Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to protect the rights of motorcyclists by

being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show your commitment to protecting and preserving

your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

Things are happening very fast at the Capitol. Since Bikerday, I have been there twice to testify in the Senate Transportation Committee. (That's between March 13th and April 8th.)

Thanks to Mack and Frank for helping me with information and coaching! I feel like things went very well.

Please work together to resolve any conflicts within your chapter before they become huge issues. Remember, you can call on your District Director for help. If necessary, Jim and I are willing to help out. We need to work together to achieve our goals. Friendly faces are much more appealing than a room full of tension.

I truly hope that you are taking time to enjoy the beautiful days of spring and getting some time on your bike! Share your adventures on social media - Harmony can help you! She loves to see people getting active, with positive activities, on social media. You never know, it just might get the attention of some new members.

Be safe, and keep an eye on our freedom to ride!

Well, it was great to get out and see everybody at A.B.A.T.E. University. It's just another reminder that Spring is here. It's always nice to meet old and new faces. As for you new officers, welcome to the jungle.

And to let everyone know, as a lot of you already do, you can always give me a call anytime with any questions or concerns.

Did everyone get a chance to sign up for a shift for the rally this year? It looks like it's going to be another great rally and hopefully this year it won't be quite as hot, seeing as we received our warm weather this winter.

And it looks like they have a great lineup for bands this year, which I feel they do every year. In my world, if I recognize the song, it's a good band.

We had our ways and means committee meeting the other day and it looks like everyone is doing very well with their fundraisers, which is always a nice sight to see.

Bikerday was very important this year, and I feel, very well attended. I also feel it is always very important, no matter what's going on at the Capitol. It's always fun to see groups of people that are outside of motorcycle rights organizations asking "What's going on today?". I feel we are always noticed when we are at the Capitol.

Till next time,

Jim

The House Motorcycle Caucus recently announced Rep. Michael Burgess of Texas, who announced his retirement at the end of this term, will step down from leadership.

Taking over caucus responsibilities is current co-chair Rep. Tim Walberg of Michigan. Joining the leadership team on the House Motorcycle Caucus are co-chairs Rep. Troy Balderson of Ohio and Rep. Donald Norcross of New Jersey. Rep. Walberg also announced Rep. Derrick Van Orden of Wisconsin will join the leadership team as vice-chair.

This bipartisan leadership team signals great things for our motorcycling community.

Issues impacting motorcyclists go beyond traditional political party differences and require common sense cooperation from our legislators.

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ
(952) 649-0581
MNMSATF@ABATEMN.ORG

Next Meeting(s):

May 16th, 5:00-7:00 pm, St Paul College with a virtual option

There has been no change regarding the status of the task force. Currently, there have been no voting members appointed. However, I can report on what happened during a gathering of task force applicants that took place on March 21st.

We had a guest speaker join us who, in my opinion, was well-spoken and provided a different perspective on motorcycle crash scenes. Assistant Fire Chief EMS of St Paul Fire Department Steve Sampson shared about his experiences responding to motorcycle crashes. In his opinion, there are three major factors in serious injury motorcycle crashes. Speed, distraction, and gear. Excessive speed of the motorcyclist and/or the other vehicle involved, distraction of the motorcyclist and/or the other vehicle involved, and the gear the motorcyclist chooses to wear.

Without any judgment on my part, I pose a question to you. How fast do you like to ride/drive? How distracted are you by a phone/device in your vehicle or on a motorcycle? What type of gear do you choose to ride with?

Sampson also spoke about drawing awareness to our vulnerabilities as motorcyclists and the importance of training regarding his concern for motorcycle operators being qualified to ride (we refer to as permitted or endorsed). He also talked about the importance of getting EMS to the scene ASAP and what types of first aid supplies, us as riders, can carry in our saddle bags that could be of use in emergency situations.

An advisor to the would be task force asked Sampson what his opinion is on autonomous vehicle technology. Asst. Fire Chief Sampson's response was to the effect of "Have you seen the drivers out on the roads these days?". Sampson stated that he is more confident in autonomous vehicle technology than human drivers. But also conceded that the technology needs more development and testing standards. Personally, I share the same opinion. This technology isn't going away, we just need to ensure that testing standards include motorcycle recognition.

