Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to protect the rights of motorcyclists by

being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show your commitment to protecting and preserving

your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

Does anyone out there know about/ understand "Constant Contact"? We have 2,428 contacts and don't know how to use that information to benefit A.B.A.T.E. of MN. If you can help us, please contact me at statecoordinator@abatemn.org or call 612-910-1572. Your help would be greatly appreciated!

Do you want to hear information first hand? Instead of listening to rumors and false information, attend our quarterly Board of Director's meeting and hear the

information yourself. You might even be able to help your Chapter Rep at your next chapter meeting. There will even be a party on Saturday night!

Are you enjoying the summer weather and getting some miles on your bike? Have you met anyone and asked them to join A.B.A.T.E. of MN? We need people to help us fight for our freedom of the road. That even includes people to help at events to raise money to support our efforts.

ASSISTANT STATE COORDINATOR

JIM ORN

(320) 250-4000

ASSTCOORDINATOR@ABATEMN.ORG

Well, we made it to July and I hope everyone who's going to the Freedom Rally in Iowa has a great time. Fun is always had by all.

With that being said, don't forget to make plans to attend our own state rally. There's a lot of planning that's been going on behind the scenes and I feel you will be in for a great Labor Day weekend.

And if you haven't heard, and I'm sure you'll hear more about it, the Lane Splitting bill passed this year. Now remember, this will not take affect until July 1st, 2025, so be patient and wait. And like anything, it's freedom of choice whether you plan to partake in certain situations with Lane Splitting or not. This is Minnesota and you can choose, like to wear a helmet or not.

And now for something, a little extreme. Have you ever thought about riding 120,000 miles in 120 Days? That would be an iron butt every day for four months. I did an iron butt once and didn't wanna ride for a week after.

Well, one of our members is planning on doing this next summer; 120,000 miles in 120 days. Scott Gottschalk has some extreme rides under his belt already and a few books, but I think this will be the most challenging for him yet. If you get a chance, check it out. www.scott@NBTride.com

I was talking with Scott and he could use all the support anyone could give him. You can check out where he's at on his ride and if you would want to ride with him for 500 miles or 100. He's more than happy to have people tagalong. And that would give you a chance to say you were a part of this ride. And a side note; he happens to live outside of Kingston. So if you get a chance, check it out.

Till next time,

Jim

Lake Chapter Memorial Run 2024

For most people Memorial day is all about grilling and chilling. I agree with that, but also I want to pay my respects to those who have lost their life serving our country and from our chapter. On our Memorial run we could not visit every gravesite, unfortunately the list is long. We did our best to acknowledge all fallen members. The list includes founding members like "Brent Walsh", colorful members like "Circus boy", members only known for two weeks, members we've never met, and to the most recent "Donald 'Doc' Goodale".

All these people were members of Lake Chapter. Brothers, sisters, neighbors, friends, and family. They were important to someone and I enjoy hearing about each and everyone of them. I think this is an important event. I hope we can continue this every year. I would like to thank everyone that took the time to put all this together and everyone that could attend. Thank you.

Lee

Where was A.B.A.T.E.?

Governor Walz signed a Motorcycle Lane Filtering bill into law on May 24th that will take effect in 2025 after a significant public awareness campaign. Some members of the A.B.A.T.E. of MN leadership team talked with a State Senator about Lane Filtering at Bikerday on March 13th. The bill was introduced and there was a hearing in the Senate Transportation Committee April 8th.

I am curious why A.B.A.T.E. of MN Leadership didn't inform the members about the hearing. The A.B.A.T.E. of MN membership tri-fold says, "A.B.A.T.E. of MN is the state's largest, most successful, proactive state motorcycle rights organization." It's odd that the states premier m/c

rights organization didn't reach out to the membership encouraging them to contact their elected officials, A.B.A.T.E. members are constantly being encouraged to get involved.

Our membership brochure also says, "keep members informed about motorcycling issues." Isn't lane filtering a motorcycling issue? I can write a letter to my elected officials about guns, taxes, abortion, etc. and if I send the letter and response to A.B.A.T.E. and I can earn a patch. Why wasn't I encouraged to earn a patch for this motorcycling issue? The committee hearing was almost four weeks after A.B.A.T.E. of MN leadership heard about this bill. Multiple A.B.A.T.E. Chapters have State Senators on the committee.

The point could be made that A.B.A.T.E. didn't have a position on lane filtering. That's true, so does that mean that our members will be kept in the dark on all motorcycle issues that A.B.A.T.E. doesn't have a position on? Part of A.B.A.T.E.'s mission says, "Encourage motorcycle enthusiast to register to vote to ensure that you have a voice in the political process." Did our members have a fair chance to have our voices heard?

Some will make the argument that if you don't want to lane filter, then don't, it won't affect you. The \$200,000 for the public awareness campaign is coming out of the m/c safety fund. A.B.A.T.E. encouraged our members to reach out to our elected officials on bills that would protect and preserve the m/c safety fund. So, we can reach out to our politicians about increasing the fund, but we weren't encouraged to reach out in regard to how the money should be spent?

