Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to protect the rights of motorcyclists by

being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show your commitment to protecting and preserving

your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

What a busy summer! I have been traveling so much that I struggle to get out on a bike. Hopefully, you're getting some miles on your bike!

The State Rally Committee has worked very hard to put on a successful event. I hope you were there and had a fantastic time.

Will you be attending the Young Riders Rodeo? Bring kids of all ages to this new event geared to get youth involved in outdoor and two-wheeled events. I'm sure it will be a great time for everyone. Be sure to help out where needed.

Meeting of the Minds will take place in Shreveport, Louisiana, September 25-28. Will you be there? I will be attending!

Heartland STEAM meetings take place via ZOOM. Email me if you'd like to get involved.

Between events and conventions, I am trying to get out to chapter meetings.

See you soon!

Well, I would like to thank everyone who was able to attend our State Rally. I hope everyone had a great time. As for myself I know I always have a good time. It's always great to meet new friends and catch up with old friends.

On a sad note, our riding season is getting closer to the end. I hope everyone got out and got some miles on. But if you're like myself when the season comes to an end, you always wish you had more miles in for this season, but you'll have the winter to plan to get more miles on for next year. As for myself, once again, I'm going to cheat and go to Texas this winter and hope to start riding in January. Last year it was a little cool, but when it got to February, it was great riding..

That's all I have for now.

Ya, I know kind of short but wait till next month.

Till next time

State Rally time is here! The committee has been hard at work and this should be a great State Rally. Hope to see you there. Remember to keep membership tri-folds on

hand. You never know when you might meet someone that does not know about us and would like to help.

Summer is slipping away, so keep on riding while the weather is nice.

Mitch

A.B.A.T.E. of Minnesota Legislative Team

Due to unique circumstances, there will be three Special Elections soon for openings in the Minnesota legislature. One in the MN House and two in the MN Senate. If more than one candidate runs in his or her party for the vacancy, then a special primary election will be held before the election for the legislative seat. Special elections in Minnesota usually have low participation. With fewer people voting, every vote becomes more important. Freedom-minded bikers can make a huge difference in these special elections. If you live in one of these districts, please ask the candidates if they support motorcycling rights and common-sense motorcycling safety. Majority control of the MN legislature depends on who wins these special elections and who will control the agenda in 2026.

Your vote matters - Use it wisely. Below is some information on the candidates and a sample of the A.B.A.T.E. of MN legislative agenda.

Yours in Freedom,
—Mack Backlund

HELLO!
I hope you have all seen the Bike Rodeo going on in Willmar at the Kandiyohi County Fairgrounds, September 27th, 2025 from 10 am - 2 pm. I have a bunch of bikes already but we can always use more for kids to use.

We will be doing games, and education for bike safety. I know that this is a long way for some of you, but if you want to do this in your area, come check out what we are going to do and implement a bike rodeo in your area. We will be serving a light lunch. We are taking donations to help out for the day!

FYI- this is also Charlee's birthday, so we will be having cupcakes. :)

See you then!

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ
(952) 649-0581

MNMSATF@ABATEMN.ORG

Next Meeting (s): September 18th, Saint Paul College, 5-7:00 pm

The last task force meeting was July 17th at St Paul College. Some of the members participated in an intermediate rider course just before the meeting, which is always fun. I am happy to report that the members did receive the last meeting's minutes, I just prefer to have them more than 2 days prior to the meeting along with the agenda for review. Jay is using some form of an AI filter that takes the recording of the meeting and boils it down to a condensed minutes format. It's not perfect, but it does record the motions. With this new technology, I would expect that the recurring problem of the members not receiving meeting minutes should cease for future meetings. As discussed at the last meeting, again we talked about getting some of the advisors from the different departments back to the meetings for their input. One specifically discussed was Kent Bernard from MNDOT construction. He used to come to the March or May meeting and give us an overview of what the major construction projects were going to be for the year. Jay made it sound like Kent was interested in getting involved again, which would be beneficial to the function of the task force.