At the gathering we were told that the motorcycle safety proclamation our group came up with has been forwarded to the Governor's office, but they have not heard back as to whether or not he will proclaim May as Motorcycle Safety Awareness Month.

The afternoon of our next gathering on May 16th, the task force applicants have been invited to participate in a rider training course at St Paul College. We will be the guinea pigs for what may potentially be a new rider training course in the future. This concept course is referred to as Crash Avoidance Training (CAT). It would be a mixture of intermediate and advanced course curriculum. There are currently only a few ranges in the state that are big enough to host advanced and expert courses. This CAT course, if offered in the future, would be qualified to be taught on the BRC/IRC sized ranges, which would make the curriculum portable to any Minnesota Motorcycle Safety Program range in this state. It would allow participants in the outer areas of Minnesota to learn some of the advanced curriculum without the need for excessive traveling distances.

As the pavement and the rubber of your tires warm up, make your own choices and keep your head on a swivel.

YOUNG RIDERS REPORT

FRANK ERNST
(612) 801-2920
YOUNGRIDERS@ABATEMN.ORG

I am writing this report ten days before the April Board meeting and A.B.A.T.E. U, so you may hear more detail from that meeting before you read this.

Some news to share; we have awarded two exchange students, one from Germany and one from Spain, Honorary Young Rider Member status. We could not make them members because it would not be possible for us to keep our member obligations with them being from another country. There were thirteen Young Riders in attendance at Bikerday at the Capitol. The exchange student from Spain was one of those with us that day (see the photo right).

We had a Young Riders table at the Donnie Smith Show in St Paul. Harmony and Stephanie, with help from their Young Rider family members, tended the table.

The Young Rider tri-folds are printed and have been handed out by the time you read this. If you want some, go to your chapter meeting, contact the state office, or email youngriders@abatemn.org and we will get it taken care of.

The transitioning of the Young Riders membership list to the State Office has taken place. Some details may still be getting worked out. But that is where membership applications should be sent from now on.

We would still like pictures of young riders to share on Facebook or in Road Noise. But if you are submitting a picture, please include a properly completed photo release or we will not be able to publish it.

We involved Young Riders at A.B.A.T.E. U. We had a pool party with games & snacks. We made Young Riders junior deputies taking part in the Saturday night jail activates and there were some that helped as hosts. Let's keep involving our young people!

Young Riders supporters are still needed, especially Business supporters. Your local motorcycle dealer or repair shop could be among our supporters, have you asked them? If not please reach out and ask them to take part.

Thirteen Young Riders at Bikerday 2024.

If you need some help, let me know and we will do what we can.

There may be other news shared about Young Riders at the board meeting, but in summary it is growing and gaining support thanks for all you do.

WOW! It has been crazy with all the request and sales for this year's A.B.A.T.E. University Raffle. By the time this publication comes out we will have already had the drawing and paid out \$61,000.00 in prizes to the winners. But sales were great and is helping us build up our reserve so we can continue to help all the awesome organizations, people and educational groups that are so important to us all. In the last couple of months, we have made donations to such places as hardships, veteran organizations, cancer runs not to mention our continued support to Dial-A-Ride and the Young Riders Scholarship.

Thank you to all and let us keep up the excellent work.

EDUCATION

JON FERNHOLZ
(952) 649-0581

EDUCATION@ABATEMN.ORG

By the time you read this report, the Young Riders Scholarship program will have ended for the 2024 rider training season. As of April 7th, we have given out 94 scholarships at a cost of over \$24,000. I would like to thank Southeast LC Chapter for earmarking \$200 of their chapter gambling funds towards the scholarship program.

If your chapter is looking to spend down gambling funds, they can always donate it to the Young Riders Scholarship program. Due to the logistical nightmare of stopping and restarting the scholarship program in one calendar year and keeping in line with the gambling control board's regulations, once the scholarship funds run out, we will be done for the year. Any donations that come in after stoppage will be rolled into the following year's budget.

If individuals or chapters are interested in participating in our District Rider Training Program this year, please reach out to your District Directors so they can get a feel for where they should be focusing on setting up training events.

For those of you that are giving Share the Road presentations, please do not forget to send presentation numbers to me so I can report the quarterly numbers to the board. That is it for this month.

Oh, the weather is getting nice! FINALLY!