The A.B.A.T.E. of MN Operations and Procedure Manual says "The business purpose of this corporation shall be to act as legislative watchdog." I guess the dog was sleeping on this one. I am a due paying hard working A.B.A.T.E. of MN member. I have spent a lot of time and money supporting A.B.A.T.E. to keep me informed on all motorcycle related legislation. A.B.A.T.E. leadership failed the membership on this one. Where was A.B.A.T.E.?

WRITE TO RIDE

FRANK ERNST
(601) 801-2920

WRITE2RIDE@ABATEMN.ORG

I would like to share some information I failed to include in my report last month. As many of you know Tri-County chapter had two traveling awards made for participation at Bikerday. Here is a little information related to that participation. We had 170 pre-registered members attend, the chapter with the largest number in attendance was Lake, 23 members. We had pre-registered members from 23 chapters attend and we had 13 Young Riders join us.

There was an award presented to the chapter with a member traveling the greatest distance from home to attend. That award was presented to Tim Sandland & Borderland Chapter. Tim traveled 320 Miles with an approximate travel time of 5 1/2 Hours. The other award was presented to the chapter with the greatest percentage of their members registered and in attendance. That award was presented to Buffalo Ridge chapter, they had 12.9% of their members registered and in attendance. Congratulations to the winners and thank you for the extra effort and all you do to support motorcyclists. Who will earn these awards in 2025?

Our Minnesota legislative session has come to an end and bills that were not passed will need to be carried over to next year. This certainly does not say we should stop talking to legislators about issues. Our issues will need to be introduced again next year but we can be asking for support on issues now. We can be asking legislators and candidates if they will support us. Ask about issues presented in Bikerday talking points or any other motorcycle related issues you may be concerned with. Meet and Greets, Town Hall meetings and parades are

all good opportunities to talk with legislator and candidates. We can share our concerns, and ask if they will support our position.

When you find legislators and candidates that support us send a copy of the communication to Write 2 Ride to earn your patch and or rocker. We will record that information and keep track of the legislators that support us. When we find candidates that support us, we need to help them get elected. We can help on campaigns, phone banks, door knocking, putting up yard signs, these are all areas our members have volunteered for in the past. Don't forget It takes money to run a campaign and in Minnesota we have a tool called Political Contribution Refund to help. This program allows you to make a donation of up to \$75 to an eligible candidate. You make the donation, get a receipt, fill out a short form, send it in and Minnesota refunds the \$75. Every one of our members should be using this tool to help elect candidates of their choice, candidates that support our issues.

A Motorcycle Ground Light bill that A.B.A.T.E. of Minnesota asked to have introduced is included in HF 3436 4th Engrossment 24.18 - 24.22 the effective date is July 1, 2024

Subd. 6.
Motorcycle ground light.
Notwithstanding section 169.64, subdivision 4a, a motorcycle may be equipped with white ground lights mounted under the motorcycle if:

- (1) the bulbs or strips are not visible to operators of other vehicles; and
- (2) the lights are aimed as to project a steady, non-flashing beam not more than six feet in radius directly onto the roadway and illuminate an area around the motorcycle.

MRF REPORT

RYAN TRIEBENBACH

(651) 270-7670

MRFREP@ABATEMN.ORG

If you are a current Motorcycle Riders Foundation member, thank you for your support. Because of members like you, we have been very successful in Washington getting legislation passed that benefits all motorcyclists. But our fight on Capitol Hill is just beginning! Our mode of transportation and our lifestyle are under constant attack. Here are some of our current legislative issues.

Right to Repair

Do you enjoy working on your motorcycle? Do you want to guarantee access to the parts, tools and service information required to modify, service and maintain your bike? If you answered yes to these questions, it is time to contact your legislator in the House of Representatives and tell them to cosponsor H.R. 906, the Right to Equitable and Professional Auto Industry Repair Act or the REPAIR Act.

The REPAIR Act will ensure that vehicle owners or repair shops will have access to the information, software or tools needed to work on vehicles. The proposed law also establishes rules regarding vehicle data access. This commonsense law will help preserve consumer choice and a fair marketplace.

Internal Combustion Engines (ICE)

Earlier this year, the Biden Administration presented plans to shift this country to a majority Electric Vehicle (EV) market over the next ten years. In June, Senator Markwayne Mullin of Oklahoma introduced S.2090, the Preserving Choice in Vehicle Purchases Act. This bill would amend the Clean Air Act to prevent a ban on the sale of Internal Combustion Engines, effectively trumping any state law that outlaws their sale. S. 2090 is the Senate's version of H.R. 1435, a bill that recently passed out of the House Energy and Commerce Committee.

Issue 9

A.B.A.T.E. of MN, Inc. Newsletter
3 pages, printed front and back,
folded in thirds, stapled, then mailed.

- The Editor is Scott 'Hawk' Roemhildt.
- The State Coordinator & State Office is Rick Lewis.
- There are a total of 8 Chapters.
- 6 Chapters made a submission, as 2 Chapters were fairly new.
- 3 Logo submissions were added to the newsletter, which had been postponed so that a larger number of members could vote on it.
- There were 4 upcoming events between September and November. Map directions to an event were hand drawn.
- Dues were \$15 for a Single, and \$20 for a Couple.