Next, we continued discussion on the rider training program overview. Rider Coach enrollment is slightly up, which is good news. They currently have 110 coaches, but they would like to have 120-130 coaches available to teach courses to meet current rider training demands. In 2026 they will hold rider coach training sessions in May and August. If you are interested in being a coach, please let me know.

We also had a short discussion on lane splitting and the PSA press conference. The DPS rolled out the majority of the lane splitting PSA campaign the same day the law went into effect. While there was good news coverage, it is of my opinion (also shared by other members of the task force) that it should of been launched sooner.

As far as motorcycle crash fatalities are concerned, we are currently sitting at 35 for this year, compared to 39 at the same time last year. Less is good, less than that would be better. It is unfortunate that almost 49% of these fatalities were riders that did not have a motorcycle permit or endorsement. This problem continues to grow and I am unsure how to curtail it. If you have a good relationship with the law enforcement agency, perhaps share this info mation with them. Maybe if citations get served and motorcycles get impounded, the riding public might be more willing to comply with the education portion of the riding experience?

For anyone that is interested in joining the task force, applications are available on the Secretary of State website for the new term that will start in September. Make your own choices and keep your head on a swivel.

MEMBERSHIP@ABATEMN.ORG

The State Office is running as it should. Keep checking your membership cards & getting them renewed before the expiration date on the bottom. It does work out nice if you get them sent in the month prior to the due date, (you will not lose any time from the membership, it adds on to what is already there) then, we can save money by not having to send the postcards out. Every little bit helps!

If you call the State Office and don't get an answer, please feel free to call me on my cell. Remember State Office hours are in the evening. But if you call during the day and I'm home I will answer and try to help you out.

There is still plenty of riding for the summer, keep the tear offs & tri-folds with you!

Keep on Keepin on!

NCOMLIASON@ABATEMN.ORG

I have been busy lately, making it difficult to attend the monthly ZOOM meetings. Here are a few notes:

NCOM is working on putting together a calendar of events that they would like to attend. Watch for NCOM membership tables at motorcycle events.

The NCOM website (onabike.com) has been updated with new member contact information.

We are still waiting for confirmation of the NCOM Convention next spring.

Next Meeting(s):

September 8th, via Zoom, 6:00 pm

At the July B.O.D. the board approved to let me shift around District Rider Training Funds (DRT) from district to district in an effort to use those funds where they might be needed. This, of course, would be subject to District Director approval. So far, the Education budget has reimbursed \$800 this year for rider training. There are still requests and invoices coming in.

I plan to have full figures and participation numbers ready by the October board meeting.

As far as the Young Rider's Scholarship is concerned, out of the 92 students we registered this year, only 4 students' classes have been cancelled and refunded to us, which translates to 88 youth funded. I will not have attendance figures until the October B.O.D. Harmony is still working on getting us a 501(c)(3) classification. She has had to change the name of the organization a few times, but it sounds like we are close to getting that approved. That is it for this month. Keep your rubber on the road folks.

MEMBERSHIP & RETENTION

APRIL MURCH

(612) 741-0279

MEMBERSHIP@ABATEMN.ORG

How can you engage your members? Members are more likely to renew if they are invested. One way to build that investment is to get chapter members to chapter meetings.

Crafting an engaging meeting experience:

- Warm Welcome: Designate a greeter to welcome members and guests, fostering a welcoming atmosphere. Introduce new members and guests at the start of the meeting.
- Concise Agenda & Handouts: Provide a clear agenda for members to follow. Supplement this with handouts containing key information for them to reference later.
- Entertainment & Recognition: Inject fun into the meetings by:
 - Celebrating birthdays, anniversaries, or chapter achievements.
 - Having small presentations for members achieving goals, like earning a "Write to Ride" patch.
 - Including lighthearted activities like word searches, providing candy, or sharing a motivational poem.