Thank you to the Metro Chapter for taking time to have a membership table at the Donnie Smith Bike Show. They sent in memberships for six Chapters, of these four were new members! Thank you to those that did this. Chapter that benefitted from this effort were Sand Dunes, Glacial Ridge, Central, Up North, Metro, and Tri-County. Thanks again!

We are slowly increasing membership. We currently have 1,317 singles and 1,498 couples, totally 2,815. Our highest April was in 2010 with 4,297.

We have a way to go to catch up to those figures. This month we increased by 87. The chapter with the biggest increase this month was Northeast Chapter with an increase of 15, next highest was Up North with an increase of 11 and 3rd highest was Heart of the Lakes with an increase of 10. Awesome job everyone! This month no chapter lost any members, so they either stayed the same or increased. Way to go everyone.

Now with the nice weather coming up, keep those trifolds and tear-offs in your vest or saddlebags and sign some new people up!

See ya down the road!

JOHN NELSON

MCDAR1596@GMAIL.COM

While every crash is unique, there are some disturbing trends. Alcohol-impaired fatal crashes account for 29% of all motorcyclist deaths. Across the nation, 7.8% of fatal crashes involved a "distracted driver." Personal responsibility is a core value of the MRF. We must ensure we are all making the right decisions to protect.*

DIAL-A-RIDE thinks one death is too many. That is the reason we exist, to get everyone home safe. We encourage all of you to participate and distribute materials to local bars and local motorcycle dealers in your area. Those that have DAR trailers and those that use your own trailer, or if your chapter is within 50-mile radius of where you live, please fill out list, where you placed Dial-A-Ride materials. Your chapter can email the information to mcdar1596@abatemn.org. We need all of you to keep our State safe, ourselves, and others on the road. If we do not, who will?

Does your town/city do town days? Can you get into the parade if they have one? Membership totes will be handed out, and if you need more or something else for them, let me know asap.

I hope you're enjoying the weather when the sun comes out. Be safe!

Not much to report on right now, elections are done. All the manuals should be up to date with all the new contact pages. If the Presidents are not up to date, check with your Chapter Rep. They each received two copies. They also

received a list of current members and a list of expired members. Do they make it back to the chapter or are they in a briefcase somewhere? If nobody reads the list and let me know of changes, how will I know if someone moved or passed away? There is one chapter I know reads and goes over the list, thank you Jack Pine Riders for keeping me updated!

WRITE TO RIDE

FRANK ERNST
(601) 801-2920

WRITE2RIDE@ABATEMN.ORG

A.B.A.T.E. U is here and past. Did you attend? At the time I am writing this I do not know how many, if any, of our invited congressional delegation or their representatives stopped in. But did you take time to meet any that were there? Did you tell them thank you for taking time out to meet us?

Elections are coming this year. Will you be planning to support those that have an interest in your issues?

At the April Board meeting we distributed Write 2 Ride patches and rockers to Lake, Freedom First, Up North, Heart of the Lakes, River Valley, Sand Dunes and Rolling Prairie chapters.

Now I want to step back a little in history to the 1990s, a time when each year we could count on a new bill being introduced to eliminate your freedom of choice regarding using or not using a motorcycle helmet. We would get word of a hearing being conducted and A.B.A.T.E. members would flock to the Capitol to attend the hearing. The hearing room would be full. They would have the audio playing in adjoining hearing rooms so the overflow crowd could hear. Do you think the committee members noticed that we were there? Do you think they believed that we cared?

Ground lighting, a topic our members brought up a while back at an A.B.A.T.E. Board

meeting, they wanted us to take some action. In 2023 we included this in our Bikerday talking points. When we were at the Capitol in 2023, we spoke with legislators about the issue. Senator Coleman (Carver County) stepped up and said she would author a bill. She introduced SF 2132, and the process was started. We did not get a hearing in the 2023 so it was held over to this year. At Bikerday 2024 we were made aware that a hearing on SF 2132, OUR bill, was scheduled.

So here are some questions I have. Did you talk to your legislator about this issue? Did you write letters? What was your legislators reply? Did they support us, oppose us, or not have an opinion? The reason I am asking these questions is because our members did not forward letters sent or replies received from legislators concerning this issue to Write 2 Ride!

Earlier I talked about packed hearing rooms from the 1990s. So now let's fast forward to March 18th, 2024. SF 2132, OUR bill, was scheduled for a hearing in the Senate Transportation Committee. Jane was there to testify. Do you know how many A.B.A.T.E. members were in the audience? The Senators on the committee know, they know if we care or not.