At the top of the newsletter was a list of names to consider for the newsletter:

- Free Wheeler Monitor,
- Free Spirit Sentinel,
- Ridin' News,
- Wheelin' News,
- Biker Monthly,
- Smart Forker,
- Livin' Free, and
- Cruisin'.

We have certainly come a long way! The simplicity and small volume of that newsletter, compared to what we know and read today, wow! And thank you to those members like Hawk that did the typing, printing, copying, folding, stapling and mailing to help keep this organization thriving!

LEGISLATIVE REPORT

GARY GORACKE

(320) 491-8546

LEGISLATIVE@ABATEMN.ORG

The following were signed into law by the Governor in May:

Lane Splitting

This bill seeks to amend the Minnesota Statutes 2022, section 169.974, subdivision 5, to authorize the practice of motorcycle lane splitting under certain conditions. Lane splitting refers to the act of motorcycles riding between lanes of traffic moving or stationary in the same direction. Under the proposed amendment, lane splitting would be permissible if the motorcycle does not exceed 25 miles per hour and is operated at no more than 15 miles per hour over the speed of traffic. The bill also prohibits the obstruction of lane splitting and mandates that all motorcycles must ride with their headlights always switched on. An allocation of funds is proposed for conducting a statewide public education campaign to promote safer lane splitting practices. The proposed changes would come into effect July 1, 2025.

Motorcycle Lighting

Motorcycle lighting permits a motorcycle to be equipped with certain white vehicle ground lights under the vehicle, so long as the light bulbs or strips are not visible to other vehicles and are aimed to project a steady non-flashing beam of light not bigger than six feet in radius onto the road area and illuminating an area around the vehicle.

EDUCATION

JON FERNHOLZ

EDUCATION@ABATEMN.ORG

It has been quite a world of difference between this year and last year regarding the Young Riders Scholarship Program. With the late launch last year, I was playing catch up all summer long. Constantly signing kids up all the way into the last week of training in October. I was also updating all of you each month with financial and attendance numbers. This year, all the funds were spent in early April and with the change in attendance reporting, it just makes sense to wait until October to get the overall percentage of students that attended the courses we paid for.

I find myself having less to report on each month and less of an anchor holding me down with the constant barrage of applicant emails. Not only have we increased from 60 students (last year) to 98 students (this year), but now there is a lull and I have found the opportunity to attend more of other chapters' fundraising events, so you might see me at one of yours! Not to worry, when the time is right, I will have financial figures, attendance percentages, and a geographical breakdown of where the students were funded to take rider training.

Once again, if your chapter, or you personally, want to take advantage of District Rider Training funds please reach out to your District Director. Stay safe out there!

As riding, relaxing and basically enjoying motorcycle season is in full swing, I need to ask "When is helping, learning or working at becoming a more educated motorcycle rider season for YOU?"

At the NCOM convention, two YES only two members represented all of Minnesota, which is disappointing because this last convention was only 6.5 hours away from the Twin Cities.

If all aspects of on road motorcycle riding are not your thing, then what is? Supporting regional conferences?

Or are you into other states annual rallies? Now you can help whatever it is that fuels your on road motorcycling by volunteering at any of these things. You live to ride to enjoy!!! Volunteers rule the world, be one.

MEMBERSHIP@ABATEMN.ORG

First, I want to say THANK YOU to all who signed up and helped at the Membership table in Algona!!

Well, we are in the swing of things as far as riding goes, so I imagine that the State Office will be getting a lot of new members signed up.

The June numbers look a tiny bit better; we had a +12 to the membership list. There are 1,275 singles and 1,354 couples, total of 2,629. That is about half of what is in the database! I keep saying this, we need to work at getting expired members back into current!

The Chapter with the highest increase as of June 2nd is South Central with a +8, way to go! 2nd highest is Metro with a +7, great job! Next up we have a tie, Freedom First Riders and Way West with an increase of +6. Impressive!

Just a bit of information, if you have a question about your membership, please contact the State Office not Membership & Retention's email. You will have a faster time with a response! If you need forms, then ask M&R.

See ya down the Road!

PRODUCTS REPORT

KARI DUNCAN

(507) 830-0644

PRODUCTS@ABATEMN.ORG

Happy 4th of July! Well, another month has passed. Morgan and I are still busy trying to get to as many chapter fundraisers as we can. I just want to remind the Chapters that I am a volunteer and any traveling I do for A.B.A.T.E. of Minnesota as the State Products Manager is not paid for by the State. If the Chapters want the State Products team at their fundraisers to sell State Products, they should be helping pay for gas at least. Currently, it is not in the budget for A.B.A.T.E. to pay me to travel for fundraisers so I am footing the bill myself. So, if the Chapters could help me out it would be appreciated.

In the middle of May I ended up having health issues, which are slowly getting better, but I would appreciate some extra patience with getting orders filled and sent out. I am trying my best, but some days are not so good right now. However, I will get it done as soon as I physically can. Thank you for understanding that my health does come before anything else.

I cannot think of anything else right now, but I will see you at the July BOD later this month.