Encourage Participation

Actively seek member input by:

- Asking for ideas and offering tasks to get members involved.
- Engaging different individuals to present various agenda points.
- Thanking members for their contributions.
- Inviting them to join committees or help plan events.

Accessibility: Offer Zoom or phone-in options for remote members and encourage their full participation.

Guest Speakers:

Invite relevant speakers, including:

- Lawmakers.
- A.B.A.T.E. State Representatives or Committee Chairs.
- Motorcycle Riders Foundation (MRF) representatives.
- Representatives from other motorcycle organizations.
- Motorcycle lawyers.
- Bike repair shop mechanics.

The Where In A.B.A.T.E. Is April and Harmony Adventure is in full swing. Remember to bring your guests to your meetings. Sign them up and get the membership patch.

I am here for you. I am here to help.

MARKETING@ABATEMN.ORG

Using the tools April and I have given you to get members is one way to market A.B.A.T.E. When you think about marketing, you think that you are selling something. You are selling yourself and the organization. What we do is fight for motorcycle rights. Why wouldn't we want all motorcyclists to know about us?

When I first started with A.B.A.T.E. I knew nothing about it. I knew that my, then boyfriend rode a motorcycle and went to a meeting once a month. I started working at a dive bar where motorcycle riders came in all the time and I got to ask if they knew about A.B.A.T.E. since they rode. 90% of riders did not. The other 10% did but did not want to be involved in an organization. When you get negative feedback, it is not you, so do not give up asking! You might find that one person who will be your next head table member!

Keep talking about A.B.A.T.E. and keep riding and keep being safe!

As you read this the 2025 State Rally will have just taken place. Not much to report this month. Next month we will provide all the stats from this year's rally. I hope it was everything you expected and came for!

I do want to thank everyone who worked so hard during rally week and all year long to bring you the best State Rally possible: Rally Committee, Vendors, Sponsors, Volunteers, Bands, Litchfield Rescue.

We appreciate every Chapter that helped with signing sponsors, hanging flyers, volunteering, and participating in the Rally events. As I have said before, the Rally is what you make of it and put into it. We hope you were able to enjoy time with your extended motorcycle family. And a successful Rally also brings funds into A.B.A.T.E. to fight for our motorcycle rights, which is why we are here in the first place. So, thank you for all you have done in 2025 for A.B.A.T.E. and for the MN State Rally!

HISTORIAN@ABATEMN.ORG

I hope everyone is doing great, been riding safe and enjoyed all that A.B.A.T.E. of MN 2025 Rally had to offer. Shout out to the Rally Chairs and Committees for doing such a great job, again

If you were unable to make it to our last two History of A.B.A.T.E. of MN classes at A.B.A.T.E. University, I wanted to make sure to get this info out to you. It may seem small and miniscule, but as it is something our organization promised from the beginning, it is important for ALL members, especially officers, those who document and those who create anything A.B.A.T.E. of MN related, to understand and please abide by.

We all know what the acronym, A.B.A.T.E., stands for in the State of Minnesota, American Bikers for Awareness, Training and Education. But have you ever wondered why we put a period between the letters? Is it to recognize the letter for each word in the phrase? Well, yes and no.

Obviously, it helps to separate the words in the phrase that describes who we are. However, did you know it was a promise our founding members made in 1987?

In early 1987, as our founding members sought out becoming incorporated as a non-profit organization, it was discovered that there was a family-owned business, already in existence in Minnesota, by the name of Abate's, Inc. On May 4th, 1987, a consent to use the name Abate was issued. However, the agreement came with the request that we would ALWAYS use a period between the letters of ABATE (A.B.A.T.E.) and to hold a good standing with the public. Although I am assuming this agreement may have been long forgotten, since it has been 38 years, it is still VERY important that we honor our word and our promise.