The April Board meeting will be complete by the time you read this so you will know the current status of OUR bill. I hope you are pleased.

Do you do all you can for the freedom of motorcyclists?

CUSTOM LASER ENGRAVING

Dark Knight Custom Laser Engraving LLC was founded in March 2022 in St. Michael, MN.

Dark Knight's first show was the 2022 Sand

Dunes Chapter Bike Rodeo. They were introduced to A.B.A.T.E. by Ally Kat, who helped them set up to vendor the Sand Dunes Rodeo. They had very few items to sell as this venture was new to them. After the rodeo they continued to grow and attend many craft shows around Minnesota, as well as other A.B.A.T.E. of MN chapter events and the A.B.A.T.E. of WI Rally. They have added a new and bigger 4'x 8' laser and look forward to the future, both with A.B.A.T.E. and all the other exciting events.

Thanks is due to all of the Metro Chapter members who gave of their time to help at the Donnie Smith Bike Show over the weekend of March 23/24. We shared a very professional looking booth with Motorcycle Dial-A-Ride and the Christian Motorcycle Association (CMA). Crowds were very good on Saturday but the pending 'blizzard' significantly held down the Sunday attendance. We got a chance to sign up some new A.B.A.T.E. members, help some current members with their renewals, shared the A.B.A.T.E. story with many non-members and sold some merchandise.

After a successful first-time-ever Pre-St. Patrick's Day event on March 15th, Metro Chapter members are busy planning our 4th Annual MetroMorial Day celebration on Sunday, May 26th at Route 47 Pub and Grub in Fridley from Noon to 6 p.m. This event will be a family/kid friendly event with activities planned for your children and grandchildren. We will have some vendors, live music by Southern Express, a bike show and possibly the first opportunity in 2024 to enjoy a loaded baked potato and some roasted sweet corn. Tickets are \$20 in advance and \$25 at the door and fliers/complimentary ticket will be handed out to each chapter at A.B.A.T.E. U B.O.D. meeting.

May is Motorcycle Safety Month and the beginning of the Motorcycle Dial-A-Ride season. Unfortunately, due to the unseasonably nice weather this winter, Minnesota already had its first motorcycle fatality in March. Alcohol and excessive speed are reported as contributing factors. Ride Smart, Ride within your skill level, if you drink, don't ride / if you ride, don't drink and consider taking a motorcycle skills class to improve your game.

Hello all,

Totally enjoying the unseasonable warm weather. Our 35st annual fundraiser, The Bunwarmer, was a success. We had very good attendance, good music, and everyone had a great time. Thank you to everyone who helped set up and to the many people who donated their time and the many quality auction items we had to offer. We appreciate the support from everyone who came, some from several hours away. Without your support we wouldn't be able to continue.

By this time A.B.A.T.E. U will have come and gone, it's always a good time. We look forward to seeing everyone from around the state as well as hearing what the upcoming year holds for the organization. We're especially interested in the new Young Riders program and see great potential for future if everyone pitches in to do their part in promoting it.

That's about it, the bike will be out by the time you read this and none too soon.

Howdy Folks,

May is Motorcycle Awareness Month!!! Even if Your Governor doesn't acknowledge it, it Will ALWAYS BE!!

Things are starting to grow. Grass and trees are getting green. A new season is upon us. Let's all join together and strive for getting the motorcycle community together to fight for the Freedoms of Choice we started with.

When sitting outside, if one mosquito bites you, you shake it off. If 25 mosquitos bite you, it hurts. Not comparing us to mosquitos, just showing how Strength in Numbers Counts!!

Take time to visit area chapter gatherings. Get to know them. They will return the visit more than not.

 June 22nd, Eagles Healing Nest,
 11:00 am

Greetings FFR Members,

Thanks to everyone who attended Bikerday at the Capitol in March and A.B.A.T.E. University in April! These events are what we are all about and I appreciate everyone's help to make these events possible! Especially, Edgar for bringing the movies.

Freedom First Riders Annual Bike Show is fast approaching, and we are hoping for a great turnout on May 18th & 19th at the Runestone Community Center in Alexandria. Please get the word out to everyone and share with other chapters as well. Trophy Sponsorship is almost complete and the signup sheet to volunteer is out on the Facebook page. Silent Auction items are still needed as well. Come and support the event and register your ride to show off!