Until then ride safe,

Kari

RALLY@ABATEMN.ORG

Next Meeting (s):

July 19th, B.O.D. location, 8:00 pm

August 17th, Eagles Club, Litchfield, 12:00 pm

August is fast approaching, are you ready for the State Rally? I hope everyone comes to this celebration, to recognize our accomplishments for 2024 and connect with your other chapter families. Have you signed up to volunteer yet? It really does take a village to run the rally. If everyone signs up, then people would only have to do one shift. See the details below...

VOLUNTEER SIGN UPS

We still have a lot of volunteer shifts open. We need your help! See open spots listed below. Contact Ingrid Cohen at (763) 516-7029 to volunteer. Each shift you work enters you in a drawing. Three worked shifts gets you a volunteer patch. Drawing prizes will be handed out at the October B.O.D.

SPONSORSHIP FORM

Please help sign up sponsors, see the sponsorship form in this Road Noise. The sooner they sign up the longer advertising time they will have in the Road Noise, on the State website, and on Facebook. The sponsorship form is also available for download at the State website.

All sponsor forms and fees need to be postmarked and mailed to the address on the form before August 1st.

RALLY FLYERS

Help us hang flyers to help spread the word, this will help encourage all walks of life to attend and help us get potential new members! The flyer is available for download on the State website and was passed out to your Chapter Rep at the April BOD. A PDF copy has been mailed to each Chapter in the Zoho account. Feel free to make your own copies, as it is a regular 8 1/2 by 11 size this year.

ADVANCED ADMISSION TICKETS

You can buy advanced tickets online at the state website, or from your Chapter if they have some. \$40 weekend pass. They are only available until July 20th. Regular price at the door is \$50.

RALLY RAFFLE TICKETS

This is our main fundraiser for the rally, so help us sell raffle tickets! Have your chapter contact Dan Matzdorff at (952) 250-5113 to get raffle tickets to sell. \$10 raffle tickets, anyone can purchase, and you do not need to be present to win. 1st Prize - \$2000, 2nd Prize - \$1750, 3rd Prize - \$1500, 4th Prize - \$1250, 5th Prize - \$1000, 6th Prize - \$750, 7th Prize - \$500, 8th Prize - \$250. Winners will be announced Sunday, September 1st, 8:00 pm.

REGISTRATION

We are still looking for an assistant to help Tonja run the registration table. This person would give Tonja some relief from running the table all day and night. Call Ingrid Cohen at (763) 516-7029 if you are interested.

KING & QUEEN NOMINATIONS

Email debkviz@outlook.com by the JULY B.O.D. to submit your Chapter's candidates for the Rally Royalty Pageant. Deb is also still looking for a leather sales vendor and a motorcycle dealership vendor.

MEETINGS & SCHEDULE

Vice Presidents are required to attend the rally meetings or send someone in their place, and everyone is welcome. If you cannot attend in person but use Facebook and would like to join the meeting over Facebook messenger, contact Ingrid Cohen at (763) 516-7029 ahead of time to be added to the rally meeting group chat.

If you have any suggestions for the Rally, email us at rally@abatemn.org. Watch for next month's (August) article, there will be info on how your specific chapter can help at the Rally, and more details of everything the Rally has to offer!

YOUNGRIDERS@ABATEMN.ORG

Hi!

I am thrilled to say that we are signing up Young Riders on a regular basis. We can get kids outside and win some money. We have a State Park Passport Club. Just have a photo release for the youth signed, send a picture in, and be entered into the drawing! Easy as that. It runs for a year. We are going to award prizes next year at A.B.A.T.E. University. Photo releases are very important, we need to protect our youth.

We are going to be at Millville for the FXR National in Spring Creek MX Park. There is a list of Motocross Tracks and if you or your chapter need or want more information on the Young Riders program, send an email to youngriders@abatemn.org

Good Summer Day!

I see some great events going on Facebook, and the rides. Great job promoting A.B.A.T.E. of Minnesota and our Young Riders program. County fairs are coming up, if they haven't had one in your area yet. Fun themes for parades make people wonder what A.B.A.T.E. of Minnesota is. Ours is going to be a 50's biker theme, think Grease, the movie.

See you at the next B.O.D. in July! Be safe!

Well, by the time you read this Algona will be in the books. I can always tell who is going to the Rally.

About the 3rd week of June, membership processing picks up and the panic of wondering if they will get their new card in time. Here's a thought ... Maybe we need to start looking at cards at the meetings. If the members are expiring at the end of the month, renew right at the meeting and the chapter can send it in for you... just a thought!

Keep on keepin on! *Shelly*

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ
(952) 649-0581

MNMSATF@ABATEMN.ORG

Next Meeting(s):

July 18th, Saint Paul College,
5:00 pm - 7:00 pm

The afternoon prior to the task force meeting on May 16th, we gathered for a rider training event. As I've written about, this was potentially a new hybrid course referred to as Crash Avoidance Training (CAT). We were the guinea pigs to test it out. It also gave the rider coaches and their leadership an opportunity to figure out where the best vantage point, as coaches, would be to view the riders and be able to give the best feedback possible for training purposes.