We were privileged to use a 'name' that was already in existence in Minnesota as a corporation in 1987. And we made a promise. So please. When writing your documents, entering your information, making a flier or poster, ordering your products or ANYTHING that says A.B.A.T.E. of MN on it, PLEASE use the dots, periods, whatever you want to call it, in between the letters of A.B.A.T.E.

I appreciate you taking the time to read this and your help in keeping our word. Stay safe, ride safe, love you all.

Elections, elections, elections! Yes, this is the hot issue. Three special elections are coming up, house District 34 B, Senate District 29 and Senate District 47. See the Legislative Team report in this edition for more details. If you live in one of these districts, please take time to become informed about motorcycle related issues and the candidates. Next make sure you cast a vote for the candidate that supports your position.

See the list of bills of particular interest to motorcyclists included with the Legislative Team report in this issue.

The midterm general elections are a long way off on the calendar, November 3, 2026, but campaigning has started. The Governor and US Senate seat each have several candidates announced with more expected. I have heard of multiple candidates for 6 of the 8 Minnesota US House seats and I am sure more will announce soon. All 134 State House seats will be up for grabs. Candidates will be holding campaign events, attending parades and asking for your support. Are you contacting them and asking them if they will support your position on matters of importance to the motorcycle community? Do they support your position? If not, can you influence them, help them understand why these issues are important? Candidates will be asking for your support, will you be supporting those that support you?

Approximately 40% of the Minnesota Motorcycle fatalities reported this year have been single vehicle crashes. Could rider training help save lives?

MEMBERS OF THE MONTH

Judy Soder & Duane Tchida

Duane Tchida and Judy Soder are Jack Pine Chapter members but their contributions to A.B.A.T.E. of Minnesota go well beyond their local chapter.

Duane and Judy have served their local chapter as chapter officers – Duane as long-standing President and Judy as chapter treasurer.

The Upper Kettle River Shakedown, the Jack Pine Rider's annual July fundraiser is, in large part, successful due to the tremendous leadership of Duane and Judy – "Skipper," as Duane is known, leads the team of volunteers that pull off this event every year at the campsite near Finlayson/Askov. Judy is in charge of the chapter's merchandise booth as well as being responsible for the income and expenses.

Motorcycle Dial-A-Ride – both Duane and Judy have served on the Board of Directors for Minnesota Motorcycle Dial-A-Ride for many years. Duane has held leadership positions including President and Vice-President and Judy has served as the Treasurer. In addition, Duane has performed most of the mechanical and aluminum welding repairs to the trailers for many years. Duane volunteers to provide rides for people needing Dial-A-Ride services in the Pine County area and for a number of years, Duane was the person that answered the Dial-A-Ride phone when someone called for assistance and would contact and dispatch volunteers throughout the state of Minnesota. At the State Rally, Judy was heavily involved in managing the ice sales.

State Rally – for several years, Duane served as a Co-Chair for the annual State Rally at the Meeker County Fair Grounds in Litchfield over Labor Day weekends.

For these reasons, Duane and Judy should be recognized as Members of the Month!

The MRF congratulates a legend.

The Motorcycle Riders Foundation (MRF) proudly congratulates "Chopper" Charlie Gilmore on his induction into the Sturgis Motorcycle Museum Hall of Fame as the 2025 recipient of the Freedom Fighter Award.

A legend in the motorcycling world, Charlie's journey began in the 1960s with a passion for riding that evolved into a lifelong commitment to rider rights and motorcycle culture. As a Vietnam veteran, ordained minister, and former national chaplain of the Sons of Silence, Charlie has lived a life defined by service, both to his country and to the motorcycling community.

Charlie is a founding member of A.B.A.T.E. of Iowa's District 8, and his impact on the motorcyclists' rights movement is immense. His powerful and emotional "Price of Freedom" presentation has inspired countless riders and advocates across the country.

A master builder and restorer, Charlie's custom choppers have been showcased internationally, and he has restored hundreds of motorcycles that are now displayed in museums across the

United States.

