown, Finlayson
September 1st-4th, A.B.A.T.E. of Minnesota State Rally,
Litchfield
September 30th, Sand Dunes Fall Ride

Greetings! Sand Dunes Chapter completed our annual spring ride in May and it was a fantastic event! We had awesome weather, great attendance, food, scavenger hunt, and lots of fun. On top of an amazing ride, we were able to raise money for a great cause - IGYSIX, a veteran's rider group that brings awareness to veteran suicide and homelessness.

In other chapter news, we have made an important change to our monthly meeting location. Starting with our July 9th meeting, we will no longer be at KJs

Refuge in Orrock. We will now be meeting at The Buff, 16722 198th Ave, Big Lake. Meeting to start at 5:00 pm. We have had a long history at KJ's and it has been a great place to meet. It was a difficult decision but we felt for several reasons that it was time to make a change.

We made changes to two standing committees, the Ride Committee and Rodeo Committee. We have added additional members along with current members to continue both outstanding events. Our next ride will be on September 30th. At the end of June, we will be handing out our chapter's first Merit Award. Winner to be announced at our July meeting. This award will be presented to the person who has shown commitment to A.B.A.T.E. and the chapter through their participation in events, volunteering, leadership and other criteria. This award will be presented every July with the winner receiving free Rally tickets and possibly other prizes.

Finally, by the time this is published the Summer Hummer in Wisconsin and the Freedom Rally

in Algona, Iowa will be in the books. We have members going to both events. We will also have members going to the Upper Kettle River Shakedown in Finlayson.

That's a wrap. Ride safe. Peace out!

- Mike Olkives

NORTH EAST

Hello all,

Things have picked up again with some good riding weather finally. Now if the smoke from Canada would clear up, it would be perfect.

The chapter had our semi-annual road cleanup and the tick infestation was pretty heavy. Not my favorite thing to deal with, but we got the job done.

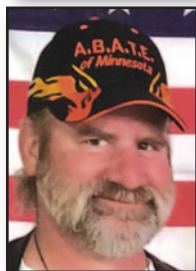

Our new "Look for Motorcycles" billboards are up as of May. Some of last years were still up at the time I'm writing this, which is awesome. We pay for the billboards with an annual ride in conjunction with A.B.A.T.E. of Wisconsin Region 6B. The proceeds are divided between billboards on both sides of the border with three to four typically being located on each side. Lamar Signs has been a great partner in this with them leaving signs up well past the paid rental period, sometimes for the entire year. We appreciate everything they do for us.

Dorrie's annual Awareness Rally has come and gone for the 11th year with seventy plus people attending and local news coverage. We line both sides of the street and hold up various signs promoting driver and rider safety as well as pro-motorcycle slogans. The response from the locals has been very positive with many people commenting about either seeing us in person or on the news. Thank you Dorrie Meyer for arranging this event every year and giving us the chance to get out and be heard.

Hello Borderland!

So far, we have had a good riding season and we thank all the showed up at our June chapter meeting. We also had our district director there and we thank Edgar for his support and leadership! We discussed more involvement in Dial-A-Ride, Northwest district advanced riding course, charitable donations, chapter fundraising and State Rally. We voted to do a chapter chrome sponsorship and members Mark and Shelly Lunos also did a chrome sponsorship. That's awesome!

Let's get more sponsorships and keep selling those rally raffle tickets.

Well, we got through pride month. We have one flag day on June 14th and it seemed that the main flag flown in June was a different kind of flag. Let us hope and pray that in the near future we will be prouder of the good ol' U.S.A. We must do what we can to hold on to our freedom and to stop the bleed in America. Ride safe!

A.B.A.T.E. of Minnesota

Young Riders

Scholarship Program

A.B.A.T.E. of MN is a non-profit motorcycle rights organization that stands for **American Bikers for Awareness, Training, and Education**. Our organization promotes motorcycle crash prevention through motorcyclist safety awareness, training and education.

A.B.A.T.E. is currently funding a scholarship program to pay for the cost of attending rider training courses. These funds are limited and will be approved based on application date and required criteria until all available scholarships have been awarded.

Why should you consider taking a rider training course? We believe that continued motorcycle training is key to building the proper foundation of good riding habits and better rider skills to create the best overall motorcycling experience. Taking annual training courses is key to refreshing your skills, maintaining your riding ability and improving your overall skillset.

What better investment can you make than yourself? What better pay off can you have than attending a free rider training event while possibly earning your motorcycle permit or endorsement?

The application requirements of the A.B.A.T.E. scholarship training program include:

- Be at least 15 years of age (and under 21 years of age)
- Have a valid Minnesota Driver's License prior to attending a course
- Meet the Minnesota Motorcycle Safety Center requirements for attending a course.

2023 MN A.B.A.T.E. Passport Run

Don't forget to purchase a \$20.00 passport book from your chapter. \$10.00 goes to the state, \$10.00 goes back to your chapter. We have 155 stops this year in the book that also lists discounts for passport customers.

If you want to participate in the contest, get your book signed at each stop and mail in your passport at the end of the riding season to the address listed inside the book. The top 10 people with the most signed stops will win prize money!

We also recognize the business with the most frequent stops, so please mail in your books at the end of the season. Even if you think you don't have very many pages signed, you never know, you still might win!

We hope you enjoy using the passport to plan your routes this summer. *Apologies for the misprint in this year's passport book for the 6th Annual Passport Run. On page 3, all the guidelines under Passport Rules are for this year 2023, not 2022!! Next year, instead we will be sure to put the year on the front cover.*

If you have any questions, or your chapter needs more books, contact the Passport Run Committee. The committee is still looking for admin help. If you are interested contact Ingrid Cohen.