What was most interesting and constructive for myself, was learning what is referred to as trail braking. This is the concept of using your front brake just before and into a turn, gradually releasing front brake pressure the further your lean angle increases. A scary thought at first, but once you start to feel a little comfortable using it, it opens a whole new box of toys to explore.

The meeting started off with the announcement that the task force applicants have been appointed. We were allowed to vote on subjects as we were used to doing in the past. I am still unsure if minutes of the meeting were being recorded to disseminate to the members prior to the next meeting, but I will find out by the next meeting. Although I have not received a letter from the Commissioner of the Department of Public Safety that I am appointed to the task force, which has been the norm, it is encouraging that the Secretary of State's website reflects that members have been appointed. Slow progress folks, but it IS progress.

We had a guest speaker join us. Officer John Greene from the Edina Police Department's Motor Unit (motorcycle cop) shared about his motorcycle training experiences. He shared that the fact he had only been riding a motorcycle for a short time before taking the multiple-week course was a benefit to him because he hadn't had years of bad motorcycle riding habits to shed, and relearn. I was unaware that there were any Motor Units still in existence in this state, but he stated that Edina has

four officers assigned to the unit that share two motorcycle squads. Apparently there are a few other agencies, including the city of Eagan that have motor patrols.

Officer Greene was asked by a member of the task force what he would do during the course of a legal traffic stop of a motorcyclist that did not have a valid motorcycle permit or valid endorsement. His response was to the effect of, tow it every time. Get that motorcycle off the road. He shared that knowing the dangers involved, he simply couldn't live with the idea of letting someone with zero motorcycle training leave his traffic stop and get into a life-altering, or life ending, crash.

This response garnered multiple "thank you's" from the membership of the task force. Officer Greene was then asked by a member, "What is the Department's policy regarding the same traffic stop scenario?" His response was that it is left up to the discretion of the officer conducting the traffic stop. This is a similar response the task force has received from the State Patrol and also the Carver County Sheriff.

This report is getting long and I can touch on more in the next one. Make your own choices and keep your head on a swivel.

Greetings from SE LC.

This has been a very busy summer so far with all the graduations, bike nights, and rides for different causes and events. It would be nice if

the weather would cooperate a little better. But I guess, it is what it is.

Our chapter is going to have bike nights at Tillys in Oronoco (see above for time and address). This will be the second Tuesday of the month from June through September. There will be a taco bar (free will donation), some bike games and maybe some beanbag boards for those who want to practice their skills. Hope to see you there. We will be needing chapter members to help with the event.

Our chapter sends our deepest condolences to Tony and Stacy Roe from the Flatlanders on the loss of their young daughter. You are in our thoughts and prayers.

Don't forget about the Summer Shenanigans Party along with the Board of Directors meeting on July 19th and 20th. The party should be a lot of fun with several games and events planned as well as the famous mud pit. So come and have some fun and plan to get muddy. We are also needing chapter members to help with the event.

Have a great summer everyone and be safe out there.

FLATLANDERS

Next Meeting(s):

July 13th, Jim and Dena Brechs home, 216
1st Ave NW, New Richland, MN 56072

Hello from the Flatlanders.

July already, can you believe it! Time flies when
you're having fun or for some getting older (me).
Hope everyone has been getting some miles on
and enjoying the great outdoors when you can.
Also, I hope you all are getting to some
fundraisers. The other chapters appreciate your
support, believe me.

One of the things our Chapter loves to do is
spend money. So, on June 8th we participated in
The Geneva Cancer Run Ride and donated a nice

some of money to help them, help others, with
cancer. It is such a good feeling helping others
when you can!!

In May, we lost a very special and beautiful young
lady, Gracie Lou Roe, daughter to Tony and Stacy.
It was truly unexpected and extremely sad. For
those of us who knew her, we will miss her. We
love you both and are here if needed. To our
entire A.B.A.T.E. family, I ask you to keep them in
your thoughts and prayers, as we all are, as they
continue to heal.

Keep the shiny side up and the rubber on the road.

Peace, Love and Hugs

Buddy Bears Run, TBD

Hello All!

First off, we want to let you know that it's that time again for our RIVER VALLEY GIVES BACK RIDE!!!! For our 6th year, on Saturday, August 24th, we chose to support the North Mankato Reserve Police! Every year for our Motorcycle Awareness Parade they have generously donated their time to participate in helping us stay safe by keeping traffic at bay for our ride. So check out our chapter's page on FB for details and come join us. We're hoping to see a lot of familiar and, of course, new faces!

We would like to thank everyone who

Next Meeting(s):

July 14th, Joe's Bar, Fairbault, 1:00 pm
August 11th, JC Park, Owatonna, 1:00 pm
September 8th, Box Car, Waseca, 1:00 pm

Hope everyone is out enjoying the weather, when it is not rainy or extremely windy. We had a good time in Savanna, IL.

By the time you read this we will have had our Free Will donation "Park" ride.

Everything's coming together for the big event we are putting on, August 10th, in Warsaw, Channel Inn. Band, ride, silent auction. A Lot of stuff going on. So come out and enjoy the day. More updates will be posted to our FB page.