His unwavering dedication to the MRF and its mission has helped protect the rights of all motorcyclists. Charlie's contributions have earned him numerous honors, including the Motorcycle Riders Foundation's John "Farmer" Eggers Award (2010) and the NCOM Silver Spoke Award (2022). He embodies the spirit of the Freedom Fighter Award and stands as a symbol of grassroots advocacy at its best.

This honor is made even more special as Charlie joins his brother, Dick "Slider" Gilmore, a fellow Hall of Fame Freedom Fighter.

I had the privilege to attend the East Central chapter meeting in August, where Jim retook his seat at the head table as Prez, three months after his horrific crash. Three different chapters were represented with two being chapter Presidents. What a rush. Continued healing my brother. Sturgis is over for another year and we need to start concentrating on chapter fall fundraisers. Please get out of your comfort zone and attend a neighboring chapter event.

At the July B.O.D. three executive board members announced this is their last term. If you have any interest, please contact one of them with your intentions. If you haven't started thinking about the March 2026 STEAM being hosted right here in Minnesota, please mark your calendar. It is like A.B.A.T.E. U on steroids.

I have not been receiving crash stats but am on a daily site and it seems to me most crashes are due to human error.

April says memberships are increasing, so keep up the good work. A special congrats to the Up North Chapter for receiving the first quarterly \$500 for new members. Be smart and ride safe.

We had a pretty good July here, lots of decent riding weather and our first chapter membership ride and campout in quite some time. We had an excellent turnout for the ride and many people who stayed to camp for the night. We had several renewals and new members who greatly enjoyed themselves. We'll be looking to make this an annual event due to the success this year.

By this time, the State Rally will have likely come and gone, here's hoping that it was a great success.

Greetings all!

As of this writing many of us have just returned from Sturgis and are looking forward to the State Rally, which is in process or over by now. I'm always interested in the Sturgis Rally Tally. This year there were zero deaths in Sturgis although there were two deaths reported in the Rapid City district. There were 71 DUI Arrests, 133 Misdemeanor Drug Arrests, 56 Felony Drug Arrests, 596 Total Citations, 15 Non-Injury Accidents, and 19 Injury Accidents. Considering there were nearly 700-thousand people at the rally I think those tallies are fairly light.

With the Rally over, there are two, maybe three, riding months left. Fall is my favorite time of year

to ride. The temperatures are cooler, and the colors are brighter. If you are looking for an event, consider the Young Riders Bike Rodeo at the Kandiyohi County Fairgrounds on September 27th starting at 10:00 am. Lunch will be provided by A.B.A.T.E. of Minnesota.

That's a wrap. Be well, ride safe and peace out!

Another eventful month has come and gone in this riding season. Many of you attended Sturgis and while it's still on a bucket list for me, I'm sure many of you are coming back with stories of fun rides, exciting nights, and camaraderie with your fellow bikers.

Metro hosted our first road guard training course. 14 people became road guard certified or renewed their certification to help keep charity runs and group rides safe! A huge thank you to Eric Bout-it our master sergeant at arms for helping get this class up and running. The instructors from Pine Technical and Community College did a

fantastic job leading the class. St Paul Harley Davidson was more than welcoming to host the class. This is what we are about. Training people to be better bikers in all aspects. And this is just the beginning! Keep your eyes open, because Metro has more surprises up our sleeves!

By the time this issue reaches your doorstep the State Rally will have come and gone. Jameson helped keep the Rally safe, working the security team. JJ and Lori rocked the bike show and tattoo contest as always. And I guarantee you this was a weekend to remember (or try to remember).

Ronald McDonald House was our first recipient of Metro Buddy Bears this year! They were super happy to receive them and our chapter had a blast riding out to drop them off!

Lastly, Metro Chapter is working to put on a grilling event to get out in the community and meet our officers and members. The date and location are still being locked in so keep an eye on our Facebook page for details as they become available. We would love to see as many of your faces as we can!