The FFR & Eagles 3063 will team up to do the annual ditch pickup on Saturday, June 1st, at 10:00 am. Please meet at the Eagles in the parking lot.

The Intermediate Rider Course is set for the FFR,

from 3:00-8:00 pm on the 7th of June at the Alexandria Technical College. We have twelve free spots to fill and I would highly encourage and recommend this for anyone that hasn't completed this recently. You can also do the course with a passenger if you have completed it once on your own. Please contact (me), Rich Reimers for signup and any questions you might have. I would like to fill this course up this year with FFR prior to asking other chapters to fill.

"Expect the Unexpected!!"

Having heard back from three of the five Mayors about adopting Proclamations for May as Motorcycle Awareness month, I sit here feeling a little accomplished. Awesome right!? My verra next thought is, how am I going to move the Chapter forward in this partnership because I firmly look at these Mayors signing the Proclamation as a beginning of exactly that. I would absolutely be solid with things if I could introduce Darryl and his presentation into each communities' school (Don't worry Darryl, I'd be available so your plate doesn't overflow further) What can I ask my Chapter to do to get the A.B.A.T.E. name and what we do out there? I thought of attending a few council meetings and introducing myself and talking about what our organization stands for, but I want more for my Chapter - I want the community to become familiar with the members and what we do so when they see one of us, they get excited (or at least a smile and a little happy).

As I was writing this, I got a phone call from two other members (great timing) and was able to brainstorm and ideas flowed. Ask to volunteer at their cities summer celebration or maybe the local VFW during a fish fry, jump into their parade, hell, I know that Menahga has national night out, could we take part in that?

Another great idea, get a copy of the signed proclamation and run it in their local papers, give them some public recognition for signing. I am told that because we are a nonprofit there wouldn't be a charge to us. The possibilities are endless. I would be verra interested to hear how other chapters are involved in communities after they declare May as Motorcycle Awareness month, feel free to shoot me an email.

Ride often and Gods keep you safe,
- Jess

Thank you to Jane Doyle, our State Coordinator, for visiting our chapter meeting! Also thanks to Nick DeVoto, Sand Dunes member, for attending our meeting.

Our chapter extends our deepest sympathies to the family of our chapter member Chris DeVoto (1963-2024). Memorial patches will be available to purchase once we receive them with all proceeds benefiting the family of Chris. RIP Chris 🙏📖.

The Motorcycle Safety Course will be scheduled for Saturday, June 29th, from 2:00 pm - 7:00 pm. This is an Intermediate Riders Course! This will be held in Eden Prairie at the Hennepin VoTech College campus. Our chapter voted to pay \$150 for the Intermediate Rider Training Course and each participant to pay no more than \$25 to cover the cost. We then amended that motion to add that the chapter will fully reimburse the participants portion of payment at a TriCounty meeting within two months of the rider training with certificate of completion. This is a great way to brush up your motorcycle skills and learn something new! Our chapter also voted to reimburse a member who is in good standing and a minimum 2 year member, their expense after completing a beginner riders training class with intent to getting their rider endorsement. Certification of Completion must be shown for reimbursement.

Kickstands up at noon for our annual fundraiser, The Carver Ride on Saturday May 4th. It begins at the DogHouse Bar with registration starting at 10:30 a.m. \$25 per person or \$20 with purchase of an A.B.A.T.E. Membership (if purchased at registration)! Free T-Shirt with registration while supplies last! 10% of proceeds donated to Motorcycle PAC of MN! Protecting your right to ride!! Stops are Carver, Green Isle, New Auburn, New Germany and ending at Cologne 212 Tavern with food provided at last stop! 🍷

May 19th is our Highway Pickup! 10:00 am meet at trains ion Highway #21 between Jordan and New Prague!

Everyone has important jobs within our chapter.... Whether you hold a nominated position, member or pay your dues every year! We are so fortunate to especially have Jon, Frank and Bill who keep our chapter so in the know with their involvement and knowledge concerning our biker rights!

Mark your calendars! The 28th Annual Harley Heaven Memorial Motorcycle Ride is August 17th! Registration is at 10:30 am in Jordan at the Pickled Pig. Kickstands up at noon, rain or shine! Donation! Proceeds to be given to TriCo chapter, Ronald McDonald House Mpls, and Jordan Family Outreach!