God Bless everyone and be safe out there.

participated in the Mike Berg & Fallen Friends Memorial Ride. It was a beautiful day with a great group of wonderful people. The continued support will help further the message of safety and training. This year, so far, two of our members have benefitted from this ride in getting their motorcycle endorsement. Congratulations to Laurie Neagle and Kayla Wyman for passing their motorcycle riders course! We are very proud of you!!

Our RV Chapter Thursday Summer Runs have been happening and it's been awesome not only in getting another ride in but being able to get to know our chapters current and future members a bit more. Can't wait until the next ride!!!!

Thank you to all who were able to attend and help out doing the ditch pick up and after lunch get together. We had a small group that got-er-done in a reasonable amount of time and then had some fun with Erin and Lori doing a little sack race.... I think there may have to be a re-do the next time. Also, a huge thank you to all that helped sell Poppies at Mills Fleet Farm!

A Buddy Bears run is in the planning... so we're looking forward for more of our chapter coming together for that ride.

Welcome to our new members and thank you to those who renewed their memberships. We are looking forward to seeing you at our monthly meetings and chapters events!

Make sure you pay attention to your Road Noise calendar of events. Let's get out there and support our fellow chapter's fundraisers. Every little bit helps.

Enjoy your summer and keep it shiny side up!

July is here. Have you rode to other chapter events? Have you signed everyone you know that rides into this great organization? I bet most of you went to Iowa's great Freedom Rally. Are you planning on coming to your own Rally?

With our memberships slipping, are you doing all you can to help keep your freedoms? Have you written to your legislators about your concerns?

Have you signed up for at least one 4 hour shift at the State Rally? I have heard the comment so many times, year after year, "this is my vacation, I didn't come here to work!" If everyone in this organization thought that way, where would we be? So many questions.

Until next time,

Shelly

Happy 4th of July!

I hope you are enjoying your summer so far. I know that we have been very busy since I wrote the last Grapevine. We had our Summer Kickstart Ride on June 1st. We had beautiful weather and a great turnout for our ride. We gained some new members and made some new friends along the way.

June 8th and 9th we delivered 200 Buddy Bears to our area hospitals, fire departments, and ambulance services. We had a great couple of days of riding to get all those bears delivered.

We have been planning our annual Fallen Friends Memorial Ride. We will be starting and ending at the Last Chance Saloon in Hanska. Registration is from 10-11:30 am followed by a memorial service at 11:30. Kickstands up at 12:00. Cost is \$20 for the driver and \$10 for passengers. All are welcome to help us honor our fallen.

I think that is all for now.

Keep the rubber side down and ride safe,

We had our camp out in the rain! Memorial
Weekend was a very damp weekend. We had 5
members camp, but we ended up with 16
members and one guest coming. We all ended
up in the camper to have the meeting, so it was
close quarters, but it was fun. Lots of things
coming up this summer, just trying to get out and
ride. The summers are short, and I know that if I
don't make the time to do fun things, we won't do
them. The lawn, dishes, laundry, will all wait.
Those chores won't go anywhere but time does.
Go ride! Go do that fun thing this summer that
you want to do. Make the time.

BUFFALO RIDGE

Greetings Freedom Fighters,

Obviously, I have fallen out of practice when it comes to submitting our Road Noise articles, as our May and June submissions weren't received by the Publications Committee. So, this one may be a little lengthy, as it consists of ALL of our chapter's activities since April:

Three of our members trekked to the St. Paul for Bikerday. Our two legislators are "friendlies" who have made it super clear they don't want to hear us bring up helmet laws until it is an actual issue, and sternly warned us that if we keep bringing it up, someone will eventually take notice and make it an issue. Because our meetings were scheduled for the afternoon, and after talking to their perspective admin assistants, our group didn't want to add to chaos of the list of 8 scheduled constituent groups for that afternoon. So, we opted to sign in, leave notes, and send emails upon our return to the windy prairie. On the way, we stopped to tour the Cathedral of St. Paul, followed by lunch, pull tabs, and a few games of pool closer to home. Six hours of driving for non-meetings may sound ridiculous, but a day spent transporting two of our Nation's Veterans to our State Capitol was a GREAT day!

**Buffalo Ridge Chapter
members with their Bikerday plaque,**

Little did we know, our attendance at the Capitol earned the Buffalo Ridge Chapter an award for the most registered attendees actually in attendance. We are displaying this plaque proudly and are very honored to have received this award. Thank you, A.B.A.T.E. of Minnesota, for the recognition!

The Buffalo Ridge Chapter taught another Share the Road class on Monday, April 29th. This was the most lively, interactive class we have had since pre-COVID! We handed out several Young Riders brochures and training brochures for rider training classes. With the training classes being right here in Marshall, many were hoping to take advantage of the scholarship program, so I feel bad there aren't any more scholarships available for the year.

In other business, the Buffalo Ridge Chapter just keeps on keepin' on. Our chapter is small in numbers, but a mighty force in the driver's education classroom. We have recently invested in more "swag" to hand out during the classes. We have classes happening in the months to come as our local Drivers' Education classes gear up for the summer. . . keeping the A-T-E in A.B.A.T.E.!

Thanks for reading!