I'm back, and my VP says he is happy to let me have it. The Grapevine report, that is. All kidding aside, my officers and chapter members did a terrific job while I was down, as well as got my house handicap accessible.

Fall is in the Air. As you ride around our beautiful state enjoying the fall colors, take time to visit with other Bikers and introduce them to A.B.A.T.E. Greetings Southeast District,

Summer is winding down unfortunately and then the biker unfriendly time of year in Minnesota will be here. Until then there is still plenty of biker friendly things to do.

The October B.O.D. will be held in Owatonna at the Bayview Inn and Suites co-hosted by the Straight River and Flatlanders chapters. The hotel is very excited to have us so if you can attend please do. We will need Sgt. at Arms from the Southeast District for the meetings on Friday night and the board meeting on Saturday morning.

At the July B.O.D. meeting, Jane, our State Coordinator, made the announcement that she will not be running for another term as did Michele our State Secretary. I also said that if there is someone else out there that wants to be the SEDD for the right reasons I will nominate them and help them get up to speed with the job. Don't worry that me and Michele are abandoning A.B.A.T.E., we are just rearranging some of our priorities and more than likely will remain involved in different positions.

Summers Done Run Fundraiser Ride to follow!!

Hello from the Flatlanders

Wow!! It's been a busy summer!! So many things going on, I hope everyone has had the opportunity to get some riding in. I also hope that you all have been able to participate in some of the great fundraisers the other chapters had/have. Supporting each other ensures our continued success!!

Another thing that makes us successful is Memberships!! However it's not just about getting people to join, it's about keeping them interested and making them feel welcome! When you're out and about, share our A.B.A.T.E. story, share your experiences, and give those that are interested a trifold. Afterall, we are an amazing group of people, but there is always room for more! One last thing, life can change in a heart beat, so do more of what makes you happy!

Hello All, and welcome to September! Can you believe how fast the riding season flew by? It's been an incredible summer on the road—but we're not done yet... fall riding is just around the corner, and it might be the best part of the year!

A heartfelt thank you to everyone who joined us for this year's Mike Berg & Fallen Friends Memorial Ride. We were blessed with gorgeous weather, and while the turnout was smaller this time (lots of other events that weekend), it made for a more personal ride with time to really connect. Special shout-outs to Slick and Parris for planning a fresh route with new stops—definitely a fun change of scenery! Thanks also to everyone who helped out, made donations, or supported in any way. Your continued involvement helps us keep spreading the message of motorcycle safety and rider training. "If we can save just one life..."

To everyone who made it to the State Rally—hope you had a fantastic time! There's nothing quite

like gathering with our A.B.A.T.E. family from all over the state. Already looking forward to next year!

Coming up soon—our Fall Ditch Cleanup and After Party! We'll lock in the date at our next meeting. It's a great way to give back to the community—and kick back afterward to celebrate a job well done.

January Thaw Dance...our biggest event is just a few months away, and we'll need all hands on deck to make it epic! Whether you're an organizer, cook/server, or just great at rallying the crew—we need you! More info coming soon—stay tuned!

A warm welcome to our new chapter members, and a big thanks to those who renewed their membership. We can't wait to ride, laugh, and volunteer together. Be sure to join us at our monthly meetings and upcoming events!

Don't forget to show up for our fellow chapters fundraisers. Let's keep the A.B.A.T.E. spirit alive across the state!

Keep the shiny side up, and ride safe!

Hello All:

The summer is very quickly coming to an end much to my dismay. We had our Summer Shenanigans Ride and Party the last Saturday in July. Unfortunately, it was not very well attended which is quite sad that we can't get chapter support for our efforts. The ride was about 150 miles and took you to Peterson, Mable, Cresco, Iowa, and Ostrander before returning back to the

Isle Bar and Event Center. I think this will be our last one.