Hi All:

Well, Mother Nature is playing tricks on us again. I'm kind of over her April Fools pranks.

I'm looking forward to A.B.A.T.E. University and seeing everyone again. I always have fun there and by the time you see this A.B.A.T.E. U will be in the history books for another year. Due to the officers all going to A.B.A.T.E. U this year, we moved our meeting to later in the day so the officers could get back for the monthly meeting.

Officer elections were held in March and the chapter officers for the 2024-2025 year will be President: Jerome While. Vice President and Treasurer: Darlene Krebbs, Secretary and Chapter Rep: Terry Panek, Sargent-at-Arms: Rick Panek. James Vandemark, Kim & Gary Zwart, and Ryan Smith and Southeast District Director: Mike Burgess. We welcome Mike as our new director and look forward to working with him. We are very grateful for all the help and support Donna Larish gave us and she will be missed.

As many of you know, March 13th was Bikerday at the Capitol. We had a great turnout at the Capitol but not so much from our chapter as Rick and I were the only ones from our chapter to attend. This was a little disappointing. We got to meet with both our State Representative and Senator, as well as the two legislators from the Albert Lea area. A great big THANK YOU to Jerry Collins for letting us tag after him, showing us around the Capitol buildings and guiding us through the appointments with the legislators. Poor guy looked like the pied piper with about 15 mice tagging after him.

Plans for the Summer Shenanigans Party and B.O.D. in July are coming along nicely, so please plan on attending. We have biker games planned as well as a ride (longer than last year), food trucks, music, water slides, free camping, and, of course, the mud wrestling pit. It should be a fun time so plan on coming and getting muddy.

Don't forget about the monthly meetings. See above for dates, times, and locations. We would love to see your face and hear any new ideas you have for the chapter.

– Bye for now, Terry

This quilt was made by four members of our chapter and was an item on our silent auction during our Winter Party in February. The quilt was made by Tom Small, James "Tiny" Vandemark and Kim and Gary Zwart and is made past and current chapter t-shirts as well as past state rally shirts. The quilt turned out amazing and we thank these members for taking the time to make this for our silent auction.

Hello from the Flatlanders

May..WOW...Where did the time go? Bikerday is done. A.B.A.T.E. University is done. Now what?, you may ask. Well, I'm here to tell you; Fundraisers. It is now riding season, so get on your bikes and ride to the nearest or furthest fundraiser of any of the 24 A.B.A.T.E. of MN chapter fundraisers. It is all about support for one another. Another thought, New Members!!! With the riding season beginning, make sure you have trifolds and tear-offs in your possession at all times, because you never know when you may have the opportunity to use them to get new members. Our future depends on increasing our memberships and getting the younger riders involved. Ensuring our rights for our generation has always been our priority, so let us help those that will come after us to do the same. When you see a rider, talk to them. If they are not familiar with us, share our story, sign them up and invite them to a meeting. Be the voice of A.B.A.T.E., be the voice of our rights as motorcyclists. Do not let the government determine who and what we become.

Looking out the window, it appears the weather is close for riding. I wish the sand would wash off the roads.

Did you attend Heartland S.T.E.A.M.? It was a hard decision to make as I already had my reservations in months ago. We lost a good friend from River Valley Chapter, Frank Neagle. His memorial and celebration of life were the same day as S.T.E.A.M. Frank said to me many times he was so proud of the job I was doing for A.B.A.T.E. and MRF, going to conferences and reporting back to the chapters, so I was sure to say Frank's name when they rang the bell for our lost members and loved ones.

We had a SW District meeting before Rolling Prairie's Chili Feed in March. Four of the seven chapters were represented. Remember, you do not have to be a Chapter Rep to attend these meetings. It is a good time to bring up subjects you feel need to be brought up to the Board of Directors. One of the Presidents stated that their Rep had not brought up a few of the subjects we talked about. That is why we, the members of the district, thought it a good idea to meet one month before the B.O.D. I feel strong about attending other chapter functions to help them out if we can. The next meeting will be June 22nd in Litchfield before their Membership & Fun Run. September meeting will be on Sunday at the State Rally at 9:00 am in the Lake Chapter Tent.