Summer is here and many of you are getting ready to head to Algona. There are lots of opportunities for you all to help and volunteer while you're there and the help is always appreciated. As a reminder, you can also still sign up for volunteer shifts for Your State Rally. There are a lot of jobs to be done and shifts to fill but the reality is that if every member who came took one shift, we would run out of work for people to do. As always, I am going to encourage everyone to help your chapter, help your neighboring chapter, take a class to improve your skills, get out to rides and events, and bring your friends. The more we work together the easier it becomes to get things done.

I have heard a lot of discussions about lane splitting becoming legal next year and it's clear we have a variety of views on this. My view is that it is another tool that can be used to help us stay safe on the road. Like any tool when used incorrectly it can cause a lot of damage. Let's use these tools as intended. We have the opportunity to show how this tool can be used to benefit not only riders, but the driving public at large.

I have been slacking on holding District meetings. I will be holding a **District Meeting on Saturday, July 13th at the Upper Kettle River Shakedown at 3:00 pm.** This should allow anyone who wants to go on the Memorial Ride to go.

Until next time, ride safe.

Things have picked up again with some good riding weather finally.

Looking forward to the startup of local biker events and rally's. Something happening pretty much every weekend.

Dorrie's annual Awareness Rally has come and gone for the 12th year with 50+ people attending. We line both sides of the street and hold up various signs promoting driver and rider safety as well as pro-motorcycle slogans. The response from the locals is very positive with many people commenting later on either seeing us in person or on the news. Thank you Dorrie Meyer for arranging this event every year and giving us the change to get out and be heard.

Our MetroMemorial has come and gone and we had a lot of fun. We were also blessed with really nice weather which gave way to 58 bikes at the event. We had 16 entries for the bike show which saw a '68 panhead and bike that is painted as the American Flag. The awards that were given at the bike show were Best in show won by Maggie Lemica and Best Paint was won and awarded, I apologize for not having her name.

Metro Chapter gives a big thank you to Dar's Goof, Dark Knight Laser Engraving, CMA, Endless Bridge Wood Works, Bandanas & Bling by Carol, Deetra Custom Leather and the great and fun band Southern Express. We give Route 47 Pub and Grub a big thank you for helping us put on a wonderful event and their great hospitality.

The chapter has now turned its attention to planning our fall event which will include a bike run. Our fall event is family friendly and will include a bagger and treat (can't be trunk and treat since motorcycles don't have trunks). As for the bike run, we will have a route and some stops set as well as some twisties for added fun.

Until next month, be ready to read my next installment to find out "What The Shadow Knows."

Greetings one and all! Our 3rd Annual Bike Show and Rodeo was held June 8th and it was an awesome event! We had fantastic weather, great events and a good turnout. Although we were hoping for a larger crowd, considering we changed venues, moved the event from a Sunday to a Saturday, and competed with numerous graduations and other events, we were very pleased with the showing. We had great participation in the Bike Show and many beautiful bikes and a wide variety. And now we begin planning next year's event.

This month's report is rather short; however, just a reminder, that the riding season is in full swing and there is literally a ride or event every weekend. Enjoy the summer and ride safely. That's all for now! Take care and peace out!

Hope you all had fun at Algona and now Sturgis is
right around the corner. Now is the perfect time to
get out there and ride but keep an eye on the
sky. Hail sucks. Do you have a plan in case you
suddenly get caught out in the open and severe
weather is imminent? You will not have much time
to think about it then, now is the time to plan.

By the time you read this, our Buddy Bear delivery
to Tower will be in the books. We would like to
thank everyone who participated in putting this
together. The memories we make and have made
in the minds and hearts of the people of Tower will
last a lifetime. Hopefully, these bears will be a
soft spot in some child's incredibly hard day.

We are looking forward to the Bond Slaves Run and
the Joe Boys Run. Both events are a fun time. Road
guards are still needed for both runs so volunteer if
you can. If you are not a road guard but would like
to be, there are still spots open for the noon to 3:00
pm class at Pine Tech. Call them directly to get into
the class. State Rally is coming up fast too and they
are looking for volunteers of all sorts. Help them
out and sign up for a few shifts if you are able.

Turkey Bowling is back by popular demand and if
you have never bowled a frozen turkey then this is
your chance to bring one home for your freezer,
and I do not mean the one you just rolled across
the floor. Help with a toy or food donation and
come have a lot of fun. But that is way out in the
fall, and I do not even want to think about that yet.
Have a great summer and enjoy the ride!

Hello Borderland!

Welcome to all our new Borderland members! We had a great meeting at the Hobo in Newfolden and we thank Dawn and Tim Maurstad for their great hospitality! Ryan (Sparky) Gilbert grilled these awesome 1/2 lb burgers and it warmed us up after a chilly ride. Thanks! We voted to make charitable donations to; MRF A&E, Northlands

Rescue Mission, Roseau Four Seasons Center and more. Sell those rally raffle tickets so we have that gambling \$ for charities. We also are pushing the Young Riders program so, either through our gambling account or some out of our general account so we can support our Young Riders!

Now our State Rally is coming up soon so be there and help out. It is a good time, doing gate work or security details, or running around ice for Dial-A-Ride. Having said that, we do wish a very successful Max's Bash that same weekend. MWMC does a great job in all they do!