We are working with Straight River on a Toys for Tots Ride to be held the first Saturday in October. This will start from the L & M Bar in Dundas and will end in Ostrander. Hope we have a good turnout. In case of weather, please free to come in a vehicle of your choice. Watch Facebook for flyers and more information.

Don't forget about our Bike Nights the second Tuesday of the month. September 9th will be our last one for the season. Also, don't forget about our monthly meetings--see above for the times and dates of future meetings.

I think that's about it for now.

Hello Everyone!

We are having a blast in Straight River Chapter! Some of us participated in the Hero's Ride which had over 100 bikes.

Some of us camped at the Shenanigan's for SELC. Was hoping to see more Chapters represented. Straight River completed our Buddy Bear Donation Ride today and delivered our remaining 50 Buddy's. Started in the rain and ended in the sunshine.

We have a plan for setting up camp, firewood delivery and seeing the rest of our A.B.A.T.E. brothers and sisters at Rally!

Straight River will be taking part in the HAF Memorial Ride September 13th leaving from Steele County Fairgrounds at 10:00 am. POW's Spaghetti feed is at the VFW in Rochester, September 16th, 4:00-7:00 pm. Mark Ugland's Memorial Ride October 4th, details to come, watch our Facebook posts.

And we can't forget the B.O.D. in Owatonna October 17th & 18th.

We have a few months left for good riding and we are looking forward to as many days on the bike that we can get.

I have witnessed a few instances of lane splitting, and so far so good. It was done correctly.

Hello September! Did you attend our Minnesota State Rally? A lot of work goes into setting this event up. How about volunteering, did you help out? It's a great way to meet other A.B.A.T.E. members.

I'm sure you've all heard by now, there will be some openings on the head table at the B.O.D. coming up in April. Do you think you're up for a challenge? Reach out to some of these members stepping down and think about it. Maybe you don't see it in you, but others may! There was a lot of information at the July B.O.D., make sure your Chapter Rep's are doing their job and keeping the chapter informed. If you have any questions, feel free to call me.

Until next time, *Shelly*

There is free primitive camping at the bar following the ride for those that don't want to leave or our Dial-a-Ride trailer and driver will be available as well.

Once we have finished with the raffle, our next focus is our annual Chili Feed sometime in March, hopefully. We will start posting information on that shortly. Plan on coming to St. James to try some of our freshly made chili and soups. I think that is all for now.

The Eagle's Club has been a huge supporter of A.B.A.T.E. for years, and we are happy to provide the Dial-A-Ride trailer for their annual run. A Big shout out to Danny and Angie Cairl from our chapter who drove the trailer and assisted riders with their needs!

Second was Darwin Twine Ball Day. We work the A.B.A.T.E. vendor booth at this event. Huge thank you to Jim & Kristie Orn and Luke Dollerschell for working the booth, and a big shout out to Troy Olson and Joyce Compart who helped sell all of our rally raffle tickets!

We have also been busy planning our chapter details for rally week. Can't wait to report next month on how everything went.

Hope to see you out on the road!

It's crazy September is here already, time sure flies. I have to admit, after the heat, humidity and rain this summer, I am looking forward to fall. Nothing new to report, so this is short and sweet. Keep your knees in the breeze,

With the summer winding down, we are trying to get together to do more rides before the winter comes. As we get older, it seems like we become busier. I keep saying this, but we need to make the time to do the things we love. The lawn will wait one more day. If your buddy says, "Hey, I got the day off, let's go!" Don't look for a reason not to go. Whatever you were going to do will be there tomorrow, I can promise you that. I have found that I have had to change the way I live. I have a full-time child again, with no breaks like I had. So instead of quit riding so I could go places with her, I just started riding Bob's bike. She's a great rider and we are getting outside and doing things. Make adjustments, start living and not just surviving.

Be safe!

Mike Pesta is a bonus guy in Charlee's life (She's got a lot of love and bonus people from GR). We went riding the other day and like usual, he picks her up and puts her on his shoulders.