So, this is an election year. Can we turn this around in our country and state or do we lose our rights, freedom, and liberty? It is up to us to do what we can, right? Let's turn this state red. See ya at Cyrus! Ride safe!

HEART OF THE LAKES

Well, I start this month's grapevine by eating some crow - Jon has found hand signals in the MN Drivers Manual. (Serving crow was NOT his intention). Three, to be exact, on page 25! However, the manual from drive.mn.org that I scoped out has different info on that page, and nothing to connect those hand signals to motorcyclists. Still doesn't make that crow taste any better!

I hope you all are getting in some wind time; I have every chance I get.

Greetings FFR Members,

Thanks to all those that were able to support the last few State Events around the local area and for everyone that supported the ditch pickup and the Freedom First Riders Annual Bike Show!!

FFR sold the winning ticket for the A.B.A.T.E. University Raffle, sold by our own Patty Sherod!! The winner was also from our local area and that should definitely help with sales for next year. Congratulations to all the winners from the Raffle!

Our chapter has made several donations in the past few months to organizations that we normally support and a few new ones. Still looking for new ideas for fund raising opportunities for the chapter.

The Intermediate Rider Course is still set for the 7th of June, 3:00-8:00 pm, at the Alexandria Technical College. We have three out of the 12 spots spoken for and we would like to fill it with FFR members prior to reaching out the other chapters! Please let me know if you are interested and can conduct the course. It's a great learning experience for you with your ride!

"Expect the Unexpected"

– Big Papa

I am excited that there was movement on the lane filtering and that it is going to be implemented next year. However, a question tumbling around is when taking advantage of this how much angst it will cause for us; or maybe there will be none at all. How many people will understand this is an acceptable, legal maneuver and not just us being whatever descriptive word that pops into their minds. I hope it gets as much media coverage as the destruction of MSP did.

Enjoy the wind, ride far and God's smile on you and yours.

– Jess

NORTHWEST

Next Meeting(s):

June 29th, Carols Cozy, Brooks, 11:00 am.

Ride to follow, weather permitting.

July 27th, Muni, Mentor, 11:00 am. Ride to follow, weather permitting.

We held our 35th Annual Ride-In May 31st - June 2nd. Thank you to all who came out and made it

such a fun event.

This year during the Ride-In we held our 1st Fallen Member Memorial Ride. It was a great success. We plan on continuing this ride every Ride-In.

Please plan to attend our 36th Annual Ride-In in 2025 (Date TBD).

2024 State Motorcycle Rally

Sponsorship Program

A.B.A.T.E. of Minnesota (American Bikers for Awareness, Training, and Education), a not for profit motorcycle rights organization (501(c)4), is seeking sponsors for our 2024 State Rally, to be held August 30th-September 2nd at the Meeker County Fairgrounds in Litchfield, MN.

As part of our Sponsorship program we are offering generous recognition, advertising, vendor space, and passes for the participation of you, your employees and customers in our event.

There are five levels of Sponsorship:

Diamond Sponsorship

The Diamond sponsorship is just \$3,000

It includes:

- Your business will have signage on either side or above the stage area in the bar and band hub location
- Your company name and logo published in the Road Noise magazine, A.B.A.T.E.'s official publication (circulation 4,000+)
- A full page ad in our Rally program and your company name and logo included on the cover
- Your company name and logo listed on our website
- 12 free weekend passes to the Rally to use or distribute as you please

Gold Sponsorship

The Gold Level Sponsorship is \$1,000

It includes:

- Medium signage in the bar and band hub location
- Your Company name and logo published in the Road Noise magazine
- Your company name and a half page ad in our Rally program
- Your company name listed on our website
- Six free weekend passes to the Rally to use or distribute as you please

Silver Sponsorship

The Silver Sponsorship is \$500

It includes:

- Signage in the bar and band hub location
- Your company name published in the Road Noise magazine
- Your company name and a quarter page ad in our Rally program
- Your company name listed on our website
- Four free weekend passes to the Rally to use or distribute as you please

Chrome Sponsorship

The Chrome Sponsorship is \$250

It includes:

- Signage in the bar and band hub location
- Your company name published in the Road Noise magazine
- Your company name and business card ad printed in our Rally program
- Your company name listed on our website
- Two free weekend passes to the Rally to use or distribute as you please

Copper Sponsorship

The Copper Sponsorship is \$100

It includes:

- Signage in the bar and band hub location
- Your company name published in the Road Noise magazine
- Your company name and business card ad printed in our Rally program
- Your company name listed on our website
- One free weekend pass to the Rally to use or distribute as you please

Although A.B.A.T.E. is a not for profit organization and contributions are not tax deductible, you may be able to deduct this investment in your company's advertising budget. Check with your tax professional.

Partnering with us will make the 2024 A.B.A.T.E. State Rally the biggest and best ever. A.B.A.T.E. of Minnesota is 3,500 members strong and our goal for attendance at the 2024 Rally is 2,000.

Our members are avid motorcycle enthusiasts who support those businesses who support them. For more information about A.B.A.T.E. of Minnesota please visit our website at www.abatemn.org.
